Gentleman Johnny:

Gentleman Johnny Burgoyne Francis Josiah Hudleston, 1927 *A Mixed Race* Frank Shuffelton, 1993 Focusing on the 18th century and colonial American values this collection of essays explores the subject of ethnicity in the USA Moving from questions of race and ethnicity to varieties of ethnic representation it sheds light on the confrontations of ethnically different peoples **The Watchman** Cambro, 2014-07-23 The story opens in 1948 with Gerald Mitchell a good family man contemplating murder even as a mysterious watchman strives to deter him I know even if you do not he tells Gerald That when confronted with that life and death choice you will not pull the trigger So why dirty yourself unnecessarily by going up those steps Gerald's actions that night propel him unwittingly into a titanic battle between good and evil forces embodied by two haunting spirits This battle extends far into the future involving the descendants of Gerald Mitchell told in Parts II III and IV In *The Watchman* author Cambro blends elements of love hate grand ambition science religion history and fantasy but all with an over riding touch of the supernatural **J.T.** John Nicholas Iannuzzi, 2014-02-04 He had what every lawyer needs the killer instinct He was the hottest new item in the legal profession America's first media attorney the lawyer who bullied his way into Washington and got his face on every TV in the nation the restless ruthless ferret of a man who wheeled and dealt his way into the chandeliered sanctums of Palm Beach and the cushioned backseats of limousines The silver tongued advocate who would have the daily headlines no matter what the price Suicides and broken hearts meant nothing to a man so insatiable for fame and power J T Wright wanted it all and God help the people who stood in his way *Benedict Arnold, Revolutionary Hero* James K. Martin, 2000-08 This landmark biography stands as an invaluable antidote to the historical distortion surrounding the life of Benedict Arnold **The Man Who Lost America** Noel B Gerson, 2024-11-11 The remarkable life of the British general who was decisively defeated and surrendered to his American Revolutionary opponents at the Battle of Saratoga A perfect book for readers who wish to learn more about his extraordinary life and for those who like the works of Nathaniel Philbrick Jon Meacham and Ron Chernow In the summer of 1777 Lieutenant General John Burgoyne led a force of eight thousand men southwards from Quebec with the aim of joining two other British forces from New York City and Lake Ontario to reach Albany New York The two supporting British forces never arrived and Burgoyne was surrounded by American forces After winning an initial battle near Saratoga he was met by an even larger force in the same location and was overwhelmed Historian Edmund Morgan states that Burgoyne's surrender was a great turning point of the war because it won for Americans the foreign assistance which was the element needed for victory Yet was General Burgoyne solely to blame for the British tactical mistakes And who was this man entrusted to put a halt to the American Revolution Noel B Gerson sheds light on the life of John Burgoyne not simply on his military career through the Seven Years War and the American Revolutionary War but also on his political career as a member of the House of Commons as well as his somewhat surprising achievements as a playwright in Georgian England Gerson's work draws from numerous primary

sources including a number written by Burgoyne himself to present a fascinating reassessment of the soldier dramatist and politician who became known as The Man Who Lost America It deserves to be read by all interested in this thrilling period of history *Munsey's Magazine* ,1929 Onward ,1901 **Johnny's search** Miriam Clarke,1884 *The American Magazine of Wit* ,1808 **As the Tallgrass Grows** Rachel Ember,2022-01-28 No matter how many times Johnny starts over things eventually fall apart Like they did when he left the family ranch he loves in Nebraska or in his fledgling acting career in L A or with his arguably perfect ex boyfriend Then he meets pretty prickly captivating Owen A man who loves fiercely and protectively A man Johnny is helplessly drawn to and who inspires him to finally build a life that he won t burn down But every idyllic summer comes to an end and Johnny has never been able to resist his urge to run when things get hard Owen s safe haven has always been his godfathers farm When they need help he drops everything and moves in for the summer To his surprise they already have one house guest Johnny their long lost nephew Johnny s beautiful charismatic and worst of all famous everything Owen s celebrity parents taught him to hate Owen resists their instant chemistry but as the summer works its magic he falls for Johnny anyway Even though he can practically hear the clock ticking until Johnny takes off with no regard for who his leaving will hurt As the Tallgrass Grows is the fourth book in the Wild Ones series Though the story can stand alone the series is best enjoyed when read in order *Ben's Tale* Arnold Patrick Parker,2008-08-14 With a different take on the life of Benedict Arnold Ben s Tale reveals an epic story of greed and glory family and friendship treason and truthfulness Told by a history buff who is also a London physician the drama unfolds as the doctor gets an opportunity to treat and befriend the infamous general and find out for himself whether Arnold s story is one of slanderous legend or an extraordinary man wrongly accused The so called traitor unmasks his tale of woe of jealous ambitious founding fathers doubts about the viability of the new nation and of his relationship with his beautiful wife Peggy and her role in facilitating his change of coat *Convoy* Dudley Pope,2013-03-04 A deadly game of cat and mouse unravels its way out of this spine tingling war story as Lieutenant Yorke must find an answer to one vital question how are German U Boats sinking merchant ships from inside the convoys Only his wit and daring can lead to its survival and his John Lee Johnson Must Die Conn Hamlett,2020-03-09 Having survived a violent plot to end his life in Mexico John Lee Johnson has returned home to ranch life in Texas with his wife However peace doesn t last long Former brigadier general Frank McGrew still pursues his never ending quest to kill John due to their opposing positions in the Civil War McGrew s evil minions are now in power in Texas controlling the reconstruction government They hire nine capable killers to hunt John and take him down for good but it s not going to be easy McGrew s best chance is Judith Levy a deadly New Yorker with ice water in her veins Her impeccable skills might grant her success where so many others have failed John Lee Johnson Must Die is a thrilling Western filled with action adventure and a colorful cast of characters This instalment of the John Lee Johnson series is so immersive you ll feel the heat of the Texas sun Find out if John Lee Johnson s luck has finally run out or if this giant of a man is about to unleash hell
