The Female Student: Or, Lectures to Young Ladies on Female Education, Etc Almira Hart Lincoln PHELPS,1844

**Woman on the American Frontier** William Worthington Fowler,2016-07-12 WOMAN AS A PIONEER Every battle has its unnamed heroes The common soldier enters the stormed fortress and falling in the breach which his valor has made sleeps in a nameless grave The subaltern whose surname is scarcely heard beyond the roll call on parade bears the colors of his company where the fight is hottest And the corporal who heads his file in the final charge is forgotten in the earthquake shout of the victory which he has helped to win The victory may be due as much or more to the patriot courage of him who is content to do his duty in the rank and file as to the dashing colonel who heads the regiment or even to the general who plans the campaign and yet unobserved unknown and unrewarded the former passes into oblivion while the leader s name is on every tongue and perhaps goes down in history as that of one who deserved well of his country **Woman on the**
