TERROR IN THE RUINSAt first Rikard thought that Droagn was suffering hallucinations Then he saw giant lizards with eight legs moving among the rubble Rikard found it hard to be frightened by them though their intent was all too obvious He was numbed by the Tathas effect and kept slipping back into mental darkness Kitah bley Droagn shouted Rikard felt the dim edges of the psychic blast which Droagn projected against the creatures but they weren t intelligent enough to be affected Rikard finally became aware that he was in danger He drew his gun and closed the connection to the implants in his hand arm and brain But the effect of the time dilation thus produced was bizarre dreamlike nightmarish The monsters were closing Rikard missed his shot He was dumbfounded He had never missed before when he was wired into his range finder He fired again And missed
