setting Kate Forster at her best NetGalley Reviewer 5 stars Loved it A great read and ace ending NetGalley Reviewer 5 stars

A Treatise on the Garden of Jiangnan Hongxun Yang,2022-08-02 This book presents a study into the art of Jiangnan classical garden Jiangnan the south of the Yangtze River refers to the water network region along the lower reaches of the Changjiang River formerly known as Yangtze River where Jiangsu Province Chinese gardens were primarily constructed during the 16th and 17th centuries of the later Ming and early Qing dynasties The Jiangnan garden an architectural space where artificial and natural elements are combined represents the elite of classical Chinese gardens and serves as a prime exemplar for its northern counterpart the Ming and Qing imperial gardens The book pursues an interdisciplinary approach combining historical information with case studies and other methods Charts and pictures are used to supplement and reinforce the conclusions drawn from the macro narrative enhancing the authenticity and readability of the historical monographs It represents the first study of the classical art of landscape design in China offering readers an insightful introduction

Guidebook to Historic Houses and Gardens in New England Willit Mason,2017-07-18 When Willit Mason retired in the summer of 2015 he and his wife decided to celebrate with a grand tour of the Berkshires and the Hudson Valley of New York While they intended to enjoy the area s natural beauty they also wanted to visit the numerous historic estates and gardens that lie along the Hudson River and the hills of the Berkshires But Mason could not find a guidebook highlighting the region s houses and gardens including their geographic context strengths and weaknesses He had no way of knowing if one location offered a terrific horticultural experience with less historical value or vice versa Mason wrote this comprehensive guide of 71 historic New England houses and gardens to provide an overview of each site Organized by region it makes it easy to see as many historic houses and gardens in a limited time Filled with family histories information on the architectural development of properties and overviews of gardens and their surroundings this is a must have guide for any New England traveler

Great Garden Design Ian Hodgson,2015-03-05 This book presents the best garden designs of the last ten years from more than 50 top garden designers It offers design solutions for every situation every area all tastes and budgets and any size of garden It draws on the talents of celebrated designers such as Tom Stuart Smith Luciano Giubbilei Charlotte Rowe Ian Kitson John Brookes Cleve West Dan Pearson and Andy Sturgeon It also showcases the work of lesser known designers whose innovating designs deserve wider recognition The process of garden design requires many thousands of small decisions in the pursuit of the most appealing solutions for outdoor spaces But this book makes the complex process simpler by offering ample choices of contemporary design for you to explore what s possible what s practical and what s affordable Comprising garden rooms ornamental details styles and planting ideas this book will appeal to every garden owner whether they manage a small or medium sized garden a roof terrace balcony or courtyard space It offers cutting edge solutions for those seeking an entirely new look as well as key details that can make all the difference

The Chinese Garden Bianca Maria Rinaldi,2012-11-05 With their centuries long development the English landscape

garden the formal French garden as well Japanese and Chinese gardens constitute an unparalleled repository of design solutions familiar throughout the world They are frequently drawn upon as reference works but often in a piecemeal and haphazard fashion and from botanical or art historical vantage points That is where the books of this new series come in They present the various garden types from the perspective of contemporary landscape and garden design Starting from the formidable beauty of the world's most distinguished gardens they point the way toward the essential compositional principles the plants most commonly utilized and their most characteristic uses and the possibilities for employing them in contemporary projects thus providing readers with a rich source of inspiration for their own designs and creations The panorama of The Chinese Garden stretches from the surviving historical gardens all the way to such modern examples as the garden at the Bank of China in Hong Kong designed by I M Pei Ai Weiwei's Yiwu Riverbank Park the Garden of Flowering Fragrance in the Los Angeles California region and the Garden of Awakening Orchids in Portland Oregon [The Traveler's Guide to American Gardens](#) Mary Helen Ray, Robert P. Nicholls, 2017-10-01 This new edition includes more than one thousand concise entries organized by state and city listing specific details on the location hours and history of each garden For each state gardens are located on a map The focus is on historic gardens in existence for over seventy five years Some are outstanding examples of their era many are associated with a distinguished person or historical event others are noteworthy for pioneering designs or innovative plant material Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The Gardens of Suzhou* Ron Henderson, 2012-12-18 Suzhou near Shanghai is among the great garden cities of the world The city's masterpieces of classical Chinese garden design built from the eleventh through the nineteenth centuries attract thousands of visitors each year and continue to influence international design In *The Gardens of Suzhou* landscape architect and scholar Ron Henderson guides visitors through seventeen of these gardens The book explores UNESCO world cultural heritage sites such as the Master of the Nets Garden Humble Administrator's Garden Lingering Garden and Garden of the Peaceful Mind as well as other lesser known but equally significant gardens in the Suzhou region Unlike the acclaimed religious and imperial gardens found elsewhere in Asia Suzhou's gardens were designed by scholars and intellectuals to be domestic spaces that drew upon China's rich visual and literary tradition embedding cultural references within the landscapes The elements of the gardens confront the visitor rocks trees and walls are pushed into the foreground to compress and compact space as if great hands had gathered a mountainous territory of rocky cliffs forests and streams then squeezed it tightly until the entire region would fit into a small city garden Henderson's commentary opens Suzhou's gardens with their literary and musical references to non Chinese visitors Drawing on years of intimate experience and study he combines the history and spatial

organization of each garden with personal insights into their rockeries architecture plants and waters Fully illustrated with newly drawn plans maps and original photographs The Gardens of Suzhou invites visitors researchers and designers to pause and observe astonishing works from one of the world s greatest garden design traditions **Fun Pirating + CD** ,
