Diseases of the Mouth, Lips, Tongue, Teeth & Gums Philippe Sionneau, Lii Gang, 1997

L'Acupuncture pratiquée en Chine Philippe Sionneau, 1994

Quand la Chine s'éveillera... Alain Peyrefitte, 2014-04-01 Le Printemps de Pékin sur la place Tiananmen et surtout la tuerie du 4 juin 1989 semblent marquer une si brutale coupure qu'on serait tenté de tenir pour péripéties les événements qui les ont précédés comme la Révolution culturelle cette formidable poussée d'hystérie collective En juillet 1973 paraissait la première édition de cet ouvrage rapport d'enquête sur l'état de la Chine dans l'été 1971 au beau milieu de la Révolution culturelle quelques mois pour préparer le voyage quelques semaines pour observer deux ans pour digérer L'ouvrage restait-il encore valide après si longtemps Les événements de ces dernières années sont assurément importants mais les structures de la vie collective et de la mentalité chinoises en ont-elles été transformées en profondeur Ce que j'avais essayé de mettre nucléaient les ressorts fondamentaux de ce peuple et de cette révolution Ils demeurent Fallait-il donc republier ce livre en l'état C'est possible si se fait agi d'un simple récit de voyage Toutefois j'avais tenté d'crire une introduction l'intelligence de la Chine contemporaine Pour que le livre pût encore rendre ce service il fallait l'actualiser sans rien toucher son équilibre interne Avouons-le ces dernières années la Chine nous a encore tonné plus semblable elle-même de nous surprendre toujours que de se conformer l'image que nous nous en faisons Elle nous interroge de nouveau et sur elle et sur nous

Chinese Medicine and Healing TJ Hinrichs, Linda L Barnes, 2013-01-07 Chinese Medicine and Healing is a comprehensive introduction to a rich array of Chinese healing

practices as they have developed through time and across cultures Contributions from fifty eight leading international scholars in such fields as Chinese archaeology history anthropology religion and medicine make this a collaborative work of uncommon intellectual synergy and a vital new resource for anyone working in East Asian or world history in medical history and anthropology and in biomedicine and complementary healing arts This illustrated history explores the emergence and development of a wide range of health interventions including propitiation of disease inflicting spirits divination vitality cultivating meditative disciplines herbal remedies pulse diagnosis and acupuncture The authors investigate processes that contribute to historical change such as competition between different types of practitioner shamans Daoist priests Buddhist monks scholar physicians and even government officials Accompanying vignettes and illustrations bring to life such diverse arenas of health care as childbirth in the Tang period Yuan state established medical schools fertility control in the Qing and the search for sexual potency in the People s Republic The two final chapters illustrate Chinese healing modalities across the globe and address the challenges they have posed as alternatives to biomedical standards of training and licensure The discussion includes such far reaching examples as Chinese treatments for diphtheria in colonial Australia and malaria in Africa the invention of ear acupuncture by the French and its worldwide dissemination and the varying applications of acupuncture from Germany to Argentina and Iraq
