C. RONALD HUFF EDITOR

# Gangs In America Iii

**James C. Howell, Elizabeth Griffiths**

### **Gangs In America Iii:**

**Gangs in America III** C. Ronald Huff,2002 As communities face ever growing gang related problems Gangs in America III provides the most up to date information on the diverse perspectives and complex issues that arise in our efforts to understand prevent and control gang violence and crime Gangs in America III ,2001 **Gangs in America III** C. Ronald Huff,2001-11-06 As communities face ever growing gang related problems Gangs in America III provides the most up to date information on the diverse perspectives and complex issues that arise in our efforts to understand prevent and control gang violence and crime Gangs in America's Communities James C. Howell,Elizabeth Griffiths,2015-02-18 Gangs in America s Communities offers a comprehensive up to date and theoretically grounded approach to gangs and associated youth violence Authors Dr James C Howell and Dr Elizabeth Griffiths introduce readers to the foundations of gang studies through the origins of gangs definitions and categories of youth street gangs transnational as well as prison gangs and the distinctions between these arguably different types national trends in gang presence and gang related violence across American cities distinguishing attributes of serious street gangs and myths and realities Students and instructors will benefit from the Second Edition s comprehensive treatment of the state of the literature on individual level causes and consequences of gang membership Going beyond the traditional topics covered in most texts in the market this book uniquely describes specific gang patterns trends and cultures within a group based structure while illuminating the most promising avenues for reducing the presence and seriousness of gangs in American communities **The History of Street Gangs in the United States** James C. Howell,2015-06-09 This book is an historical account of the emergence of youth gangs and the transformation of these into street gangs in the United States The author traces the emergence of these gangs in the four major geographical regions over the span of two centuries from the early 1800s to 2012 The author s authoritative analysis explains gang emergence and expansion from play groups to heavily armed street gangs responsible for a large proportion of urban crimes including drive by shootings that often kill innocent bystanders Nationwide street gangs now account for 1 in 6 homicides each year and for 1 in 4 in very large cities In recent years the number of gangs gang members and gang homicides increased even though the U S has seen a sharp drop in violent and property crimes over the past decade The author s historical analysis reveals the key contributing factors to transformation of youth gangs including social disorganization that occurred following large scale immigration early in American history and urban policies that pushed minorities to inner city areas and public housing projects This analysis includes the influence of prison gangs on street gangs The first generation of prison gangs emerged spontaneously in response to dangers inside prisons The second generation was for many years extensions of street gangs that grew enormously during the 1980s and 1990s particularly in large urban areas in which public housing projects have served as incubators for street gangs The third generation of prison gangs is extremely active in street level criminal enterprises in varied forms often highly structured and well managed organizations

that are actively involved in drug trafficking In recent years returning inmates are a predominant influence on local gang violence Now prison gangs and street gangs often work together in street level criminal enterprises This book identifies the most promising ways that gang violence can be reduced The best long term approach is a combination of gang prevention intervention and suppression strategies and programs Targeted suppression of gang violence is imperative Street workers that serve as violence interrupters can break the cycle of contagious gang violence

Gangs in the Global City John Hagedorn, 2007 Understanding worldwide gangs through the lens of globalization

*Street Gangs Throughout the World* Herbert Covey, 2021-07-01 This new third edition provides an update on what is known about street gangs throughout the world and summarizes some of the major works on street gang phenomena It focuses on those countries that have a greater presence in the literature Chapter 1 introduces the reader to the topic of street gangs throughout the world Chapter 2 identifies some of the challenges faced by scholars when studying gangs in different countries Chapter 3 reviews some of the basic research on street gangs in the United States and Canada Chapter 4 covers what is known about street gangs in Europe and Russia Chapter 5 reviews the literature on street gangs in one of the hottest areas of the world for gangs Central America In addition this chapter examines South American and Caribbean gangs Street gangs in Brazil El Salvador Guatemala Jamaica Brazil Mexico Nicaragua Trinidad and other countries are covered The presence of street gangs and gang violence in these and other countries has been identified as a major factor in the mass migration of refugees to the United States Chapter 6 reports on the street gangs of Africa Research on gangs in South Africa goes back decades and the country has a unique history on how gangs evolved Other countries such as Egypt Nigeria and Kenya are developing a body of literature that highlights the distinctive nature of gangs and gang members in these countries Chapter 7 addresses street gangs in Asia including China India Hong Kong post reunification Japan and other countries This chapter provides rare glimpses of gangs in China a relatively secretive country Although different in many ways from gangs in Asia information is also included here about gangs in Australia and New Zealand Practitioners in the criminal justice and juvenile justice fields will find this book to be a valuable resource

*Small Arms Survey 2010* Small Arms Survey, Geneva, 2010-06-03 The Small Arms Survey 2010 focuses on gangs and non state armed groups Gang violence while typically directed at other gang members can account for a major portion of social violence Armed groups whatever their orientation to the state are of growing concern in conflict and post conflict settings where their activities can have serious repercussions for human security This volume reviews a range of issues related to gangs and armed groups exploring their functions roles and use of violence as well as emerging efforts to address the damage they inflict on society The volume explores prison gangs gender aspects of gangs and pro government groups it also features case studies from Ecuador and southern Sudan Original research on the global ammunition trade and on options for controlling illicit firearm transfers by air rounds out the book

Street Gangs, Migration and Ethnicity Frank van Gemert, Dana Peterson, Inger-Lise Lien, 2013-05-13 This book is the third

publication from the Eurogang Network a cross national collaboration of researchers from both North America and Europe devoted to comparative and multi national research on youth gangs It provides a unique insight into the influence of migration on local gang formation and development paying particular attention to the importance of ethnicity The book also explores the challenges that migration and ethnicity pose for responding effectively to the growth of such gangs particularly in areas where public discourse on such issues is restricted Chapters in the book are concerned to address both situations where there have been longstanding problems with street gangs as well as areas where such issues have just started to emerge A variety of different research traditions and approaches are represented including ethnographic methods self report surveys and interviews official records data and victim interviews It will be essential reading for anybody interested in the phenomenon of street and youth gangs

**Gangs** Jennifer MacKay,2010-11-08 According to the FBI 33 000 violent street gangs motorcycle gangs and prison gangs with nearly 1 4 million members are criminally active in the U S today One of the most notorious and dangerous gangs Mara Salvatrucha or MS 13 originated in Los Angeles and has as many as 50 000 members The Justice Department credits gangs with illegal smuggling transportation and distribution of large amounts of drugs in the United States This expansive volume explores the issues surrounding gangs The book tackles the history of gangs in America the relationship between gangs and culture and gangs as businesses

*Crime and Nature* Marcus Felson,2006-03-13 Crime and Nature written by the always innovative and original Marcus Felson is the first text to provide students with a unique new perspective for thinking about crime and how modern society can reduce crime s ecosystem and limit its diversity Key Features Connects crime to its larger world This innovative book shows how crime draws from the larger ecosystem that is how offenders hunt for targets and how they depend on one another Extending crime ecology well beyond other works this book shows how to help shut off crime opportunities and reduce crime in local areas An examination of how people defend against crime is also provided Stimulates critical thinking about crime Crime feeds off of legal activities both shady and legitimate Through a wealth of examples ranging from racketeering to juvenile street gangs this book shows criminology students what to look for and how to sort it out The author uses recent empirical studies to validate the principles presented and draws from a wealth of experience in other fields always keeping an eye on what every criminologist needs to know Presents intriguing useful information in an engaging and unique style Writing in a warm and personal voice the author uses an engaging student friendly style to build a sophisticated view of crime in small sure steps Down to earth ideas and examples are presented through concise exhibits Intended Audience This is an excellent supplementary text for a variety of undergraduate courses in criminology and criminal justice including Criminological Theory Crime Control and Prevention Introduction to Criminology Law and Society and Social Problems It will have a lasting impact on present and future criminologists

**Education and Development in Central America and the Latin Caribbean** D. Brent Edwards Jr.,Mauro C. Moschetti,Pauline Martin,Ricardo Morales-Ulloa,2024-02-08 Rooted in an

international political economy theoretical framework this book provides unique insights into the global forces and local responses that are shaping education systems in Central America and the Latin Caribbean CALC The book covers all Spanish speaking countries of the CALC region and examines the effects of macro economic pressures geopolitical intervention neo colonial relationships global pandemics transnational gang networks and the influence of international organizations Chapters analyse the challenges and opportunities these global forces present to education systems in the region as well as highlighting the local efforts to address mitigate and counteract them In doing so the book illuminates how education can contribute to either maintaining or challenging inequalities and exclusion in the face of pressures from the global to local levels

The Use of Punishment Sean McConville, 2013-01-10 In recent decades there has been a vast increase in the use of imprisonment and penal supervision and to many this development appears to be qualitatively as well as quantitatively different The causes of this development its consequences and future course form the main point of departure for the contributors to this volume who consider the changes that have contributed to these apparently fundamental shifts in the use of punishment In this major new book contributors from a range of disciplines provide an integrated approach to a range of questions surrounding the use of punishment In what ways have broader social institutions and processes contributed to penal expansion This book is the principal outcome of the Guggenheim Punishment Project which aimed for a truly interdisciplinary account of thinking about punishment and an outcome which was general and reflective rather than specific and policy oriented and accessible to the generalist as well as those with a specialist interest in the field

*Specialized Gang Units* Deborah Lamm Weisel, 2011 This is a print on demand edition of a hard to find publication Between 1980 and the mid 1990s the number of specialized gang units SGU in law enforcement agencies increased substantially The rise in SGU coincided with the widespread adoption of community policing CP This report examined whether CP and SGU are complementary or conflicting approaches The research approach consisted of field observation of gang personnel in two CP agencies with SGU Indianapolis IN and San Diego CA This report describes the specific types of activities engaged in by SGU documenting the time expended by SGU personnel on each The results suggest that SGU can have an important role in modern policing There is little evidence that SGU conflict with CU in principle or practice

**The Oxford Handbook of Gangs and Society** David C. Pyrooz, James Densley, John Leversso, 2024 The Oxford Handbook of Gangs and Society is the premier reference book on gangs for practitioners policymakers students and scholars This carefully curated volume contains 43 chapters written by the leading experts in the field who advance a central theme of looking back moving forward by providing state of the art reviews of the literature they created shaped and re defined This international interdisciplinary collective of authors provides readers with a rare tour of the field in its entirety expertly navigating thorny debates and the at times contentious history of gang research while simultaneously synthesizing flourishing areas of study that advance the field into the 21st century The volume is divided into six cohesive sections that reflect the diverse field of gang studies and

capture the large scale cultural economic political and social changes occurring within the world of gangs in the last century anticipating immense changes on the horizon From definitions to history to theory to epistemology to technology to policy and practice this unprecedented volume captures the most timely and important topics in the field From curious outsiders to longstanding insiders this volume will appeal to anyone with an interest in gangs The editors assembled a cast of the best scholars shaping how the field thinks about gangs The content is fresh timely and informative appealing to everyone from the armchair theorist to the federal policymaker It is truly a one stop shop for anyone seeking the most up to date information on gangs written by experts who approach the topic from very different disciplinary orientations methodological approaches and theoretical perspectives When readers finish this book they will be more confident in what we know and do not know about gangs in our society

*The American Midwest* Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region's surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region's history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination

**Youth Gangs and Community Intervention** Robert Chaskin, 2010-03-11 Although a range of program and policy responses to youth gangs exist most are largely based on suppression implemented by the police or other criminal justice agencies Less attention and fewer resources have been directed to prevention and intervention strategies that draw on the participation of community organizations schools and social service agencies in the neighborhoods in which gangs operate Also underemphasized is the importance of integrating such approaches at the local level In this volume leading researchers discuss effective intervention among youth gangs focusing on the ideas behind approaches to and evidence about the effectiveness of community based youth gang interventions Treating community as a crucial unit of analysis and action these essays reorient our understanding of gangs and the measures undertaken to defeat them They emphasize the importance of community both as a context that shapes opportunity and as a resource that promotes positive youth engagement Covering key themes and debates this book explores the role of social capital and collective efficacy in informing youth gang intervention and evaluation the importance of focusing on youth development within the context of community opportunities and pressures and the possibilities of better linking research policy and practice when responding to youth gangs among other critical issues

**Juvenile Delinquency** Donald J. Shoemaker, 2017-01-05 Juvenile Delinquency is a timely and comprehensive introduction to crime justice and young

people with an emphasis on theory and practice The third edition retains the overall structure of the second edition and features updates throughout including new information on gangs and prevention the impact of race and gender on crime and justice additional comparative and international examples and more The book opens with an overview of delinquency historical and contemporary discussions of juvenile justice theories of delinquency institutional contexts of delinquency such as school and the family and chapters on topics such as drug use youth gangs female delinquency police courts and corrections Many chapters discuss treatment programs as well as delinquency and illustrate theory put into practice Most issues are examined through the lenses of race class and gender Juvenile Delinquency covers the essentials of the topic with a price point far below most competitors To enhance student learning a complimentary instructor s manual and test bank are available Please see the Features page for additional information

Social Development Models of Gang Involvement  
Marvin D. Krohn, James C. Howell, 2020-05-21 This book containing contributions from scholars who are well known for their research on gangs and selected as experts on the assigned topics examines youth gangs from a developmental life course perspective exploring a myriad of issues related to gang membership its causes its consequences and various intervention efforts to both prevent gang membership and reduce the problematic impact of gangs Beginning with research exploring the intergenerational continuity in gang membership and examining the causal processes leading to gang membership the structure of the book reflects the developmental sequence of gang membership The consequences of gang membership for youth are examined as are intervention strategies The book also presents the first conceptual framework on female gang involvement taking into account the differences in the paths and roles that women and girls may take into the gang The book concludes by exploring how gang membership affects job possibilities for young adults This book was originally published as a special issue of the Journal of Crime and Justice

Girls, Women, and Crime Meda Chesney-Lind, Lisa Pasko, 2004 This reader accompanies The Female Offender
