**Energizing Your Teenager's Faith** Jay Kesler, Paul Woods, 1990      Rooting Your Teen in the Faith Kim

Cameron-Smith, 2023-01-03 While Catholic teens drifting away from the Faith is unfortunately an increasingly common occurrence it is not inevitable We as parents are uniquely qualified to lead our teens to a relationship with Christ During the difficult teenage years parents not youth ministers teachers or parish programs play a pivotal role in our children's faith development In Rooting Your Teen in the Faith family coach catechist author and mom Kim Cameron Smith empowers parents to shepherd their teens guiding them to discover their mission deepen their faith and discern the truth about their identity and purpose There is no perfect blueprint for evangelizing teenagers but there is the right relationship the parent child bond If we lean into our call to lead inspire free and transform our children by the end of the teenage years they will be equipped to respond to God's movements in their lives      Reaching a Generation for Christ Richard R. Dunn, Mark H. Senter

III, 1997-03-05 Things have changed The Truth has not The 1950s are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today's kids are living in a vacuum unaffected by the changing morals of today's society How can we reach these kids with the truth of the gospel More than fifty of America's youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in these uncertain times You can reach this generation for Christ      **The Sticky Faith Guide for Your Family** Kara Powell, 2014-08-05 If you are eager for an

authentic action plan you can use every day to point your kids toward lasting lifelong faith this is it Building on the bestselling go to guidebook Sticky Faith The Sticky Faith Guide for Your Family shows parents how to actively encourage their children's spiritual growth so that it will stick with them into adulthood and empower them to develop a living lasting faith This accessible guide presents more than 100 practical easy to implement ideas to set your family on a trajectory of lifelong faith including how to Handle mistakes and show forgiveness Connect and relate to your teenager Talk faith with your kids Build faith during downtime or on vacation Make your house a hub of faith Be a family of service And more Perfect for busy parents who don't have time and inclination to read yet grounded in sophisticated academically verified data by the Fuller Youth Institute this guidebook is a welcome resource you can turn to time and time again for fresh ideas and inspiration      *Sticky Faith, Youth Worker Edition* Kara Powell, Brad M. Griffin, Cheryl A. Crawford, 2011-10-04 Many of the

statistics you read about teenagers and faith can be alarming Recent studies show that 40-50 percent of kids who are

connected to a youth group throughout their senior year will fail to stick with their faith in college As youth workers are pouring their time and energy into the students in their ministries they are often left wondering if they've done enough to equip their students to carry their faith into adulthood Fuller Youth Institute has done extensive research in the area of youth ministry and teenage development In Sticky Faith the team at FYI presents youth workers with both a theological philosophical framework and practical programming ideas that develop long term faith in teenagers Each chapter presents a summary of FYI's quantitative and qualitative research along with the implications of this research including program ideas suggested and tested by youth ministries nationwide This resource will give youth pastors what they need to help foster a faith that sticks with all the teenagers in their group long after they've left the youth room

### **Family-Based Youth**

**Ministry** Mark DeVries, 1994 For everyone from youth pastors to discipleship and church growth coordinators DeVries offers an approach to youth ministry that brings teens into one to one relationships with older Christians involves the whole church family from singles to seniors frees youth pastors and church leaders from worrying about attendance budget and competition with other programs and encourages and guides youth toward mature Christian commitment

**The Best VBS Workbook Ever!** Lisa Brown, 2017 Enables organizers to envision and implement a VBS program customized for the local church Practical comprehensive from the ground up approach to VBS Designing a Vacation Bible School program as opposed to choosing one of the many off the shelf packages is a labor of love It considers the unique perspective of children and invests accordingly It's a home cooked meal compared to fast food It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time Well designed VBS programs speak to children with respect love and patience offering opportunity for authentic spiritual growth not to mention an intentional theology that is reflective of the church Finally custom designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts This book provides Christian educators with the tools they need to assess the needs and resources in their congregation and to craft a creative program in response to that assessment The Best VBS Workbook Ever offers direction and suggestions on theme structure logistics program activities staffing and promotion Audience Episcopal and other mainline churches looking for something more original and thoughtful than typical pre packaged VBS programs Directors of Christian Education Directors of Children's Ministry Camps and Retreat Centers FORMA Kanuga Christian Education conference eFormation network
