Ending The Ldp Hegemony:

Ending the LDP Hegemony Ray Christensen, 2000-01-01 From its founding in 1955 and for the next thirty eight years Japan's conservative Liberal Democratic Party LDP won all but one national election and selected every prime minister and nearly every cabinet member Other democracies have had similarly dominant parties but none approaches the LDP for longevity in power and complete dominance of the political scene Then in 1993 a political earthquake transformed Japan from a country of unchanging one party rule into a nation of ever changing and free flowing political coalitions For the rest of the decade the LDP struggled to regain its position of dominance and for the most part succeeded At the end of the millennium the LDP lacked a majority in the House of Councillors the upper house of the Japanese Diet but it was nevertheless strong and confident once again while the opposition was in disarray The LDP's loss of control in 1993 however brief made obsolete much of what had been written on Japanese politics *Ending the LDP Hegemony* answers the need for an up to date analysis of the political scene providing both the information and framework needed to unravel the tangle of coalition politics in the 1990s and anticipate the composition and policies of future Japanese governments It is the first study in English to focus on and put into historical context interparty relations in Japan Western scholars and media heretofore have focused either on the LDP's successes or the peculiarities of the individual opposition parties ignoring interparty relations that are well known to the Japanese Ray Christensen offers here a new perspective on the interaction among members of the Democratic New Frontier Japan Socialist Japan Communist Democratic Socialist and Clean Government parties as well as on their general political orientation and tactics He challenges the assumption that the LDP's accomplishments can be attributed to its being the most efficient capable and intelligent party and describes in detail the strategies of the opponents demonstrating the political savvy of their leaders His analysis of key data on cooperation and elections reveals that opposition parties actually outperformed the LDP This study not only fills a gap in our understanding of modern Japanese politics it also adds a critical non European perspective to analyses of opposition politics and social democracy It argues that the Japanese experience requires a modification of analytical frameworks which are based almost exclusively on Western European examples and questions those who support a more authoritarian Asian model of democracy by revealing the vibrancy of the opposition in Japan and the technical reasons for the LDP's success *Ending the LDP Hegemony* amply demonstrates that democracy indeed Western style democracy can take root and flourish in the fertile soil of East Asia and offers the experience of Japan's opposition parties as crucial evidence of Japanese democracy It will be essential reading for all those interested in the functioning of democracy in Asia and other non Western settings [Critical Readings on the Liberal Democratic Party in Japan](#) Robert Pekkanen, 2018-10-02 This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history the Liberal Democratic Party the LDP Governing Japan for almost the entirety of the post war period the LDP also has a claim to be the

most successful political party in any post war democracy Seminal articles in this collection explore the key aspects of the LDP the party s evolution since its founding in 1955 key facets of the LDP s internal organization including factions and koenkai the LDP in policy making including its relationship with the bureaucracy and interest groups as well as its policy making committee apparatus and party leadership including the premierships of Junichiro Koizumi and Shinzo Abe The Changing Japanese Political System Harumi Hori,2006-03-20 Japan s political stability was shattered after the general election of July 1993 when the conservative Liberal Democratic Party s thirty eight year domination ended in defeat This book examines the impact the 1993 general election had on Japanese politics Although the LDP regained the position of a ruling party within a year Hori questions whether the Japanese political system has managed to maintain the same efficacy as it had prior to 1993 Using institutional analysis Hori argues that this fundamental change caused major institutional transformations a decline in the importance of LDP organisations in the decision making process of the government and the Diet weakened management of the LDP through factions and detached attitudes of LDP members to MOF bureaucrats Hori analyzes three cases one prior to and two after the 1993 election illustrating just how ineffective the close cooperation between MOF bureaucrats LDP executives and faction leaders became *The Foreign Policy of Modern Japan* Robert A. Scalapino,2024-03-29 *The Foreign Policy of Modern Japan* presents a thorough exploration of Japan s foreign policy a complex and ever evolving subject The volume is the result of a 1974 conference in Hawaii where scholars from both the United States and Japan gathered to discuss Japan s foreign policy from multiple perspectives This compilation of essays offers insights into the decision making process economic influences security issues and the broader international environment shaping Japan s diplomatic strategies Contributions are drawn from a range of scholars providing diverse viewpoints that highlight the multifaceted nature of Japan s international relations The collection covers a broad spectrum of topics from the workings of Japan s Foreign Ministry and its diplomatic style to the influence of public opinion and business on foreign policy as well as economic relations and security matters The essays are divided into distinct sections that cover key aspects of Japan s foreign policy The first examines the decision making processes analyzing the role of Japan s bureaucratic institutions and the Diet in policy formulation Subsequent sections delve into Japan s public and private interests economic policies and security issues while a final part offers an overview of Japan s evolving global position The contributors emphasize the challenges Japan faces in balancing domestic pressures historical context and international realities Despite Japan s successful postwar foreign policy the essays suggest that Japan may be undergoing gradual changes in its foreign approach particularly in response to shifts in global economic and political dynamics The volume provides a nuanced understanding of the factors shaping Japan s foreign policy highlighting both its stability and the potential for future transformation This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to

1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 **The End of Diversity?** Kozo Yamamura, Wolfgang Streeck, 2018-05-31 After the devastation of World War II Germany and Japan built national capitalist institutions that were remarkably successful in terms of national reconstruction and international competitiveness Yet both miracles have since faltered allowing U S capital and its institutional forms to establish global dominance National varieties of capitalism are now under intense pressure to converge to the U S model Kozo Yamamura and Wolfgang Streeck have gathered an international group of authors to examine the likelihood of convergence to determine whether the global forces of Anglo American capitalism will give rise to a single homogeneous capitalist system The chapters in this volume approach this question from five directions international integration technological innovation labor relations and production systems financial regimes and corporate governance and domestic politics In their introduction Yamamura and Streeck summarize the crises of performance and confidence that have beset German and Japanese capitalism and revived the question of competitive convergence The editors ask whether the two countries confronted with the political and economic exigencies of technological revolution and economic internationalization must abandon their distinctive institutions and the competitive advantages these have yielded in the past or whether they can adapt and retain such institutions thereby preserving the social cohesion and economic competitiveness of their societies

The Pursuit of Power in Modern Japan 1825-1995 Chushichi Tsuzuki, 2000-04-13 This new history of modern Japan covers its remarkable transformation from a small country on the fringe of international politics to the major world power it is today Professor Tsuzuki traces Japan s pursuit of power first by military and then by economic means from her attempts to replace China at the centre of the Confucian Middle Kingdom through the Meiji nationalist response to the inroads of nineteenth century western imperialism and on to the post war USJapanese alliance powering the economic miracle of the last half of the twentieth century He examines Japan s political intellectual and industrial development throughout the last two centuries with special attention to the wars that were fought and argues that the history of Japan s modernization was closely linked to the growth of Japan s own imperialism Tsuzuki goes on to reveal how some of the factors which contributed to remaking Japan as an economic giant have also been responsible for her recent economic and political difficulties **Religion and Politics in Contemporary Japan** Anne Mette Fisker-Nielsen, 2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at

the grassroots level Dominant Political Parties and Democracy Matthijs Bogaards, Françoise Boucek, 2010-06-10 This book examines dominant parties in both established democracies and new democracies and explores the relationship between dominant parties and the democratic process Combining theoretical and empirical research and bringing together leading experts in the field it features case studies on Japan Canada Germany Mexico Italy France and South Africa East and Southeast Asia 2020-2022 James E. Hoare, 2021-09-15 The World Today Series East Southeast Asia provides historical background on the evolution of Modern East Southeast Asia to help readers gain a thorough understanding of contemporary developments in this vital region Broad introductory regional chapters are followed by sections on each country in the region The combination of factual accuracy and up to date detail make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students to understand the immediate background of contemporary developments *The SAGE Handbook of Modern Japanese Studies* James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University **Modern Japan** Mikiso Hane, 2018-03-09 Integrating political events with cultural economic and intellectual movements Modern Japan provides a balanced and authoritative survey of modern Japanese history A summary of Japan's early history emphasizing institutions and systems that influenced Japanese society provides a well rounded introduction to this essential volume which focuses on the Tokugawa period to the present The fifth edition of Modern Japan is updated throughout to include the latest information on Japan's international relations including secret diplomatic correspondence recently disclosed on WikiLeaks This edition brings Japanese history up to date in the post 9 11 era detailing current issues such as the impact of the Gulf Wars on Japanese international relations the March 2011 earthquake tsunami and subsequent nuclear accident the recent tumultuous change of political leadership and Japan's current economic and global status An updated chronological chart list of prime ministers and bibliography are also included Introduction to Japanese Politics Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of

Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan s geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country s distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China s expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics

Japanese Foreign Intelligence and Grand Strategy Brad Williams,2021-03-01 Japanese Foreign Intelligence and Grand Strategy probes the unique makeup of Japanese foreign intelligence institutions practices and capabilities across the economic political and military domains Williams shows how Japanese intelligence has changed over time from the Cold War to the reassessment of national security strategy in the Abe Era

The Left in the Shaping of Japanese Democracy David Williams,Rikki Kersten,2004-03-01 Leftist thought and activism stands as a defining force in the articulation of political culture and policy in modern Japan Operating from the periphery of formal political power for the most part the Japanese Left has had an impact that extends far beyond its limited success at the ballot box The essays that compose this Oxford Festschrift range over a wide set of themes including the tragic careers of two prewar left wing martyrs Goto Jones Hisashi As the great Socialist apostate Kersten the Left s evasion of constitutional sovereignty Williams the rise and fall of Nikky s Aspinall the Left s impact on privatization and bureaucratic reform Nakano the demise of parliamentary Socialism Hyde the Left s recent embrace of free market principles Schoppa critical Japan studies and American empire since 9 11 Williams and history s final judgment on the fate of this great political movement Banno

Dictionary of the Modern Politics of Japan Prof J A A Stockwin,J. A. A. Stockwin,2003-08-27 The politics of Japan are less widely reported than its economics Most people are aware of the economic miracle following the Second World War whereby Japan became the second largest economy in the world after the United States and the economic stagnation of the early 1990s is also well known But it is difficult to make sense of these phenomena without a knowledge of the political system and the ways in which it works in practice Containing an introductory essay an essay on theories of Japanese politics and over 250 A Z entries the Dictionary of the Modern Politics of Japan remedies this imbalance and answers the need for an accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system Including a fully annotated bibliography to guide the user to further reading the entries are thoroughly cross referenced and indexed and are supplemented with maps and tables to ensure that the Dictionary of the Modern Politics of Japan is essential reading for all scholars and students of the politics and international relations of Japan

Populism and Patronage Paul D. Kenny,2017 Populist rule is bad for democracy yet in country after country populists are being voted into office Populism and Patronage shows that the populists such as Indira Gandhi and Narendra Modi win elections when the institutionalized ties between non populist parties and voters decay Yet

the explanations for this decay differ across different types of party system Populism and Patronage focuses on the particular vulnerability of patronage based party systems to populism Patronage based systems are ones in which parties depend on the distribution of patronage through a network of brokers to mobilize voters Drawing on principal agent theory and social network theory this book argues that an increase in broker autonomy weakens the ties between patronage parties and voters making latter available for direct mobilization by populists Decentralization is thus a major factor behind populist success in patronage democracies The volume argues that populists exploit the breakdown in national patronage networks by connecting directly with the people through the media and mass rallies avoiding or minimizing the use of deeply institutionalized party structures This book not only reinterprets the recurrent appeal of populism in India but also offers a more general theory of populist electoral support that is tested using qualitative and quantitative data on cases from across Asia and around the world including Indonesia Japan Venezuela and Peru

A Companion to Japanese History William M. Tsutsui, 2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan's history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Japan Decides 2012 R. Pekkanen, S. Reed, E. Scheiner, 2013-07-25 The 2012 election in Japan ejected the governing DPJ and returned the LDP overwhelmingly to power while brand new parties pulled in millions of voters This book explains what happened why it happened and what it means International experts analyze the election results parties strategies gender issues policy implications and more

Sovereignty and Status in East Asian International Relations Seo-Hyun Park, 2017-05-11 This book shows how historical experiences have affected East Asian security debates as reflected in enduring concerns with sovereign autonomy

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan

Ending The Ldp Hegemony Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ending The Ldp Hegemony has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ending The Ldp Hegemony has opened up a world of possibilities. Downloading Ending The Ldp Hegemony provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ending The Ldp Hegemony has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ending The Ldp Hegemony. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ending The Ldp Hegemony. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ending The Ldp Hegemony, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ending The Ldp Hegemony has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
