A Gathering of Angels Morris B. Margolies,2000-03-31 A Gathering of Angels Angels in Jewish Life and Literature looks at Jewish history in a unique way through the eyes of angels A rabbi and a scholar Morris B Margolies pores through nearly three thousand years of literature

and lore in an enlightening exploration of the angels who shape and reflect Jewish beliefs hopes and fears **The Big Book of Angels**, 2002-01-01 Can angels truly exist in the twenty first century a time when faith is challenged regularly From Beliefnet a multifaith website comes this guide to angels that gives answers to specific questions what angels can and cannot do why they appear when they do what their purpose and nature is whether we have guardian angels whether it is possible to call angels in prayer or in times of need This includes stories of modern angelic encounters and offers a guide to getting in touch with your own guardian angel and using that positive energy in daily life *Giving Up Baby* Laury Oaks, 2015-06-05 Baby safe haven laws which allow a parent to relinquish a newborn baby legally and anonymously at a specified institutional location such as a hospital or fire station were established in every state between 1999 and 2009 Promoted during a time of heated public debate over policies on abortion sex education teen pregnancy adoption welfare immigrant reproduction and child abuse safe haven laws were passed by the majority of states with little contest These laws were thought to offer a solution to the consequences of unwanted pregnancies mothers would no longer be burdened with children they could not care for and newborn babies would no longer be abandoned in dumpsters Yet while these laws are well meaning they inadequately address the social injustices that compel abandonment for the very small number of girls and women who abandon their newborns Advocates of safe haven laws target teenagers women of color and poor women in particular with safe haven information under the assumption that they cannot offer good homes for their children Laury Oaks argues that the labeling of certain kinds of women as potential bad mothers who should consider anonymously giving up their newborns for adoption into a loving home should best be understood as an issue of reproductive justice Safe haven discourses promote narrow images of who deserves to be a mother and reflect restrictive views on how we should treat women experiencing an unplanned pregnancy *The Book of Angels* Stephen Miller, 2019-06-04 Both collectively and individually we have a deep and abiding fascination with angels This book explores depictions of angels in the visual arts and in scripture and associated apocryphal and mystical writings specifically in the Hebrew and Christian Bibles and Islamic Zoroastrian and other ancient and latter day accounts It examines the visual clues artistic conventions and attributes that have been set down to help us to recognise angels in their particular roles and functions Certain writings have had a particularly influential bearing on our understanding of angels This text focuses on the hierarchies and orders proposed by the likes of Pseudo Dionysius St Thomas Aquinas and others In a new age of fascination with the metaphysical and supernatural in film television popular mythology and literature are we cementing or losing our connection with the authentic meaning and purpose that such vibrant and energised beings bring to our table This book contains more than 30 illustrations in a central colour plates section It also includes a useful glossary of terms and will prove a rich and enduring reference resource for libraries as well as a stimulating go to source for those interested in the world of angels and how human sensibilities and imaginative reasoning have enriched the subject as a starting point for interreligious dialogue *A Book of Angels* Marigold Hunt, 2006-09 Angel stories from the

Bible for kids Modern believers may be tempted to look upon angels as one of the more fanciful elements of Scripture but this illuminating and entertaining collection of angel stories from the Bible shows that there are just too many angels for them to be metaphorical allegorical or unimportant So that children will come to know and learn to revere angels Marigold Hunt explains what angels are and are not and gathers here in one volume most of the stories of angels in the Bible including exciting tales of The fallen angels beginning with the devil himself tempting Adam and Eve The angel who barred the gates of Eden so Adam and Eve could never enter again The angels who announced that Sara Abraham s aged wife would have a baby The angels who tried to save Lot from destruction with the city of Sodom The angel who stayed Abraham s hand as he was about to sacrifice his son Isaac The angels in Jacob s dream who climbed the stairway to Heaven The angels who saved Sidrach Misach and Abdenago from the fiery furnace The angel Raphael who shielded Tobias from death and protected his wife Sara The angels at the Ascension who chided the apostles for staring at the sky The angel Gabriel who foretold the birth of Jesus and John the Baptist The choirs of angels who sang above Bethlehem when Jesus was born The angel who carried food to Daniel when he was imprisoned in the lion s den The angel who freed Peter from prison and of course The countless angels who fill the marvelous pages of the Book of Revelation Children will be charmed by these exciting tales Read an excerpt
