Gate Of Remembrance 2nd Edition Story Of The Psy:

Quarterly Transactions of the British College of Psychic Science British College of Psychic Science, 1927 **The Publishers Weekly**, 1918 *Psychics, Sensitives and Somnambules* Rodger I. Anderson, 2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference *Psychic Research Quarterly*, 1922 **The International Psychic Gazette**, 1917 **The Publishers Weekly**, 1975 [Coming to Senses](#) José Roberto Pellini, Melisa A. Salerno, Andrés Zarankin, 2015-10-05 Every culture conceives of the senses in different ways establishing their own models and sensory hierarchies Despite the importance of the senses in human experience archaeology has generally neglected the sensory dimension of the material world In response to this lacuna the contributions to this volume incorporate all the senses in imaginative scenarios in order to stimulate new ways of seeing and conceptualising archaeology and bring back the self to this science The international character of the essays brought together here including researchers and case studies from across the globe provides a variety of perspectives on this topic from a number of scales of analysis The book will appeal to a wide range of readers including academic researchers and the general public concerned with archaeology history anthropology and sociology and will provide readers with a greater understanding of the dynamics of the senses the relationship between narratives and societies and the cultural world *Cumulated Index to the Books*, 1945 *Aldous Huxley and Alternative Spirituality* Jake Poller, 2019-08-12 Aldous Huxley and Alternative Spirituality offers an incisive analysis of the full range of Huxley's spiritual interests spanning both mysticism neo Vedanta Taoism Mahayana and Zen Buddhism and Western esotericism mesmerism spiritualism the paranormal Jake Poller examines how Huxley's shifting spiritual convictions influenced his fiction such as his depiction of the body and sex and reveals how Huxley's use of psychedelic substances affected his spiritual convictions resulting in a Tantric turn in his work Poller demonstrates how Huxley's vision of a new alternative spirituality in *Island* in which the Palanese select their beliefs from different religious

traditions anticipates the New Age spiritual supermarket and traces the profound influence of Huxley's ideas on the spiritual seekers of the twentieth century and beyond Light, 1929 **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1970 **Friends' Intelligencer**, 1920 The Case for and Against Psychical Belief Carl Murchison, 1927 *The Theosophist*, 1919 Phoenix, 1979 **A Tudor Story** W S Pakenham-Walsh, 2006-04-27 No one who knew the late Canon Pakenham Walsh could accuse him of being a starry-eyed dreamer. At ninety he was as active mentally and physically as many a man little more than half his age. Join him on his personal journey across psychic channels to find the real Anne Boleyn, a journey which beneath its psychic and historical drama demonstrates religious purpose. The author's deep-rooted fascination for Anne Boleyn first originated in 1917 during a missionary trip in China; yet it was on his return to England in 1919 that Pakenham Walsh began to see divine confirmation of his desire to uncover the true Anne Boleyn. Following a prayer at Boleyn's burial site that she might become Pakenham Walsh's guardian angel, Pakenham Walsh experienced a series of bizarre coincidences. It was these strange incidents which led Pakenham Walsh to seek clairvoyants who helped to channel the spirit of Anne Boleyn. Through sessions with psychic mediums, the reader is presented with transcripts and accounts of psychic messages from Anne Boleyn and significant characters within Anne Boleyn's short lifetime. From one of Anne Boleyn's maids put to death for the sake of Anne Boleyn to an infuriated Henry VIII, Pakenham Walsh vividly recounts his experiences in a sympathetic and quaint style. Canon Pakenham Walsh's narrative not only relates his experiences of mediumistic contact; it is also a powerful Christian morality tale of redemption transcending death. **The British National Bibliography** Arthur James Wells, 2009 *Library Catalog of the Metropolitan Museum of Art, New York* Metropolitan Museum of Art (New York, N.Y.). Library, 1980 *Subject Guide to Books in Print*, 1997 **The Shelf List of the Union Theological Seminary Library in New York City** Union Theological Seminary (New York, N.Y.). Library, 1960
