James Platter

Gates Of The Sun:

The Book of the Secrets of Enoch William Richard Morfill,1997-06 , **The Book Of Enoch** Efen Gamboa,2018-08-31 The book of Enoch was the first book ever written in any language The language was described as the heavenly language which today we know it as Hebrew Hebrew was also the language of the first humans and all living things before the fall of man at the Garden of Eden But because of the distribution of languages during the Tower of Babel Hebrew was forgotten until the lifetime of Abraham Abraham was taught the language by angels of God and he revive the Heavenly language upon the Earth So now days there will be other languages that will test more ancient then Hebrew through discoveries of things that have a written language upon it that can be carbon tested for age unless we can find the original books of Enoch but until now only translations of the book have been found in other languages In the Dead Sea scrolls the book of Enoch was found within the books revered as the books of the old testaments that were dated from 404 to 203 BCE What they found was only a copy of the book and not the original According to what language the manuscript is found the rewriters gave the God of their religion the credit of being God creator but the world knows that only the God of Israel had angels with the name of Michael Gabriel and Ariel All others have been copycats and have tried to include the names of what they call their own angels and gods and beliefs into the book of Enoch *The Apocrypha #1* Apostle Arne,2015-04-30 The Biblical apocrypha from the Greek ap kruphos meaning hidden denotes the collection of ancient books found in some editions of the Bible in a separate section between the Old and New Testaments or as an appendix after the New Testament **Tried Money Changers Apocrypha** Jonathan Kristian Wain,2019-08-10 An extensive collection of apocrypha divided into Old and New Testaments Some titles are rare and elusive such as Jannes and Jambres Gad the Seer and Psalms of Thomas Some texts are fragmented like the newly discovered Gospel of the Saviour due to the damage sustained by the manuscript The idea of Tried Money Changers is to provide the reader with an extensive library of apocrypha in one book Presented in an easy to read format with large text divided into three columns in an A4 size book **The Apocrypha and Pseudepigrapha of the Old Testament, Volume Two** R. H. Charles,Robert Henry Charles,2004 Second only to the Apocrypha the Pseudepigrapha is the most important body of non canonical literature we possess from ancient Judaism These writings shed much light upon theological development between the testaments and provide invaluable historical cultural and spiritual information Contains the Book of Jubilees the Letter of Aristeas the Books of Adam and Eve the Martyrdom of Isaiah 1 Enoch the Testaments of the Twelve Patriarchs the Sibylline Oracles the Assumption of Moses 2 Enoch 2 Baruch 3 Baruch 4 Ezra The Psalms of Solomon 4 Maccabees Pirke Aboth and the Story of Ahikar Page 4 of cover [A Commentary on the Apocalypse](#) Moses Stuart,1847 **The Visions of Enoch the Prophet** Apostle Horn,2018-07-16 This book of Enoch is allmost similar as the other books of Enoch In this book he is called Prophet For the rest the book is now told as a story and divided in Book sections This is more easy to read for everybody **The American Journal of Religious Psychology and Education** ,1907 *American*

Journal of Religious Psychology and Education Granville Stanley Hall, Alexander Francis Chamberlain, 1905 Includes section Book reviews **Journal of Religious Psychology, Including Its Anthropological and Sociological Aspects** ,1907 Includes section Book reviews *Theosophical Outlook* ,1919 *Bible and the Monuments* William Saint Chad Boscawen,1895 *Fallen Angels and the Orgins of Evil* Elizabeth Clare Prophet,2000 The Book of Enoch was denounced banned and lost for over a thousand years until in 1773 a Scottish explorer discovered three copies in Ethiopia This book examines the controversy surrounding The Book of Enoch and sheds new light on Enoch s forbidden mysteries **'The Real Scriptures' of God** James Platter,2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn t in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else s church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language **Bible Myths and Their Parallels in Other Religions** Thomas William Doane,1883 **Christianity in its relations to Judaism and Heathenism, in three tracts. ... With lithographic illustrations, and chronological tables. (Sequel to the foregoing tracts, etc. Revolving Diagrams.).** Rev. William HEWSON,1860 **Enoch the Prophet** Apostle Arne Horn,2017-01-20 In the Authorized Version of the Epistle of Jude we read the following words Enoch also the seventh from Adam prophesied of these saying Behold the Lord cometh with ten thousands of his saints to execute judgment upon all and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed and of all their hard speeches which ungodly sinners have spoken against Him Modern research sees in the Epistle of Jude a work of the second century but as orthodox theologians accept its contents as the inspired utterance of an Apostle let us diligently search the Hebrew Scriptures for this important forecast of the second Advent of the Messiah In vain we turn over the pages of the sacred Canon not even in the Apocrypha can we trace one line from the pen of the marvellous being to whom uninterrupted immortality is assigned by apostolic interpretation of Genesis verse 24 **The Forgotten Books of Eden** Rutherford Platt, Jr., Jr. Rutherford H. Platt,2007-06-01 We are active restless both in body and mind Curiosity has replaced blind faith We go groping peering searching scornful of dogmas back further
