[EN]ANGEL&STORM S01E01 CRAMER,2014-11-13 ANGEL it is an actual situation where everything is well controlled again by the emergence of New World Order NWO 29 years ago anything related to Japanese yen had defaulted due to economic and environmental collapse of Japan the country which used to be one of the main powers in East Asia As a result powerless countries were knocked down one after another by financial paralysis like falling dominoes Moreover the massive outbreak of the fatal yet unknown virus killed billions of people in some countries like China and Africa and some mutant humans were born after the virus e.g. Modified Ebola outbreak Each country strengthened its governmental authority and imposed martial law justifying that it is to find terrorists and to protect citizens Not so long after a religious conflict caused a nuclear war in Israel In 2017 nuclear wars had begun in many countries simultaneously and the Illuminati intensified the war between South and North Korea the powder keg of East Asia to gain enormous profits and supremacy The United States once called the mediator tried to confront the full scale invasion of China and Russia but soon it collapsed feebly and lost the title of the most powerful country in the world Meanwhile the mercenaries in the broad battlefield selectively killed the disarmed people The citizens from all over the world were left in chaos as they could not tell who their enemies and allies were They could not take any more inflation conflicts between countries and regions and a food crisis so the citizens started the first worldwide riot The massive natural disasters from abrupt climate changes and tectonic movements made the citizens go through the worst era Then NWO appeared in front of them It led the survived population of five hundred million people using powerful control and justified that its control over people was to restore Earth By the time 20 years of Earth restoration project was ended almost all tasks in society were handled by Zion's selected executors and robots and the citizen from all over the world had received the new class called commoner and the identification system from NWO World's commoners were losing jobs as they were restricted from accessing high quality upper class information for security and safety purposes and they ended up taking over the simple manufacturing and the mining jobs World's commoners who had lost their life goals began to have complaints against NWO and the world was on the verge of facing the second worldwide riot However instead of forcibly cracking down on the riot NWO was generous enough to create a virtual reality world justifying that the virtual reality world was to ensure every commoner's happy life As commoners regained the stabilities of their lives there were no more riots or complaints however they were repeating the same history in the virtual reality given by NWO The revolutionary armies and the scholars around the world could not neglect what commoners were doing in GALAHAD anymore To change commoner's consciousness to

civic consciousness they began to infiltrate themselves into GALAHAD What would you do if you can change the tragic history What if justice you believe in is false In this virtual reality world with a medieval era setting the mute girl Aru who wanted to become the pirate queen started the adventure with her mercenaries traveling vast oceans and perilous lands However Illuminati and Freemason the secretive organizations that established New World Order tried to interrupt them What would be the truth of human history that they tried to hide from commoners ANGEL STORM is the fantasy novel with new perspectives on angels and demons deceptions of creationism reinterpretations of religion and history alternating points of view and the expansive storyline with numerous characters This novel consists of six seasons and each season is split into 15 to 20 series One season will be released over a year Beyond Ruin Kit Rocha, 2016-02-23 The explosive 7th book in the bestselling BEYOND series The sectors will never be the same Adrian Maddox fled his royal life and tragic past in Sector One choosing instead to join up with the O Kanes For years he's lived by one rule love fast love hard and always be willing to walk away He's managed to guard his heart keep it whole and untouched until now They couldn't be more different Dylan the brilliant burned out doctor from Eden who drowns his pain with drugs and self destruction Scarlet the sensuous sexy rocker from Three a woman unafraid to embrace the world And Jade the whore turned spy from Sector Two who battled addiction and came out stronger than anyone he's ever met Separately they make Mad long to open his heart to tumble head first into a sea of possibilities and wild love Together they make him burn inside and out with lust and unbearable unimaginable pleasure Then one fateful moment shakes their world to its foundations and leaves the sectors on the verge of all out war with Eden It's the biggest fight the O Kanes have ever faced and Mad and his lovers are at the dead center of it They could end up with everything they never knew they wanted or lose it all Including their lives Tales of Kalindia, *Woman of a Thousand Secrets* Barbara Wood, 2008-09-02 The Bestselling Author of *The Blessing Stone* and *Daughter of the Sun* She came to them from the sea and to the sea they returned her A story of sacrifice and survival in the New World Tonina lives an idyllic life on a small island in the Caribbean hundreds of years before Europeans discovered it But she has always been an outsider among her people Unlike them Tonina is tall and lean and light skinned and her origins remain a mystery Her adoptive parents had found her floating in a basket in the sea a sacrifice A shipwreck No one knows When Tonina turns nineteen her parents know she must return to the sea so that the gods don't become angry with the village for keeping something that is not theirs Under the guise of finding a medicinal plant they send Tonina to the mainland a terrifying place she can't even imagine They know however that they will never see her again And here is where her adventure begins It is a tale of survival and sacrifice of luck magic intrigue and danger romance and betrayal an epic filled with ancient lore tales of bearded white men who sailed to this shore in giant ships and discoveries of medicinal miracles in faraway places But most of all it's the story of one woman's quest to discover where and to whom she really belongs This sweeping story of the undiscovered world before the time of Columbus is Barbara Wood at her very best **Merchant Vessels of the United**
