Garrison Keillor made it possible after twenty years of black humor to be both funny and nice hip and winsome scathing and loving all in the flick of a single many barbed quip The Washington Post Book World Keillor s literary style is as flexible and assured as his vocal delivery It can slip from mood to mood so subtly and quickly you re never quite sure where you are His writing has the silvery slip of running water so graceful and easy it s hard to believe it can carry so much that is jagged and unresolved His integrity lies in his not smoothing away those rough edges in the swift current of his prose they re bruisingly sometimes cuttingly there The Village Voice Wobegon Boy Garrison Keillor, 1998
