Galloper Jack:

Galloper Jack Brough Scott,2012 This is Brough Scott s moving biography of his grandfather the author of the best selling Warrior Galloper Jack Seely was at the heart of some of the most important events of the first part of the 20th century His early life was one of adventure sailing to the antipodes saving the crew of a French ship wrecked off the coast of the Isle of Wight and later raising a squadron and joining the Boer War where he was awarded the DSO for his bravery On his return to England he was elected Conservative MP for the Isle of Wight but just like his close friend Winston Churchill later crossed over to the Liberal party At the outbreak of the First World War Seely went to the Western Front and there made his name as a humane and innovative leader Written with honesty and wit this is an exciting unusual and thought provoking biography of a man who has been unfairly treated by history

Galloper Jack Brough Scott,2003 A personal and moving biography of a formidable soldier and misunderstood statesman Galloper Jack Seely Brough Scott s grandfather was at the heart of some of the most important events of the first part of the twentieth century His early life was one of adventure sailing to the antipodes saving the crew of a French ship wrecked off the coast of the Isle of Wight and later raising a squadron and joining the Boer War where he was awarded the DSO for his bravery On his return to England he was elected Conservative MP for the Isle of Wight but just like his close friend Winston Churchill later crossed over to the Liberal party Later forced to resign Jack was sent to the Western Front and there made his name as a humane and innovative leader As far as Canada is concerned this book represents the most in depth telling of the greatest but forgotten passages in Canadian history I am unapologetic in saying that the story of Seely and the Canadian cavalry between 21 March and 1 April 1918 is one of the most dramatic pieces of personal war narrative you will find It involves some of the greatest heroes 3VCs that Canada ever produced and its surprise element is that this crucial engagement was a cavalry one The Munning s pictures featured in the book are in the vaults of the National War Museum in Ottawa Canada is very prous of its past and this is part of it that is forgotten Brough Scott Kilda Hall Frances Martin,1877

ruined in 1927 with the publication of an official biography which quoted extensively and injudiciously from his entertaining indiscreet and wildly opinionated diaries giving the impression that he was some sort of Machiavellian monster In this first modern biography using a wide variety of official and private sources for the first time Keith Jeffery reassesses Wilson's life and career and places him clearly in his social national and political context **Churchill's Secret Enemy** Jonathan Pile, 2012 Reveals evidence of a Watergate style conspiracy by British appeasers against Churchill masterminded by ex MI5 officer and Conservative Party fixer Sir Joseph Ball funded by murdered Bahamas Tax Exile Gold Magnate Sir Harry Oakes and British Pro Nazis Ball's friends included Cambridge Spy Guy Burgess and James Bond Author Ian Fleming Events culminate in the mysterious stopping of Big Ben the arrival of Rudolf Hess in Scotland 11 years of research reveal how close Churchill came to losing his seat in parliament selling his beloved Chartwell the dirty tricks used against him and how close England came to joining the Axis *A History of the British Cavalry* Lord Anglesey, 1995-04-19 In this last volume of a monumental chronicle the author shows the part played by the British cavalry in the First World War Drawing on material from a number of sources he demonstrates how the cavalry's superior mobility saved the day time and again **History Today**, 2003 *Churchill* Andrew Roberts, 2018-11-06 NEW YORK TIMES BESTSELLER One of The Wall Street Journal's Ten Best Books of 2018 One of The Economist's Best Books of 2018 One of The New York Times's Notable Books of 2018 Unarguably the best single volume biography of Churchill A brilliant feat of storytelling monumental in scope yet put together with tenderness for a man who had always believed that he would be Britain's savior Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material the true genius of the man statesman and leader can finally be fully seen and understood by the bestselling award winning author of Napoleon and The Last King of America When we seek an example of great leaders with unalloyed courage the person who comes to mind is Winston Churchill the iconic visionary war leader immune from the consensus of the day who stood firmly for his beliefs when everyone doubted him But how did young Winston become Churchill What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved In Churchill Andrew Roberts gives readers the full and definitive Winston Churchill from birth to lasting legacy as personally revealing as it is compulsively readable Roberts gained exclusive access to extensive new material transcripts of War Cabinet meetings diaries letters and unpublished memoirs from Churchill's contemporaries The Royal Family permitted Roberts in a first for a Churchill biographer to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II This treasure trove of access allows Roberts to understand the man in revelatory new ways and to identify the hidden forces fueling Churchill's legendary drive We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today and the fundamental values of courage tenacity leadership and moral conviction 'Unsinkable' Richard

Freeman,2013-10-01 Unsinkable is the story of a man unjustly vilified Churchill in the First World His enemies the Tory party censured him for Antwerp the Dardanelles and Gallipoli He could do no right and was regarded as a dangerous maniac But the true story is quite the opposite This book tells how as a brilliant First Sea Lord Churchill was ousted by his enemies yet clawed his way back to power against all the odds As the leading critic of senselessly sending men to march towards machine guns his calls for machines not men went unheeded After a spell in the trenches he returned to London to clear his name over the Dardanelles Then he relentlessly fought his way back to power through his brilliant incisive criticism of the land war The unsinkable politician finally became Munitions Minister in 1917 where he pushed output to unimaginable levels His weapons delivered the victory that had eluded others for the previous three years **Warriors Of God** Malcolm

Gliddon,2013-02-01 At the end of 1917 after three years of trench warfare on the Western Front the Allied armies of Britain and France and those of their main opponent Germany had reached a point of exhaustion and hibernation On March 21 1918 the German Army launched a massive assault on the Western Front hurling fifty nine divisions into battle against the British Fifth Army smashing through British lines and advancing 40 miles per week More offensives were to follow throughout the spring including at Aisne and Marne with the aim of ending the war before American forces could reach the Continent and reinforce the Allied lines Nevertheless although the German Army left the British Army reeling the Tommies retreated in good order and fought all the way It was during these bloody battles which lasted until July 1918 that fifty seven men stood out for acts of extraordinary daring and bravery To these men the highest military honour was awarded the Victoria Cross This book reveals the true extent of their bravery their backgrounds and their lives after the war **Hard Fighting**
