**Laity Stirring the Church** Dolores R. Leckey, 1987      The Other Six Days R. Paul Stevens, 2000-09-05 In this provocative book Stevens writes the clergy laity division has no basis in the New Testament and challenges all Christians to rediscover what it means to live daily as God's people Exploring the theological structural and cultural reasons for treating laypeople as the objects of ministry Stevens argues against the idea of clericalism and in favor of equipping people for ministry in their homes workplaces and neighborhoods      **Whole-Life Mission for the Whole Church** Mark Greene, Ian J. Shaw, 2021-03-17 The sacred secular divide permeates our churches our seminaries and our lives By perpetuating the false belief that there are some areas of life that are not important to God some callings that are second class and some spheres of society that are not worth engaging the sacred secular divide diminishes our understanding of God discipleship missiology and the gospel itself Seeking to liberate the global church from the power of this dichotomy Whole Life Mission for the Whole Church provides theological educators with the tools they need to combat the sacred secular divide in the very realm where it is so often generated the classroom Filled with contributions from practitioners around the world this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution The approaches suggested here are biblically rooted contextually appropriate and experientially tested offering an excellent resource for educators desiring to transform their institutional cultures curriculums and classrooms into environments that envision empower and liberate the whole church for its role in the mission of God      **Christian Ritualizing and the Baptismal Process** Susan Marie Smith, 2011-11-15 Most people even non Christians know that Christians gather for worship once a week and that they are right there to support each other when there is a baptism or a wedding or a funeral But what about other poignant vulnerable or life changing times How does the church help people handle changes that in the past in Christendom were considered secular Does the church have a role at retirement when one's ministry changes or when a family's children leave home and familiar patterns seem to grind to a halt Is there any rite possible for someone who is called to Christian ministry but not to ordination Or to someone whose vows are broken in divorce Christian Ritualizing and the Baptismal Process asserts that baptism marks the beginning of a process of participation in Christ's ministry so that no part of life can finally be considered secular Susan Marie Smith shows how every passage healing and ministry vocation is holy and she lays the groundwork needed for every church to create the rituals necessary to lament and celebrate the endings and beginnings that happen in every Christian life      **RIC.**, 1987      Work and Faith in Society Maurice L. Monette, 1986      **The Early Development of Canon Law and the Council of Serdica** Hamilton Hess, 2002-10-03 When first published in 1958 The Canons of the Council of Sardica AD 343 at once became the standard account of the canons passed by the Western bishops assembled at Serdica in 343 and the thinking on Church matters that lay behind them In this new edition Hamilton Hess has updated his account in the light of recent literature and translated all quotations into English to reach a wider audience

There is also a new section on the development of canons in the early Church from local provisions to general rules and an appendix with the full texts of the canons in the original Latin in the Greek translation and in the recasting by Theodours Diaconus together with English translations of all three     **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles     *Books in Print* ,1987     *The Living Church* ,1908     The Ecclesiastical gazette, or, Monthly register of the affairs of the Church of England ,1882     **Living Church** ,1908     **The Churchman** ,1885     The Christian Advocate ,1928     **The French Prophets** Hillel Schwartz,1980 Based on the author s thesis Yale 1974 Includes index Bibliography p 331 341     **The Congregationalist and Christian World** ,1904     *The Saturday Review of Politics, Literature, Science and Art* ,1881     **The Forum** ,1927     **Democrat** ,1884     **The Tablet** ,1968
