**The Enemy Of My Enemy** Anshumani Ruddra, **The Israeli Conflict System** Harvey Starr, Stanley Dubinsky, 2015-07-30 The Middle East conflict system is perhaps the world's most important and intractable problem area whose developments carry global consequences. An effective investigation of the context and change in the region calls for a melding of academic approaches, methods, and findings with policy-oriented needs. The Israeli Conflict System brings together leading conflict scholars primarily from political science, applying a range of advanced, rigorous analytic and data-gathering techniques to address this single empirical domain: the contemporary Israeli Conflict System. Recognising the causal complexity of this conflict system, the volume's central theme is that the system's current conditions are best understood in their broader temporal, historic, cultural, linguistic, and spatial/geographic contexts. Through the lens of economic, geographic, historical, linguistic, and political analyses and the application of data analysis, experiments, simulations, and models of rational choice, this volume shows how diverse disciplinary perspectives and methodologies can complement each other effectively. In this way, its chapters provide a model for the integration of factors and contexts necessary for understanding contemporary world politics and a sampling of theories, approaches, and methods that are applicable, useful, or valid under different conditions. This book offers a cutting-edge resource for scholars and students of Political Science, International Relations, Conflict Studies, and Middle East Studies.

**My Enemy Is My Guest** J. Massyngebaerde Ford, 2010-04-01 This is a very readable and clear exposition of Luke's presentation of Jesus as an advocate of nonviolence. It rests on a profound knowledge of the political background in the first century and also of modern Lucan scholarship. One does not need to agree with all of the author's suggestions in order to accept her basic thesis that Luke's Jesus exemplifies his own insistence on loving and forgiving one's enemies. I Howard Marshall, Emeritus Professor of New Testament Exegesis, University of Aberdeen, Scotland. For Professor Josephine Massyngebaerde Ford, authoress of a learned and challenging commentary on Revelation, Luke is the preacher of philoekthology, highlighting far more than his predecessors Jesus's love of the enemy. She marshals impressive and interesting evidence from comparison with the other Synoptics, from contemporary Jewish texts, orthodox and sectarian, and from the general conditions of that turbulent period. The work is full of original, valuable ideas, such as the relevance for this Gospel's overriding purpose of a sharp contrast between the infancy narratives reflecting traditional revolutionary expectations and the actual message of Jesus. Her analysis of the evangelist's redactional activity is circumspect, sensitive, and rich in new insights. Not the least by-product of her thesis is a convincing, fresh illustration of Luke's stature as a social, political, and historical thinker and as a subtle, accomplished writer, not to mention his humanity. This is an excellent, lively, and timely book. David Daube, University of California, Berkeley. Ford invitingly presents Luke's pacifist portrait of Jesus against a predominant militant background of Israel's messianic hopes. Her extensive citations from BCE first-century Jewish literature and her scholarly study of Luke's Gospel make this a seminal contribution. Her work breaks new ground, pointing

toward fresh emphases in both historical Jesus and Lucan redactional studies In a special way her book speaks to both biblical scholars and lay Christians ready to say no to the mushroom cloud in the name of Jesus the messianic king Willard M Swartley Professor Emeritus of New Testament Associated Mennonite Biblical Seminaries Elkhart Indiana Placed as I am within sight of Bethlehem to the South and Jerusalem to the North I look out upon a society where the stark choice is between killing enemies or loving them Professor Ford s fascinating study of the Lucan Jesus provides a convincing motive for choosing the latter nonviolence forgiveness and acceptance of our enemies into covenant community Donald Nichol former Rector of the Ecumenical Institute Tantur *My Enemy's Cradle* Sara Young,2008 Cyrla has been warned that her neighbors know she is half Jewish grounds for certain arrest in their Nazi occupied town A cruel twist of fate places Cyrla in a terrible dilemma in this page turning debut novel **My Enemy, My Brother** Joseph E.
