Lady Of Guadalupe:

Mexican Phoenix D. A. Brading, 2001 Juan Diego to whom the Virgin Mary appeared in 1531 miraculously imprinting her likeness on his cape was canonised in Mexico in 2002 by Pope John Paul II In 1999 the revered image of Our Lady of Guadalupe had been proclaimed patron saint of the Americas by the Pope How did a poor Indian and a sixteenth century Mexican painting of the Virgin Mary attract such unprecedented honours Across the centuries the enigmatic power of the image has aroused fervent devotion in Mexico it served as the banner of the rebellion against Spanish rule and despite scepticism and anti clericalism still remains a potent symbol of the modern nation This book traces the intellectual origins the sudden efflorescence and the adamant resilience of the tradition of Our Lady of Guadalupe and will fascinate anyone concerned with the history of religion and its symbols

The Image of Guadalupe Jody Brant Smith, 1994 The world renowned Image of Our Lady of Guadalupe has mystified and evoked the adoration of millions since its first appearance in Mexico City in 1531 The origin of the Image has baffled believer and skeptic alike In his unparalleled examination of the Guadalupe mystery Professor Jody Brant Smith equally sensitive to the demands of objectivity and reverence diligently applies current techniques of scientific and historical scrutiny like that used in investigating the Shroud of Turin to determine if the Image is attributable to myth or miracle Here he continues his discussion of the enigmatic origin and history of the Image and offers new insight from his career long exploration of the Guadalupan mystery

The Beautiful Lady Pat Mora, 2012-12-11 Grandma Lupita tells her granddaughter Rose and Rose's friend Terry the story about Our Lady of Guadalupe and the miracle that occurred near Mexico City in 1531 Includes facts about the event and its influence

Our Lady of Guadalupe Stafford Poole, 2017-12-05 A revised and expanded edition of this seminal history of the origins of the Guadalupe apparitions Provided by publisher

María of Guadalupe Paul Badde, 2008 Mexico December 9 1531 Ten years after the Spaniards conquered this land on a hill on the outskirts of the capital something inconceivable happens to Juan Diego a native of the area At dawn a heavenly figure comes to meet him revealing herself as Mary mother of all men To confirm the first vision the Lady not only entrusts him with several messages But also in the final vision leaves her portrait mysteriously present on his tilma It is the portrait of a young woman looking downward She is clothed in a dress figured with roses and a mantle spangled with stars

Our Lady of Everyday Life María Del Socorro Castañeda-Liles, 2018 For Mexican Catholic women in the United States devotion to Our Lady of Guadalupe La Virgen is a necessary aspect of their cultural identity In this masterful ethnography Mar a Del Socorro Castañeda Liles considers three generations of Mexican origin women between the ages of 18 and 82 She examines the Catholic beliefs the women inherited from their mothers and how these beliefs become the template from which they first learn to see themselves as people of faith She also offers a comprehensive analysis of how Catholicism creates a culture in which Mexican origin women learn how to be good girls in a manner that reduces their agency to rubble Through the nexus of faith and lived experience these women develop a type of

Mexican Catholic imagination that helps them challenge the sanctification of shame guilt and aguante endurance at all cost This imagination allows these women to transgress strict notions of what a good Catholic woman should be while retaining life giving aspects of Catholicism This transgression is most visible in their relationship to La Virgen which is a fluid and deeply engaged process of self awareness in everyday life

Our Lady of Guadalupe and Saint Juan Diego Eduardo Chávez,2006-03-28 In *Our Lady of Guadalupe and Saint Juan Diego* Eduardo Ch vez presents the most important points of the Great Guadalupan Event the apparition of Our Lady of Guadalupe to Juan Diego a recently converted indigenous man in Mexico Through a utilization of the numerous historical documents and investigations of this event Ch vez details the reality of what occurred in the cold winter of 1531 As described by Pope John Paul II The Guadalupan Event is the perfectly inculturated Evangelization model Ch vez s historical analysis not only represents strong scholarship but also draws the reader closer to the spiritual power of the events As the newest contribution to the series *Celebrating Faith Explorations in Latino Spirituality and Theology* this work is of course ideal for use in Latino Studies but also appeals to wider audience more curious about the Guadalupan event and its meaning for contemporary Christianity

The Image of Guadalupe Jody Brant Smith,1983

Our Lady of Guadalupe Carl Anderson,Eduardo Chavez,2009-08-04 Nearly a decade after Spain s conquest of Mexico the future of Christianity on the American continent was very much in doubt Confronted with a hostile colonial government and Native Americans wary of conversion the newly appointed bishop elect of Mexico wrote to tell the King of Spain that unless there was a miracle the continent would be lost Between December 9 and December 12 1531 that miracle happened and it forever changed the future of the continent It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City The image she left imprinted on his cloak or tilma has puzzled scientists for centuries and yet Our Lady of Gudalupe s place in history is profound A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions Our Lady of Guadalupe s message of love replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds the old and the new that were just ten years earlier engaged in brutal warfare Today Our Lady of Guadalupe continues to inspire the devotion of millions From Canada to Argentina and even beyond the Americas one finds great devotion to her and great appreciation for her message of love unity and hope Today reproductions of the Virgin s miraculous image can be seen throughout North and South America in churches and homes on billboards and even clothing apparel Her shrine in Mexico City where the miraculous image is housed to this day is one of the most visited in the world In *Our Lady of Guadalupe Mother of the Civilization of Love* Anderson Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to be an important catalyst for religious and cultural transformation Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ s call of conversion and witness the authors explore the changing face of the Catholic Church in North

Central and South America and they show how Our Lady of Guadalupe's message was not only historically significant but how it speaks to contemporary issues confronting the American continents and people today *Mary of the Americas* Christopher Rengers, 1989 The apparitions of the Blessed Virgin Mary on Tepeyac Hill northeast of Mexico City on December 12 1531 when she left her image imprinted on the cloak of an Aztec Indian named Juan Diego continue to fascinate believers and nonbelievers alike the world over She came from heaven with the tenderness of a mother to invite all those who even in the centuries to come would dwell on the American continent to a life of holiness prayer and peace by following Jesus her divine Son Details of the apparitions the miracle of the roses the amazing discoveries regarding Mary's image on the tilma and the import of her message for the world today are set forth with uncommon clarity and devotion in this highly readable and fully illustrated book This revised and updated edition includes a detailed account of Pope John Paul II's canonization of Juan Diego in Mexico City on July 31 2002 Book jacket **Our Lady of Guadalupe** Jeanette Rodríguez, 2010-07-05 Our Lady of Guadalupe is the most important religious symbol of Mexico and one of the most powerful female icons of Mexican culture In this study based on research done among second generation Mexican American women Rodríguez examines the role the symbol of Guadalupe has played in the development of these women She goes beyond the thematic and religious implications of the symbol to delve into its relevance to their daily lives Rodríguez's study offers an important reinterpretation of one of the New World's most potent symbols Her conclusions dispute the common perception that Guadalupe is a model of servility and suffering Rather she reinterprets the symbol of Guadalupe as a liberating and empowering catalyst for Mexican American women **Our Lady of Guadalupe** John F. Moffitt, 2006-08-08 According to legend on December 8 1531 the Virgin Mary appeared to the newly Christianized Juan Diego on the Mexican hill of Tepeyacac As proof of her divine visit she miraculously imprinted her image upon his mantle That image known as Our Lady of Guadalupe has become a symbol of national consciousness in Mexico and a talisman for Mexican Americans Yet its notable features include obviously European artistic techniques How is it that Renaissance styles are employed in a 16th century Mexican icon supposedly not made by human hands Looking beyond the divine explanation for the Lady's existence author John Moffitt uses historical and artistic detective work to determine the work's earthly origin Originally published in Spanish this volume provides an in depth study of Our Lady of Guadalupe It places the work within the context of art history as well as local contemporary events The mundane origin of the painting is fully traced and investigated as well as the proliferation of the legend which led to the eventual canonization of Juan Diego as the first native Mexican saint Appendices provide crucial related Spanish language texts by Miguel Sanchez 1648 and Luis Laso de la Vega 1649 originally published in Nahuatl Numerous illustrations are included Our Lady of Guadalupe Lawrence G. Lovasik, 2009-05-15 The story of the appearances of Our Lady to Juan Diego Full color illustrations **The Virgin of Guadalupe** Maxwell E. Johnson, 2002 The appearance of the Virgin Mary on a hill in Guadalupe Mexico in 1531 is perhaps the central tradition in Latino Catholicism The vision allegedly seen by recent

convert Juan Diego signalled the rise of Catholicism in the New World at a time when Protestantism was spreading throughout the old world So what could a male anglo protestant liturgist possibly have to say on the subject In The Virgin of Guadalupe Lutheran minister Maxwell Johnson recognizes that this tradition is not only important to Latin American Catholics but to all Latin American Christians Acknowledging the significance if not necessarily the historical accuracy of the appearance of the Virgin is not simply a Roman Catholic need by a necessity for all Christian churches among whom the Hispanic presence is growing This is shown by the increased commemoration of Juan Diego on December 9 or of the Virgin of Guadalupe herself on December 12 on Protestant calendars This increased recognition among Protestants coincides with the Pope s canonization of Saint Juan Diego in the summer of 2002 In step with this movement Johnson considers the Virgin of Guadalupe from a Lutheran perspective and looks at ways in which she might be received into the evangelical or Protestant tradition

Guadalupe, Mother of the New Creation Virgilio P. Elizondo, 1997 A profound poetic and inspiring reflection on the meaning of Our Lady of Guadalupe the apparition to the Indian Juan Diego in Mexico City in 1531

Guadalupe: a River of Light Carlos Caso-Rosendi, 2018-02 Our Lady of Guadalupe in Mexico is one of the most popular apparitions of the Blessed Virgin Mary in the whole world Only a few people know that the Virgin Mary appeared to a Spanish shepherd called Gil Cordero several hundred years before appearing to St Juan Diego on Tepeyac Hill The story of the image that Gil Cordero found buried in Extremadura Spain harks back to the first century According to well attested traditions the first miraculous image of Our Lady of Guadalupe was carved by St Luke the author of the Gospel According to St Luke and the Acts of the Apostles Famous men like Christopher Columbus Hernan Cortez Pedro de Alvarado Alfonso XI of Spain King Ferdinand and Queen Isabella had a strong devotion to Our Lady of Guadalupe When the Virgin Mary appeared to St Juan Diego in 1531 the name Our Lady of Guadalupe already had a long record of miraculous events This book traces the story of Our Lady of Guadalupe to the days of St Luke then to the apparition of Our Lady on Tepeyac Hill the entrance in history of the miraculous tilma of St Juan Diego and the extraordinary scientific investigations that have left so many scientists baffled and caused the conversion of one Nobel Prize scientist to Catholicism Our Lady of Guadalupe has a message for all of us in this generation Millions have found Christ through her advocacy Hers is perhaps the most astonishing story of our age

Acheiropoeta: Not Made by Hands Thomas Mary Sennott, 2011-01-01 An excellent resource book and the only one of its kind covering the two most controversial images in existence the Holy Image of Our Lady of Guadalupe on the tilma of Juan Diego and the Sacred Image of the crucified Christ on the Shroud of Turin Both presentations give ample scientific evidence of their authenticity The author with a physical science background has brought the reader up to date on the latest Shroud findings At the same time he exposes the fraudulent carbon 14 tests
