it by example This makes holiness a subject that is related to sinlessness righteousness and godliness It begins with true repentance A person who has not known true repentance unto God and faith in the Lord Jesus cannot be holy Attempting holiness without true repentance would be wood hay and stubble ready to be burned in the fire He who repents truly will naturally and easily carry out restitution for past stolen defrauded borrowed or unpaid things Every holy person is uncommon in that he has experienced deliverance from all sin through knowing reckoning yielding entirely to God and walking in the Spirit He has entered the way of sanctification He has received a pure heart and enrolled in the School of Truth A holy man is a man with an all good conscience who shuns all sin because he cherishes his relationship with God He refrains from all sin because he would not want to court God s judgment He has willingly offered himself to be broken and for that reason has become a vessel of honour Following the simple practical steps outlined in this anthology will carry you into the way of holiness We send this first volume on holiness out with a cry to the Lord that He should use it to bring many to the way of holiness that has become so elusive in our day
