L'affaire Telle Que Je Lai Vecue:

L'affaire telle que je l'ai vécue Mathieu Dreyfus, 2017-03-22 De l'importante bibliographie consacrée à l'affaire Dreyfus L'affaire telle que je l'ai vécue est un ouvrage essentiel en ce qu'il est un des rares témoignages de première main Mathieu Dreyfus a été un des principaux acteurs de l'affaire À l'avant-garde du combat en faveur de son frère il a été celui qui par son travail patient jamais décourage par les déceptions les obstacles et les pièges malgré l'indifférence et les rebuffades a amené tant de personnes à partager sa conviction de l'innocence du capitaine Dreyfus Dans ce livre publié pour la première fois chez Grasset en 1978 posthume il raconte ce qu'a été son affaire et dans le détail l'histoire de son engagement On y voit comment seul il a tenté de trouver le véritable coupable la place de qui son frère avait été condamné le travail quotidiennement opiniâtre qu'il a dû accomplir comment une fois le traître découvert il a eu à lutter pour déjouer les pièges tendus par l'État-Major compromis et comment il a tenté contre lui de faire Esterhazy On voit aussi son action au moment du procès Zola ce qu'il a fait jusqu'à la grâce de Dreyfus et même après quand le camp dreyfusard a explosé L'édition revue et complétée d'après le manuscrit et le tapuscrit conservés à la BNF est publiée et présentée par Philippe Oriol qui a dit la correspondance inédite de Dreyfus avec la marquise Arconati qui paraît concomitamment chez Grasset

L'affaire Finally, telle que je l'ai vécue Moïse Keller, 1960 **The Affair: The Case of Alfred Dreyfus** Jean-Denis Bredin, 2019-07-31 Co-published by Plunkett Lake Press and George Braziller Inc On an autumn morning in 1894 Captain Dreyfus was summoned to appear for a routine inspection instead as he took down a letter dictated by a senior officer he was summarily accused of high treason So began a twelve-year series of events that included his imprisonment on Devil's Island the publication of Emile Zola's passionate *J'accuse* the Rennes retrial and the pardon and final rehabilitation of 1906 As the Dreyfus case turned into the Affair the history of a single military career came to display the conflicts that were tearing France apart military defeat anti-Semitic furor and the place of traditional values in a country still reeling from the turbulence of the French Revolution Told with an historian's insight and a novelist's skill The Affair makes fascinating and informative reading about one of the most celebrated episodes in modern history There have been many books about the Dreyfus Affair but Jean-Denis Bredin's book is one of the best of them lucid well-organized informed by a fine sense of drama John Gross *The New York Times* a critically acclaimed study Michiko Kakutani *The New York Times* If one is limited to a single book about the Dreyfus case and its consequences this should be it Bredin has told this story with precision passion and a vivid sense of character *The New York Review of Books* A brilliant and fascinating book What is most remarkable about The Affair is the skill and sensitivity with which the author places it in its essential historical setting It is also a gripping though terrible story superbly told *The Atlantic* This is the most judicious and absorbing account to date of the Dreyfus Case *The Boston Globe* This is certainly the best book on the Dreyfus case now available in the English language *San Francisco Examiner* Bredin is crystal clear in his gripping narrative of the complex case His tapestry glows with all the color of the Belle Époque and its extravagances *Chicago Sun Times* There have been

other books on the Affair but I can't imagine any of them coming even close to Bredin's work. He is brilliant at placing the myriad elements of the Affair in context with verve and lucidity. It should be a model for future historians. San Francisco Chronicle

L'Histoire de l'Affaire Dreyfus T.1 Philippe Oriol, 2008-09-10. Hormis l'Histoire de l'affaire Dreyfus de Joseph Reinach, il n'y a pas eu de livre retraçant l'ensemble de l'Affaire de ses tout débuts aux dernières périodes de la réhabilitation. Or le livre de Reinach a été publié en 1901. On s'en doute, un très grand nombre de documents ont paru depuis et surtout une quantité impressionnante de travaux ont été publiés un peu partout dans le monde. Le besoin d'une nouvelle histoire globale se faisait donc sentir. C'est ce qu'a relevé Philippe Oriol après avoir publié lui-même plusieurs documents sur l'Affaire ou autour d'elle, notamment les Carnets d'Alfred Dreyfus, il a décidé de retracer l'ensemble des événements qui l'ont faite. Il a tout lu, la presse de l'époque, les archives, les libelles, les livres sérieux comme les plus fantaisistes. Aussi se montre-t-il capable de discuter dans le détail les divers points controversés de cette histoire, faisant liti de certains nombres de légendes comme celle des aveux de Dreyfus avouant ses doutes quand l'information est incertaine. Ce premier volume couvre la période 1894-1897, c'est-à-dire le déclenchement des événements, la campagne de presse qui réserve de belles surprises, la dégradation et le bannissement. C'est le moment le plus noir de l'histoire, celui pendant lequel seule la famille de Dreyfus et Bernard Lazare sont convaincus de son innocence et s'efforcent de faire entendre leur voix. L'ensemble comportera trois volumes qui paraîtront chacun un an d'intervalle.

In God's Name Omer Bartov, Phyllis Mack, 2001. Despite the widespread trends of secularization in the 20th century, religion has played an important role in several outbreaks of genocide since the First World War. And yet not many scholars have looked either at the religious aspects of modern genocide or at the manner in which religion has taken a position on mass killing. This collection of essays addresses this hiatus by examining the intersection between religion and state-organized murder in the cases of the Armenian, Jewish, Rwandan, and Bosnian genocides. Rather than a comprehensive overview, it offers a series of discrete yet closely related case studies that shed light on three fundamental aspects of this issue: the use of religion to legitimize and motivate genocide; the potential of religious faith to encourage physical and spiritual resistance to mass murder; and finally, the role of religion in coming to terms with the legacy of atrocity.

The Dreyfus Affair G. Whyte, 2005-10-12. Volume one of a comprehensive series on the Dreyfus Affair, this account chronicles for the first time in English and day by day the drama that destabilized French society, 1894-1906, and reverberated across the world. A deliberate miscarriage of justice, the public degradation of an innocent Jewish officer and his incarceration on Devil's Island, espionage intrigue, media pressure, vehement antisemitism, and political skulduggery: topics so relevant to our times are set within a broad historical context. Meticulous research, new translations of key documents, a wealth of primary sources and illustrations, and a select bibliography make this an indispensable reference work.

Human Rights Struggles in Twentieth-century France Max Likin, 2022-10-07 This book provides an introduction to human rights controversies in twentieth century France from the Dreyfus Affair at the beginning of the century to the arguments over women and immigrants rights at its end Using the Ligue des Droits de l'Homme LDH or the League of the Rights of Man as a narrative thread for this chronological study the book tracks the gradual expansion of human rights in France in the wake of the two world wars the Algerian quagmire and decolonisation more generally Examining the capital role of the LDH whilst also highlighting the role of individuals and key activists the book helps us to contextualise the quandaries faced by unseen minorities particularly colonial subjects and women The analysis also demonstrates the influence of French human rights activism on key international documents of human rights law such as the Universal Declaration of Human Rights The LDH occupies a central place in French justice debates and is therefore an ideal template to analyse the rising influence of humanitarianism and crimes against humanity in French causes culled from the 1970s onwards However the author goes further to look beyond the LDH and even France itself offering wide ranging surveys of dominant rights issues across Europe at any given period Drawing on extensive research and interviews with key members of the LDH this book provides an accessible overview of human rights struggles in twentieth century France

France and the Dreyfus Affair: A Documentary History Michael Burns, 2019-08-09 The unjust conviction of French Jewish Captain Alfred Dreyfus on charges of treason started the Dreyfus affair a major event in European anti-Semitism This documentary history is designed to introduce the broad outlines and significant legacies of the Dreyfus affair from the captain's arrest in 1894 to the 1998 centennial of J'accuse mile Zola's scathing indictment of the French military This volume fashioned for a weeklong assignment in a college course reproduces the affair's most celebrated texts as well as less familiar but no less telling documents Presented as a chronological narrative it charts Captain Dreyfus's case as it unfolded in time and summarizes the major issues and debates that have survived for the past century From the preface by Michael Burns A fresh and compelling study of the turn of the century affair in a concise and readable book A fine compilation of well chosen documents and lucid analysis Beyond making this frequently told tale come to life once again I literally could not put the book down Burns has given it historical and cultural context Donna F Ryan Gallaudet University Michael Burns's volume is imaginatively written with a keen eye to the drama and desperation of the Dreyfus affair Its special strength is its learned attention to the political military and cultural

contexts Weaving the author's own commentary together with documents from the period this volume is a splendid guide to one of the most important historical landmarks of our time Michael R Marrus University of Toronto In both his analysis and his choice of documents Michael Burns has brilliantly captured all the complexity and the passion of the Dreyfus affair I salute his achievement Benjamin F Martin Louisiana State University

Math on Trial Leila Schneps, Coralie Colmez, 2013-03-12 In the wrong hands math can be deadly Even the simplest numbers can become powerful forces when manipulated by politicians or the media but in the case of the law your liberty and your life can depend on the right calculation In *Math on Trial* mathematicians Leila Schneps and Coralie Colmez describe ten trials spanning from the nineteenth century to today in which mathematical arguments were used and disastrously misused as evidence They tell the stories of Sally Clark who was accused of murdering her children by a doctor with a faulty sense of calculation of nineteenth century tycoon Hetty Green whose dispute over her aunt's will became a signal case in the forensic use of mathematics and of the case of Amanda Knox in which a judge's misunderstanding of probability led him to discount critical evidence which might have kept her in jail Offering a fresh angle on cases from the nineteenth century Dreyfus affair to the murder trial of Dutch nurse Lucia de Berk Schneps and Colmez show how the improper application of mathematical concepts can mean the difference between walking free and life in prison A colorful narrative of mathematical abuse *Math on Trial* blends courtroom drama history and math to show that legal expertise isn't always enough to prove a person innocent

Why the Dreyfus Affair Matters Louis Begley, 2009-01-01 In December 1894 Captain Alfred Dreyfus a brilliant French artillery officer and a Jew of Alsatian descent was court martialed for selling secrets to the German military attache in Paris based on perjured testimony and trumped up evidence The sentence was military degradation and life imprisonment on Devil's Island a hellhole off the coast of French Guiana Five years later the case was overturned and eventually Dreyfus was completely exonerated Meanwhile the Dreyfus Affair tore France apart pitting Dreyfusards committed to restoring freedom and honor to an innocent man convicted of a crime committed by another against nationalists anti Semites and militarists who preferred having an innocent man rot to exposing the crimes committed by ministers of war and the army's top brass in order to secure Dreyfus's conviction Was the Dreyfus Affair merely another instance of the rise in France of a virulent form of anti-Semitism In *Why the Dreyfus Affair Matters* the acclaimed novelist draws upon his legal expertise to create a riveting account of the

famously complex case and to remind us of the interest each one of us has in the faithful execution of laws as the safeguard of our liberties and honor

Alfred Dreyfus Vincent Duclert, 2006-04-19 Des milliers de livres existent sur l'affaire laquelle Alfred Dreyfus a donné son nom mais nul n'a jamais crit sa biographie Curieuse troublante lacune Ne fallait-il pas montrer le rôle minent que cette figure ignore de forme quasi ni e jusque chez une partie des dreyfusards a joué dans le combat pour la vérité et la justice Certes Lazare Zola Péguy Jaurès Clemenceau et d'autres ont tenu des rôles importants mais sans le concours actif du principal intéressé et de sa famille y aurait-il eu seulement une affaire Un condamné qui se fût abandonné qui eût capitulé devant la souffrance morale et physique qui se fût résigné à l'injustice qui eût cru qu'il suffisait de se draper de son innocence eût forcé ment chou devant l'acharnement la duplicité la perversité d'adversaires déterminés perdre un juif un intellectuel un officier qui s'était voulu le parangon des cadres dont une armée révolutionnaire aurait besoin en cette aube du XXe siècle C'est Dreyfus et nul autre qui a rendu possible le combat pour la justice il s'en est fait un devoir et un honneur Le devoir de l'histoire consiste à le sortir de l'oubli et du mensonge pour révéler l'homme ses actes et son patriotisme C'est aussi un devoir de justice

Histoire politique de l'affaire Dreyfus Bertrand Joly, 2014-11-13 L'affaire Dreyfus est souvent décrite comme un coup de massue tombant sur le jeu politique Or c'est la crise politique larvée qui permit l'erreur judiciaire initiale de devenir une affaire majeure la première tentant d'ignorer la seconde puis la rattrapant tardivement pour relancer le régime et en empêcher la réforme Cette vision heurtera sans doute ceux qui veulent d'abord voir dans l'Affaire un grand combat moral mais cet élargissement de la perspective révèle les défaillances du moment et les déceptions ultérieures Pourquoi une erreur judiciaire est-elle devenue l'Affaire tout court Pourquoi l'opinion publique et la classe politique ont-elles été si longtemps hostiles aux dreyfusards Pour analyser le paysage et le climat où a surgi l'affaire Dreyfus et mieux en comprendre les évolutions puis l'insatisfaisant dénouement il faut examiner les structures du régime qui la subit tant bien que mal la Troisième République et l'affaire Dreyfus se clarifient dès lors l'une et l'autre Bertrand Joly ancien conservateur aux Archives nationales enseigne à l'université de Nantes Il a notamment publié un Dictionnaire biographique et géographique du nationalisme français 1880-1900 H. For the Soul of France Frederick Brown, 2011-02-08 In the aftermath of the Franco-Prussian War of 1870-71 a defeated and humiliated France split into cultural factions that ranged from those who embraced modernity to those who championed the restoration of throne and altar This polarization to which such iconic monuments as the Sacre Coeur and the Eiffel Tower bear witness intensified with a succession of grave events over the following decades the crash of an investment bank founded to advance Catholic interests the failure of the Panama Canal Company the fraudulent charge of treason brought against a Jewish officer Alfred Dreyfus which resulted in a civil war between his zealous supporters and fanatical antagonists In this brilliant reconsideration of what fostered the rise of fascism and anti-Semitism in twentieth century Europe Frederick Brown chronicles the intense struggle for the soul of a nation and shows how France's deep fractures led to its surrender to Hitler's armies in 1940
