Gentle Measures in the Management and Training of the Young Jacob Abbott, 2021-02-27 It is not impossible that in the minds of some persons the idea of employing gentle measures in the management and training of children may seem to imply the abandonment of the principle of authority as the basis of the parental government and the substitution of some weak and inefficient system of artifice and manoeuvring in its place To suppose that the object of this work is to aid in effecting such a substitution as that is entirely to mistake its nature and design The only government of the parent over the child that is worthy of the name is one of authority complete absolute unquestioned authority The object of this work is accordingly not to show how the gentle methods which will be brought to view can be employed as a substitute for such authority but how they can be made to aid in establishing and maintaining it Gentle Measures in the Management and Training of the Young, Or, The Principles on which a Firm Parental Authority May be Established and Maintained ...
