Land Reforms In Karnataka An Account By A Participant Observer:

Karnataka Government and Politics Harish Ramaswamy, 2007 The twenty eight papers in this set of three volumes provide deep insights into the understanding of the dynamics of karnataka Government and politics Giving a brief account of the geography of Karnataka they examine the process by which the modern state of Karnataka emerged *Land Reforms in India: Karnataka : promises kept and missed* B. N. Yugandhar, K. Gopal Iyer, 1993 **Land Reforms in India: Volume 9** M Thangaraj, 2003 This is the ninth volume in a major series which studies the status of land reforms throughout the country Critically examining the implementation of land reforms legislations in Tamil Nadu the contributors address all the major issues including land and caste temple lands common property resources and absentee landlordism They show that due to laxity in implementing legislation resourceful landowners successfully hold on to their surplus lands using various devious methods By presenting detailed case studies various essays explain the reasons why the provisions have not been efficacious and also suggest ways to overcome the problems **New Farmers' Movements in India** Tom Brass, 2014-03-05 The essays in this collection focus on the reasons for and background to the emergence during the 1980s of the new farmers movements in India In addition to a more general consideration of the economic political and theoretical dimensions of this development there are case studies which cover the farmer s movements in Maharashtra Uttar Pradesh Punjab and Karnataka *Land Reforms in India* B. N. Yogandhar, Abdul Aziz, K. Gopal Iyer, P. S. Dutta, Sudhir Krishna, 1997-09-22 The land reform legislation in the Indian state of Karnataka is the focus of this book Issues discussed include the reforms in the context of a market driven economy decentralized agrarian reform tenancy reforms the social costs and benefits of the reforms tribal rights and managing common property resources The contributors address the central questions concerning what direction Karnataka should now take with regard to land reform *Land Reform and Management* Basudev Sahoo, G. Dharmalingam, 2006 With reference to Orissa state India **Sustainable Regional Development** Vinita Yadav, 2020-03-18 Region encompasses of inter dependent urban and rural areas The rural areas supply perishable items to urban areas and from urban areas migrants send remittances back to their homes in rural areas In India where 68.85 percent of the population resided in rural area in 2011 the balanced regional development is required to achieve uniform and equitable distribution of resources Of late most of the Government s planning related efforts and associated development are more in cities being largest contributor to Gross Domestic Product GDP than rural areas Higher investment in cities as compared to rural areas contradicts the basic premise of a balanced regional development Though region received recognition through 73 and 74 Constitutional Amendment Act yet regional planning is still amiss As the population is increasing at a faster rate one has to design the space in a sustainable manner The development by means of infrastructure or governance shall have the futuristic approach The book intends to create knowledge about the significance of regional planning Using case study approach thirteen chapters by contributing authors provides an in depth understanding of both theoretical and practical aspects related to the concepts of

regionalization agglomeration economies contract farming industrialization corridor development and heritage based development In the book highly acclaimed professionals presents microscopic view of planning of varied type of regions and suggest ways to avoid the excess and misuse of resources which will dwindle the quintessence of future development The book provides a one stop answer to the quest of university students government officials researchers officials from non Government and private organisations to comprehend the concept of region contextualize its importance as a viable unit of planning to resolve prevalent issues keeping in mind futuristic outlook of regional development The editor establishes the importance of region as a viable unit of planning emphasizes upon the need for contextualising the issues existing in the region and accentuates that Government s effort at national and state levels should be towards holistic planning of a region

Land Reforms in India: An unfinished agenda B. N. Yugandhar,K. Gopal Iyer,1993 **Modernity and Spirit Worship in India** Miho Ishii,2019-11-06 This book investigates the entangled relations between people s daily worship practices and their umwelt in South India Focusing on the practices of spirit b ta worship in the coastal area of Karnataka it examines the relationship between people and deities Based on extensive fieldwork this book links important anthropological theories on personhood perspectives transactions and gift exchanges together with the Gestaltkreis theory of Viktor von Weizs cker First it examines the relations between b ta worship and land tenure matriliney and hierarchy in the society It then explores the reflexive relationship between modern law and current practices based on conventional law before examining new developments in b ta worship with the rise of mega industries and environmental movements Furthermore this book sheds light on the struggles and endeavours of the people who create and recreate their relations with the realm of sacred wildness as well as the formations and transformations of the umwelt in perpetual social political transition **Modernity and Spirit Worship in India** will be of interest to academics in the field of anthropology religious studies and the dynamics of religion and South Asian Culture and Society **Populism and Power** D. N. Dhanagare,2015-12-22 This book traces the entire trajectory of the farmers movement in Western India especially Maharashtra from the 1980s to the present day It reveals the fundamental contradictions between populism as an ideology and as political power within the democratic state structure The volume highlights the ideologies of the movement its emergence in the wake of a perceived agrarian crisis how it conflates economics and populism the role of leadership stages of development from grassroots agitations rooted in civil society to the attempts to create space within structures of democratic politics the eventual formation of a separate political party and consequent implications It maps the linkages between populist ideology and mass participation and their contested successes and failures in the domain of electoral politics Further the author underlines the effectiveness of the movement in addressing class and gender equations in the region Rich in primary archival sources and informed field studies this book will interest scholars and researchers of agrarian economy rural sociology and politics particularly those concerned with social movements in India *Poetics of Conduct* Leela Prasad,2007 Leela Prasad s riveting book presents everyday stories on

subjects such as deities ascetics cats and cooking along with stylized publicly delivered ethical discourse and shows that the study of oral narrative and performance is essential to ethical inquiry Prasad builds on more than a decade of her ethnographic research in the famous Hindu pilgrimage town of Sringeri Karnataka in southwestern India where for centuries a vibrant local culture has flourished alongside a tradition of monastic authority Oral narratives and the seeing and doing orientations that are part of everyday life compel the question How do individuals imagine the normative and negotiate and express it when normative sources are many and diverging Moral persuasiveness Prasad suggests is intimately tied to the aesthetics of narration and imagination plays a vital role in shaping how people create refute or relate to text moral authority and community Lived understandings of ethics keep notions of text and practice in flux and raise questions about the constitution of theory itself Prasad s innovative use of ethnography poetics philosophy of language and narrative and performance studies demonstrates how the moral self with a capacity for artistic expression is dynamic and gendered with a historical presence and a political agency
