toward Grady Byrne her old friend from high school He's moved back to town four year old daughter in tow no wife in the picture But she's always figured her life had to be child free so that complicates things When Matthew walks into Harlow's store she faints Monica panics And all their assumptions about what being a parent really means explode This summer will be full of more surprises as both their families are redefined and as both women learn that for them there's no limit to a mother's love
