*I Can Hear Your Face* Joan L. Brumble, 2014-01-08 ABOUT THE BOOK God has spoken to me on numerous occasions in reference to the title of the book I even shared the concept with a visiting pastor perhaps making it a sermon but to no avail I had felt it had fallen on deaf ears But later I knew that was part of God's plan When the idea of ICHYF I Can Hear Your Face was conceived in my heart and spirit it became alive and burned within my soul and then it came my Heavenly Father spoke to me I choose you I am the one who inspired and planted the seed in your heart I am the one keeping this concept alive I nourished it continually Write it down my daughter I will give you the inspiration to write the words as coming from me Live through them my daughter make my words come alive It pleases me that you are willing to obey me Remember my words when I said that I know you have little strength you've tried your best to keep my word and you have not denied my name These words will be my testimony of the truth I cannot deny my own name That which was first conceived in my spirit and my heart ICHYF really isn't anything new but it is speaking to a new audience perhaps because of a generational gap in coming from a solid Christian home All the trials heartaches much pain in my life God has worked out for good What he has and is doing in my life he will do for you Listen for God to whisper how much he loves you at the turn of every page All through the writing process I prayed for each one of you my readers that you will be truly be blessed by our Abba Father **I Can Hear**

**Hear the Cuckoo** Kiran Sidhu, 2023-05-11 A beautiful and poetic meditation on loss nature and what matters in life Nigel Warburton From the BAFTA award winning writer of The New Yorker short film Heart Valley Kiran Sidhu never thought she could leave London but when her mother passes away she knows she has to walk out of her old life and leave her toxic family behind She chooses fresh air an auditorium of silence and the purity of the natural world and soon arrives in Cellan a small remote village nestled in the Welsh valleys At first the barrenness and isolation is strange But as the months wear on Kiran starts to connect with the close knit community she finds there her neighbour Sarah who shows her how to sledge when the winter snow arrives Jane a 70 year old woman who lives at the top of a mountain with three dogs and four alpacas and Wilf the farmer who eats the same supper every day and teaches Kiran that the cuckoo arrives in April and leaves in July Tender
