Genesis I Xi Introduction Commentary:

Genesis I-XI. Introduction and Commentary Alan Richardson, 1953 Genesis I-XI; Introduction and Commentary Alan Richardson, 1963 **The Pentateuch** Thomas B. Dozeman, 2017-03-17 The Pentateuch is the heart of the Hebrew Bible and the foundational document of Judaism. It is also the focus of tremendous scholarly debate regarding the complex history of its composition. This history will be explored along with analysis of the historical background and ancient Near Eastern parallels for its primeval history, its ancestry narratives and laws, the theological purposes of its final redaction and its diverse interpretation in communities today. This textbook introduces students to the contents of the Torah and orients them to the key interpretive questions and methods shaping contemporary scholarship, inviting readers into the work of interpretation today. Pedagogical features include images, maps, timelines, reading lists, and a glossary. The Trial of Innocence André LaCocque, 2006-10-30 The Adam and Eve narrative in Genesis 2-3 has gripped not only biblical scholars but also theologians, artists, philosophers, and almost everyone else. In this engaging study, a master of biblical interpretation provides a close reading of the Yahwist story. As in his other works, LaCocque makes wise use of the Pseudepigrapha and rabbinic interpretations as well as the full range of modern interpretations. Every reader will be engaged by his insights. "Be Fertile and Increase, Fill the Earth and Master It" Jeremy Cohen, 2019-05-15 This innovative interdisciplinary book reconstructs the career of Genesis 1:28: "Be fertile and increase, fill the earth and master it" in Judaism and Christianity from antiquity through the Reformation. Jeremy Cohen tracks the text through all the Jewish and Christian sources in which it figures significantly in law, exegesis, homily, theology, mysticism, philosophy, and even vernacular poetry. In his view, the verse situates man and woman on a cosmic frontier, midway between the angelic and the bestial, charging them with singular responsibilities that bear directly on Jewish and Christian ideas of God's chosen people. *40 Questions About Creation and Evolution* Kenneth D. Keathley, Mark F. Rooker, 2014-10-10 Biblically and scientifically informed answers to pressing questions about the creation-evolution debate. This accessible volume evenly addresses the issues of modern science and the scriptural texts. The conservative evangelical authors are well informed on contemporary scientific views of the universe and also carefully exegete the biblical texts that pertain to creation. They irenically consider the various angles of the debate and make constructive suggestions to reconcile science and the Bible. Those who are curious about the origins of life and the universe will want to read this book. Seminary students and serious college students will find this information critical, as an understanding of creation is vital to an effective apologetic in sharing the faith. **God, Technology, and the Christian Life** Tony Reinke, 2021-12-09 What Does God Think about Technology? From smartphones to self-driving cars to space travel, new technologies can inspire us. But the breakneck pace of change can also frighten us. So how do Christians walk by faith through the innovations of Silicon Valley? And how does God relate to our most powerful innovators? To build a biblical theology of technology, journalist and tech optimist Tony Reinke examines nine key texts from Scripture to show how the

world's discoveries are divinely orchestrated Ultimately what we believe about God determines how we respond to human invention With the help of several theologians and inventors throughout history Reinke dispels twelve common myths in the church and offers fourteen ethical convictions to help Christians live by faith in the age of big tech Biblical Informed Look at Technology Written by the author of 12 Ways Your Phone Is Changing You and Competing Spectacles Treasuring Christ in the Media Age Gathers Ideas from Industry Experts and Theologians Interacts with Christian and non Christian sources on technology and theology including John Calvin Herman Bavinck Wendell Berry and Elon Musk Educational Discusses the history and philosophy behind major technological innovations

Is Anyone in Charge Here? Selwyn Yeoman, 2020-12-22 What are our responsibilities as human beings in the exercise of our undoubted powers over all other creatures and the earth itself The idea that human beings have dominion over the rest of creation is often regarded as the chief source of the world's current environmental crisis From the universities to talk back radio this is a commonly repeated theme but how strong is its basis Is Anyone in Charge Here is a critical conversation with the seminal Lynn White paper The Historical Roots of Our Ecologic Crisis Easter Island New Zealand and ancient Mesopotamia biblical exegesis historical theology monastic movements and current environmental challenges are all explored It examines the roots of the idea of human dominion how the idea has been understood through the centuries how people have worked it into their living and how it might be constructively applied in our current crisis All this is theologically evaluated in the light of Jesus Christ being both the true human and God's way of involvement in the world as creative Word representative image and serving Lord

Inner-Midrashic Introductions and Their Influence on Introductions to Medieval Rabbinic Bible Commentaries Michel G. Distefano, 2009-02-26 The opening sections of some exegetical Midrashim deal with the same type of material that is found in introductions to medieval rabbinic Bible commentaries The application of Goldberg's form analysis to these sections reveals the new form Inner Midrashic Introduction IMI as a thematic discourse on introductory

issues to biblical books By its very nature the IMI is embedded within the comments on the first biblical verse 1 1 Further analysis of medieval rabbinic Bible commentary introductions in terms of their formal thematic and material characteristics reveals that a high degree of continuity exists between them and the IMIs including another newly discovered form the Inner Commentary Introduction These new discoveries challenge the current view that traces the origin of Bible introduction in Judaism exclusively to non Jewish models They also point to another important link between the Midrashim and the commentaries i e the decomposition of the functional form midrash in the new discursive context of the commentaries Finally the form analysis demonstrates how larger discourses are formed in the exegetical Midrashim

Jacob's Wealth Paul Vrolijk, 2011-05-10 Various biblical studies on wealth and poverty have been published over the last thirty years Some of these studies touch on the wealth of the patriarchs in Genesis 12 50 but they focus predominantly on other parts of the Bible Scholars who have studied the patriarchal narratives in detail comment on aspects of patriarchal wealth but do not offer an in depth analysis of this topic This book on Jacob s wealth shows that such an analysis is warranted In the Jacob story material possessions and their associated attitudes and actions are essential to understand the various relationship dynamics Often possessions are the cause of conflict but they also play a role in conflict resolution As a result this study contributes to a fuller understanding of the Jacob cycle

Allegorizing History Timothy J. Furry, 2013-08-21 What is history and how does it impact biblical interpretation and theology Allegorizing History seeks to begin answering this question by arguing that conceptions of the past and the purpose s of history impact biblical interpretation and vice versa Furthermore it is shown how philosophy and theology inevitably affect the understandings and practice of historical writing thereby making all history figural or allegorical Famous for his Ecclesiastical History of the Anglo Saxon People and biblical commentaries the Venerable Bede is studied in dialogue with Augustine contemporary theology and historical theory to make this interdisciplinary argument

Westminster Commentaries Walter Lock, David Capell Simpson, 1904 *Jeremiah in Talmud and Midrash* Jacob Neusner, 2006-06-02 This sourcebook collects and classifies how Israelite Scripture was received and recast in the language community that produced the dual Torah of Judaism It is well known that verses of prophecy figure as proof texts in Rabbinic exegesis of scriptural narratives but to what end and with what larger concept in mind With extensive translation and documentation author Jacob Neusner uses the case of Jeremiah in the Rabbinic canon of the formative age to examine the Rabbinic document s response to the prophetic ones in terms of how they select explain and utilize the language of Scripture The book also explores how one particular kind of ancient Israelite Scripture the prophetic books found a place in the new language community formed by the Rabbinic sages and documented in their canon from the Mishnah ca 200 C E through the Talmud of Babylonia a k a the Bavli ca 600 C E

John 11-21 Elowsky, Joel C., Thomas C. Oden, 2014-02-19 The Gospel of John was beloved by the early church for its spiritual insight and clear declaration of Jesus divinity In addition to the homilies of John Chrysostom readers of this ACCS volume will find selections from Origen Cyril of

Alexandria and Augustine supplemented with homiletic material liturgical selections and doctrinal material from scores of other church fathers Ham's Sin and Noah's Curse and BLESSING UTTERANCES Nicholas Oyugi Odhiambo, 2014-09-24

The thesis of this book is threefold First contrary to the increasingly popular understanding that the nature of Ham's offense was sexual we argue that this offense was nonsexual despite the presence of the phrase to see the nakedness of in Genesis 9:22 More specifically Ham's offense had less to do with seeing his father naked the seeing was accidental Rather his fault lay with his choice to disclose to his brothers what he had seen as opposed to covering the nakedness of his father Second the most probable fulfillment of the Noah's curse is 1 the servitude of the Gibeonites 2 the enslavement of the Canaanites following the conquest or 3 the dominance of Rome and Greece over Tyre and Carthage respectively the events or phenomena least associated with the curse in our view are the following 1 the service of the four kings in Genesis 14 under Chedorlaomer and the king of Tidal 2 the subjection of the Egyptians and Babylonians by the Persians 3 the forced corvée service of the Egyptians by Pharaoh 4 the triumph of Israel over Egypt during the Exodus 5 the enslavement of the Africans and 6 the African's dark skin color Third whereas none of the proposals offered in regards to the phrase let him dwell in the tents of Shem correlate well with the exegesis of the blessing utterance we did find a viable candidate among the proposals related to the enlargement of Japheth viz geographical expansion
