Over the past three decades Mamet has written more than thirty produced plays and garnered recognition as one of the most significant and influential American playwrights of the post World War II generation. In addition to playwriting and directing for the theater, Mamet also writes, directs and produces for film and television and he writes essays, fiction, poetry and even children's books. The author remains best known for depicting men in gritty, competitive work environments and for his vernacular dialogue known in the theater as Mamet-speak, which has raised the expletive to an art form. In this insightful survey of Mamet's body of work, Brenda Murphy explores the broad range of his writing for the theater and introduces readers to Mamet's major writing in other literary genres as well as some of his neglected pieces. Murphy centers her discussion around Mamet's most significant plays: *Glengarry Glen Ross*, *Oleanna*, *American Buffalo*, *Speed the Plow*, *The Cryptogram*, *Sexual Perversity in Chicago*, *Edmond*, *The Woods*, *Lakeboat*, *Boston Marriage* and *The Duck*. Variations as well as his three novels: *The Village*, *The Old Religion* and *Wilson*. Murphy also notes how Mamet's one-act and less-known plays provide important context for the major plays and help to give a fuller sense of the scope of his art. A chapter on his numerous essays, including his most anthologized piece of writing, the autobiographical essay *The Rake*, reflects Mamet's controversial and evolving ideas about the theater, film, politics, religion and masculinity. Throughout her study, Murphy incorporates references to Mamet's popular films as useful waypoints for contextualizing his literary works and understanding his continuing evolution as a writer for multiple mediums. **David Mamet** I. Nadel, 2016-04-30. This comprehensive biography uses extensive theater and film archives to reveal Mamet's ideas on writing, acting and directing, covering his beginnings in Chicago, his relationship to Judaism and reputation for machismo, as well as discussions of and excerpts from early plays and stories that have never before been referenced in print. **The Pocket Guide to Plays & Playwrights** Maureen Hughes, 2009-03-19. McDonough,2006-07-19 The men in plays such as Arthur Miller s Death of a Salesman or Sam Shephard s True West are often presented as universal little attention is given to the gender dynamics involved in the characters This work looks at how contemporary playwrights including Miller Shepard Eugene O Neill David Mamet and August Wilson stage masculinity in their works It becomes apparent that male playwrights return often to the issues of troubled manhood usually masked in other issues such as war business or family The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image which all too often fractures and fails the characters who pursue it O Neill s play The Hairy Ape and the character Yank receive much attention American Voices Esther Harriott,2013-04-01 Sam Shepard
