The Serpent's Gambit David M. Couchman, 2014-01-07 First one then four Four sets of human remains with alarming things in common All four had been military active duty All four had disappeared from Roswell Army Air Base in 1947 All four had the

same physical anomalies All four had military records that were classified Unraveling the cord of mystery takes local citizens and a small knot of Army personnel on a trail that leads through Area 51 to the White House from Moscow to deep space and through a maze of people who are not who or even what they seem to be Who do you trust if anyone at all **The Ultimate Gambit** R. James Roybal,2017-07-26 The security guard found the body of the vice president of marketing Stephen Jones at 6 39 a m Mr Jones had signed in over twelve hours ago at the front desk and had not bothered to check in since Although missing a check in or even several check ins was not unusual missing check ins for twelve hours was out of the ordinary and therefore the security guard was dispatched to find out if everything was in order The first indication that something was amiss was that the door to Mr Jones office was dead bolted from the inside of the office After the discovery of the locked door the fact that Mr Jones was not responding and the fact that Mr Jones would not answer his door or his telephone rang warning bells in the security guards brain He had immediately contacted his supervisor who was next in line in the chain of command The outer office was normally inhabited by the vice presidents no nonsense secretary Rebekah Livingston who as part of her resume had a black belt in more than a few martial art forms She was also licensed to carry several different types of weaponry Her weapon of choice was a wicked looking snub nosed Colt 44 magnum with exploding dum dum bullets The security guard had never personally seen the exact location where the weapon was holstered but surmised that the short skirts that the young lady wore might have something to do with its hidden location The security guard was sure of two things The exact time of day and the fact that Stephen Jones was quite dead **The Knight'S Gambit** John Alfred Barrett,2011-03-14 The melodious thrill of the calvary charge is absent here Only the cold impersonal movement of human chess pieces guided by ignorance and error creates scenes of devastation And through it all anonymous heroism as men struggle to serve their respective nations and loyally do their duty Men go to sea because they are poor and not because they are dreamers During the Great Depression young workers thought it heaven to have a job that provided food and shelter and enabled them to save a little money It was the foundation of the authors engineering career His youthful vigor found him a wife and a college education after he left the sea **The Perish of Dreams** Ricardo Lebrija,2017-03-09 Its all about the rush about this flow of adrenaline taking over your senses Its about compromising your every action and every thought ignoring protocol and decency in the name of insanity of losing yourself in a moment of perfect joy Winning or losing is just a consequence that would be dealt with after the fact ending on top is the only cure for exasperation but seems more elusive than the latter Losing seems to be the commonality that defines this madness **Expressions in Poetry & Prose & Other Oddities** Barbara Francis,2002-08-14 Many of my poems prose and other oddities stem from life experience While others from my vivid imagination The sketches are from charcoal pen and other medium Many of the photos are from my family Unfortunately they have all passed on and I am the only survivor of 8 children During my life time many important people have inspired me to write especially my sons who have always stood my side through all kinds of weather They are my
