## Gathering My Thoughts:

My Thoughts Exactly Joe Stewart Pitts,2010-04      **The Demon Game** LJRoberts,2014 The book is a poetic description of a life destroyed emotionally mentally physically by drugs I feel I am qualified because it was my life This may bring light to just one This may be an answer to some This may be a warning for what you are about to become I am about to take you on a roller coaster of emotions that has been my life all its fears 21 years of drug abuse has brought with it its fair share of loneliness depression addiction happiness hope but most of all painful empty shed tears If your mind is a virgin to the demon game what I am about to write will make you think I am insane If your mind is not a virgin to the demon game then what you are about to read will sound oh so familiar just basic everyday plain For what I am about to write does not come from the world of fairy tales or fiction What you are about to read is very true it comes from the painful world of drug addiction

Scott,2004-12 Everyone has heard of the SAS and are probably aware that all major countries have their own highly trained Special Forces Normally working in opposition to each other these units have a common bond that transcends all national boundaries That bond is born of the PRIDE the members have in their skills and the RESPECT they feel for each other While remaining fiercely loyal to their own country they have established an unofficial fraternity that gives international cooperation whereby they help each other when in need It is this cooperation that Ben Carson ex SAS calls on when he sets out on a trail of revenge following the drug related killing of his god daughter Ex Special Forces members across Europe and in the Americas team up with him to form a small group of specialist volunteers With their help he lays his plans to wreak a bloody revenge and the destruction of the Colombian Cartel responsible for the import of drugs to the UK Dodging cartel hit men he crosses Europe and reaches North America where he comes under the eagle eye of the CIA Finally moving into Panama and Colombia the action moves swiftly onwards with helicopters and ground forces working together to achieve that aim Written by a security specialist it is autobiographical in that it concerns the skills weapons and contacts of the security trade Dear Morgan, God Doesn't Hate You Because You're Gay Metanoia Spirit,2015-11-11 What if you couldn t have sex with your partner would it matter Do you think you could still love and be with him or her What if biblical scriptures could reveal a hidden view of what it means to be accepted for who and what we are as spirits having a human experience Would it help ease the intense hatred toward individuals whose calling in life involves their sexual identity Dear Morgan God Doesn t Hate You Because You re Gay by author Metanoia Spirit deals with this issue Morgan who is a lesbian is the author s friend

Or she was until her sexuality came between them and Morgan ends their friendship Spirit misses her friendship so he writes this book in the form of a letter He shares with Morgan bible scriptures to explain why he believes the way he does and explain that God doesn't hate her because of her lifestyle despite what some people say This letter is not only to Morgan It is also for those whose lives are filled with confusion about God's unconditional love for them The scriptural evidence shared in Dear Morgan God Doesn't Hate You Because You're Gay is substantial but not everyone will see it even though it's right in front of them *Select sermons ...* Ralph Erskine, 1866 **The sermons and other practical works ...** Ralph
