The Gates of Hell David Henderson, 2024-10-17 This book is mostly a collection of true stories about demonic beings frightening torturing and creating chaos among humans The first reason I authored this book was because I simply enjoy this

topic Yes I am a bit odd I find topics that are strange mysterious and diabolical to be interesting The second reason is because we are in a spiritual battle and I find many Christians that I know seem to be almost oblivious to this fact My hope in this book is to make you more aware of the battle going on around us and that we can and should be ready to defend and battle Satan and his demonic army Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world and against the spiritual forces of evil in the heavenly realms Ephesians 6 12 *The Five Gates of Hell* Rupert Thomson,2012-08-01 There were very few land burials in Moon Beach It was considered old fashioned unhealthy and something that only happened to the poor Instead the dead were buried in ocean cemeteries twelve miles out A special festival was held every year in their honour Children loved it They were given white chocolate bones marzipan skulls and ice cream coffins on a stick There were costume parties too You had to wear something blue because that was the colour people went when they were buried under the sea You could paint your hands and face if you liked or even dye your hair That s what people did in Moon Beach Turned blue once a year And then they turned blue forever
