Land Of Revelation A Reconciling Presence In Israel

David J. Wertheim

Land Of Revelation A Reconciling Presence In Israel:

Land of Revelation Roy Kreider, 2004 The state of Israel was established amid much controversy in 1948 In 1953 Roy and Florence Kreider with their six month old son were commissioned to serve in Israel For over three decades they experienced the hopes and challenges of living in this new nation Told by a missionary this is a side of Israel that goes beyond political tragedies and religious hatred and sees the possibility of God s unifying spirit and presence in the Holy Land *Covenant Brothers* Daniel G. Hummel, 2019-06-07 Weaving together the stories of activists American Jewish leaders and Israeli officials in the wake of the establishment of the state of Israel in 1948 *Covenant Brothers* portrays the dramatic rise of evangelical Christian Zionism as it gained prominence in American politics Israeli diplomacy and international relations after World War II According to Daniel G Hummel conventional depictions of the Christian Zionist movement the organized political and religious effort by conservative Protestants to support the state of Israel focus too much on American evangelical apocalyptic fascination with the Jewish people Hummel emphasizes instead the institutional international interreligious and intergenerational efforts on the part of Christians and Jews to mobilize evangelical support for Israel From missionary churches in Israel to Holy Land tourism from the Israeli government to the American Jewish Committee and from Billy Graham s influence on Richard Nixon to John Hagee s courting of Donald Trump Hummel reveals modern Christian Zionism to be an evolving and deepening collaboration between Christians and the state of Israel He shows how influential officials in the Israeli Ministry of Religious Affairs and Foreign Ministry tasked with pursuing a religious diplomacy that would enhance Israel s standing in the Christian world combined forces with evangelical Christians to create and organize the vast global network of Christian Zionism that exists today He also explores evangelicalism s embrace of Jewish concepts motifs and practices and its profound consequences on worshippers political priorities and their relationship to Israel Drawing on religious and government archives in the United States and Israel *Covenant Brothers* reveals how an unlikely mix of Christian and Jewish leaders state support and transnational networks of institutions combined religion politics and international relations to influence U S foreign policy and eventually global geopolitics **Nes Ammim** Gert van Klinken, 2021 Today Europe is a favoured destination for refugees from all over the world We might have forgotten an earlier exodus during the aftermath of the Second World War in the opposite direction Jewish survivors of the Holocaust aimed for Palestine and after 1948 the State of Israel Protestants from the Netherlands Switzerland America and Germany intended to join the Jewish people in their new homeland by building the village Nes Ammim The Netherlands had been occupied during the war Switzerland had remained neutral Germany carried the taints of guilt and defeat the United States the laurels of the victor What made them work together And why did the Americans and the Swiss withdraw in 1967 the year of the Six Day War The many questions surrounding this village do not end here Nes Ammim was founded near Akko in 1962 Just fourteen years earlier a majority of the local population had been Druze or Arab Most of the Arabs ended up as refugees and their land was

repurposed for the kibbutzim How did Protestants relate to these events It is not the intention of the author to impose present day views onto the Christian founders of Nes Ammim The challenge of understanding their mindset within the context of their time is exactly what makes them so fascinating **The Jew as Legitimation** David J.

Wertheim,2017-01-20 This book traces the historical phenomenon of the Jew as Legitimation Contributors discuss how Jews have been used through time to validate non Jewish beliefs The volume dissects the dilemmas and challenges this pattern has presented to Jews Throughout history Jews and Judaism have served to legitimize the beliefs of Gentiles Jews functioned as Augustine s witnesses to the truth of Christianity as Christian Kabbalist s source for Protestant truths as an argument for the enlightened claim for tolerance as the focus of modern Christian Zionist reverence and as a weapon of contemporary right wing populism against fears of Islamization This volume challenges understandings of Jewish Gentile relations offering a counter perspective to discourses of antisemitism and philosemitism Land of Revelation Ann Fritschel,2006 My Calling to Fulfill John E. Sharp,2015-05-05 In a century marked by two devastating world wars the fractious fundamentalist modernist debate and growing diversity in the church Orie O Miller helped to lead Mennonites from rural isolation to global engagement In this engaging narrative My Calling to Fulfill describes how Miller led Mennonite work in education missions peacemaking postwar reconstruction and mental health and how he helped to mold every major Mennonite agency from Mennonite Central Committee to Mennonite Economic Development Agency Filled with previously untold stories of Miller s personal life his childhood college years marriage and internal conflict between his commitment to his family and commitment to his beloved church this inspiring and comprehensive biography traces the contours of twentieth century Anabaptism through the theology and vocation of one of its most influential leaders Free downloadable study guide available here Relief Work as Pilgrimage M.J. Heisey,Nancy Heisey,2015-08-20 In 1945 Elsie C Bechtel left her Ohio home for the tiny French commune of Lavercanti re where for nearly three years she cared for children displaced by the ravages of war Bechtel s diary photographs and letters home to her family provide the central texts of this study From 1945 to 1948 she recorded her encounters with French society and her immersion in the spare beauty of rural France From her daily work came passionate musings on the emotional world of human interactions and evocative observations of the American Spanish and French co workers and children with whom she lived As a volunteer with the Mennonite Central Committee MCC Bechtel was part of the war relief efforts of pacifist Quakers and Anabaptists In France between 1939 and 1948 MCC programs distributed clothing shared food and sheltered refugee children The work began in the far southwest of France but by the time Bechtel completed her service in 1948 had moved to the Alsace region where French Mennonites clustered Bechtel s writings emerged from a religious context that included much travel but little reflection on the significance of that travel Yet religiously motivated travel an old tradition in southwest France shaped Bechtel s life The authors consider her experiences in terms of religious pilgrimage and reflect on their own pilgrimage to Lavercanti re in 2006 for a reunion with some of the

people marked by the broader effort that Bechtel joined To understand Bechtel s experiences and prose the authors examined archival sources on MCC s work in France gathered oral and written narratives of participants and researched other war relief efforts in Spain and France in the 1930s and 1940s Drawing on these various contexts the authors establish the complexity but also the significance of pilgrimage and humanitarian service as intercultural exchanges

The Mennonite Quarterly Review Harold Stauffer Bender,2006 *Arabischsprachig und evangelikal in Israel* Anna Kirchner,2021-11-22 Arabischsprachige Evangelikale in Israel stehen in einem komplexen Identit tskonflikt Sie sind israelisch aber nicht j disch arabisch und pal stinensisch aber nicht muslimisch christlich aber nicht traditionell christlich sondern evangelikal Diesen Identit tskonflikt untersucht die Studie mittels in Nazareth erhobener ethnographischer Daten die sie auf ihre Vorgeschichte und globale Verflechtung hin befragt Sie zeigt auf dass sich die arabischsprachigen Evangelikalen in Israel mit ihrer Hervorhebung des Glaubens und intensiven Fr mmigkeit nicht dem Konflikt und der Welt entziehen sondern eine aktive Kritik vorbringen insbesondere an dem christlich evangelikalen Zionismus und der Politisierung von Religion in Israel Damit er ffnet die Studie neue Perspektiven auf Religion und Nation in Israel und das Verh ltnis von Politik und Religion

What is Palestine-Israel? Sonia K. Weaver,2007 The combined name Palestine Israel only hints at the deep fissures dividing this land This book presents some of the questions Mennonite workers in Palestine regularly receive from supporters in Canada the United States and beyond along with straightforward answers While the book grew out of the experience of Mennonite Central Committee MCC a relief development and peacebuilding agency of Mennonite and Brethren in Christ churches in Canada and the United States it also pays attention to the work of other Mennonite mission and peacebuilding agencies in the country

Bible Review ,2004 *The Future Restoration of Israel* Stanley E. Porter,Alan E. Kurschner,2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

The Presence in the Promise Harry N. Huxhold,2000 If we want to know how God will treat the Christian Church we must look at how God treated the ancient people of Israel That s the premise of Harry Huxhold s seventeen messages based on First Lesson texts from the Revised Common Lectionary which demonstrate that the word and sacrament of Christian worship are as fresh as the promises of hope providence salvation grace and steadfast love that God first shared with humanity millennia ago Titles include Days of Promise Jeremiah 33 14 16 The Child of Promise Isaiah 9 2 7 The Promise of Baptism Isaiah 43 1 7 The Fruit of Forgiveness Genesis 45 3 11 15 Keeping the Glow On Exodus 34 29 35 and more Harry N

Abraham, Israel and the Nations Paul R. Williamson, 2001-03-01 The divine promises to Abraham have long been recognized as a key to the book of Genesis as a whole But their variety often noted also raises literary and theological problems Why do they differ each time and how are they related to each other and to the story of Abraham Williamson focuses on the promises in Genesis 15 and 17 and concludes that they are concerned with two distinct but related issues Genesis 15 guarantees God's promise to make Abraham into a great nation while Genesis 17 focuses chiefly on God's promise to mediate blessing through Abraham to the nations The two chapters are connected however by the theme of an individual royal descendant who will come from the nation Israel and mediate blessing to all the nations of the earth American Book Publishing Record, 2003

The Expositor's Bible: The Book of Ezekiel John J. Skinner, 2017-07-25 The book of Ezekiel has caused a lot of controversy in Christian circles concerning the End of Days the Day of the Lord and the re-establishment of Israel as God's people Although this volume doesn't give any for sure answers it helps us to look at the issues with a critical mind so that we can decide for ourselves what God's plan for His people Israel is and the rest of the nations Roads to Reconciliation Between Groups in Conflict / Theology in a World of Ideologies: Authorization or Critique? The Evangelical Universalist Gregory MacDonald, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index
