Badger Bars & Tavern Tales Bill Moen, Doug Davis, 2003 Relive the days when Wisconsin was young and wild when the tavern was the social hub of small towns across the state Gentle Ben Walt Morey, 2006-02-02 The Alaskan wilderness is a lonely place for Mark Andersen especially after the death of his brother But Mark finds a friend named Ben who happens to be an Alaskan brown bear Ben and Mark form a special bond but the townspeople are determined to destroy it It is only through the strength of an enduring friendship that Ben and Mark have a chance of being saved *LIFE* ,1968-11-15 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use Motion Picture Paradise David Morton, 2024-07-30 Highlighting Florida s essential often overlooked role in shaping American film and television Motion Picture Paradise is a sweeping story of filmmaking in Florida featuring the activities of studios and filmmakers across the peninsula by looking at the many iconic films and television shows shot in the state In the early years of the American film industry Florida was a favorite location for pioneer movie makers and David Morton chronicles the state s importance to producers throughout the next 125 years Often overshadowed by the well known entertainment industries of Hollywood and New York Florida has over time had several major film production centers Morton follows the rise and fall of filmmaking destinations across the state including Jacksonville St Augustine Tampa Bay Orlando and Miami as well as pioneering underwater and location based films shot at Florida s unique natural springs He argues that conflicting policies set by Florida politicians have at various times enticed or pushed away movie and television companies a pattern that has hampered serious investment Using a wealth of source materials Morton offers a comprehensive history that demonstrates how films and television shows made in Florida have influenced the state s sense of identity drawing attention to Florida s underacknowledged role as the third coast in American film history Motion Picture Paradise adds new insights into the state s dramatic social and economic transformations during the twentieth century Gentle Ben by Walt Morey Jean Jamieson, 1999 Please Don't Shoot Me! Perry Sproat, 2002-10 *Bear* Wolf D. Storl, 2018-01-09 Since the beginning of human history bears have been regarded as animals of great power Ethnobotanist and cultural anthropologist Wolf Storl who spent years in the wilderness with bears explores the fascinating relationship between bears and humans including the history mythology healing lore and biology of this formidable creature Storl takes the reader from the bear caves of the Neanderthals to the bear worshipping Siberian tribes of today from the extinct cave bear to the modern teddy bear Bears were traditionally seen as a kind of forest human under whose shaggy fur a king or a god was hidden he explains Vividly illustrating the power of myths and fairy tales to reveal more than scientific treatises about the true nature of beings especially in the case of bears Storl restores this magnificent animal to its rightful place at the forefront of the human
