I Can Say To God:

How Can They Say There is No God, When the Evidence is So Clear Barbara Crawford, 2021-10-20 How Can They Say There is No God When the Evidence is So Clear By Barbara Crawford The author began journaling in 1985 maybe even earlier She looked through her house in closets and under the nightstand discovering eight journals She knew that discovery was of God When she began reading the journals she was in awe of how God was always there and still is How Can They Say There is No God When the Evidence is so Clear is a journey through those miraculous journal entries and the author's life its ups and downs its successes and failures its joy and heartbreak Through it all God was there *The ABC's of Who God Says I Am* Kolleen Lucariello, 2013-03-26 Would you like to be free to live as God designed you Do you want something solid to base your self worth on Are you tired of the shallow and long for something deeper to satisfy your soul This book can light the path to a more fulfilling identity in Christ and it's as simple as ABC Author Kolleen Lucariello takes women on a back to the basics journey by outlining their identity in Christ with the alphabet as the roadmap From accepted to loved to victorious to zealous readers will find refreshment and encouragement in this devotional study as they shed harmful and false thinking about their life in Christ Jesus Ready to find out who God says you are and experience a more joyous existence Dive into these pages and prepare to be renewed like never before in Kolleen Lucariello's new devotional study *The ABC's of Who God Says I Am* and discover who you can be when you trust completely in the Lord *Rule Your Day* Joel Osteen, 2022-03-08 1 New York Times bestselling author and Lakewood Church pastor Joel Osteen teaches readers to keep their days full of faith praise and victory You would like to savor each moment grow into your best life engage in productive relationships and see your dreams come to pass But distractions delays and disappointments relentlessly hijack your plans and undermine your good intentions While you can't control everything that comes your way you can control how life's unexpected setbacks affect your attitude emotions thoughts and actions In his latest work 1 New York Times bestselling author Joel Osteen shows you how to be intentional and *Rule Your Day* With his trademark wisdom and unwavering positivity Joel reveals six keys for claiming control over each new day He teaches you how to identify faulty thinking recast your vision for the future rise above your circumstances guard your heart and mind against negativity and transcend distractions to focus on what matters most When you work with the tools God has given you and take control of your time you can bounce back from disappointments prevent poisonous thoughts from entering your atmosphere and fully enjoy the bright future that's ahead of you Don't settle for surviving when you could be thriving *Rule Your Day* *The 10 Most Important Things You Can Say to a Mormon* Ron Rhodes, 2001-08-15 Covers the Mormon view of the Bible the Book of Mormon origins Stresses the importance of the Trinity salvation by grace not works and more **It's Ok to Say "God"** Tad Armstrong, 2011-11-18 Our Founders would not recognize today's America Christianity is under attack as never before My career as a Baptist minister and as chaplain of the Texas House of Representatives has in a sense taken me to both sides of Jefferson's metaphorical wall of separation Mr

Armstrong puts it a bit differently There should be at least a short fence of separation between Caesar and God If the divider falls government will strong arm religion Instead of relying on sound bites headlines and e mails he takes you straight to the Supreme Court opinions that have shaped the religion clauses of the First Amendment You will likely be very surprised at what you find Its OK to Say God brings the Constitution back to Main Street where it belongs His commentary is both eye opening and refreshing His suggestions of how Christians should respond to the culture war focus more on fulfilling the mission of Jesus Christ than on whether a nativity scene or a Menorah should win the favor of the courts at Christmas Whether you decide to implement his suggestions in your life or not Mr Armstrong is most concerned that all Americans stop living in ignorance of these most important laws of our land Learn as a family discuss these truths with your children and grandchildren and start living your faith out loud for contrary to false rumor it really is OK to bring God back into our culture and back into our government Tad will show you the way Pastor R B Hall former chaplain of the Texas House of Representatives The Will of God Sher Gill Galib,2023-01-01 The Will of God is my journey from the physical to God s world I was born with spiritual abilities but I wanted to explore more So I could leave some written evidence for future Seekers The word impossible does not exist in my life or in this book At times it is pleasant or it could turn into a rude awakening upon your discoveries or the secret of God All experiences in this diary are written with dates time and the spiritual plane we explored This diary is the biggest hope for many severe spiritual Seekers If you make up your mind there is nothing in this world you cannot do You can wait at seashore all your life or dive within Spirit to become the knower of truth

God, Evil, and Redeeming Good Paul A. Macdonald Jr.,2023-01-30 This book offers an original contribution to debates about the problem of evil and the existence of God It develops a Thomistic Christian theodicy the aim of which is to help us better understand not only why God allows evil but also how God works to redeem it In the author s view the existence of evil does not generate any intellectual problem that theists must address or solve to vindicate God or the rationality of theism This is because acknowledging the existence of evil rationally leads us to acknowledge the existence of God However understanding how these two facts are compatible still requires addressing weighty wide ranging questions concerning God and evil The author draws on diverse elements of Aquinas s philosophy and theology to build an argument that evil only exists within God s world because God has created and continues to sustain so much good Moreover God can and does bring good out of all evil both cosmically and within the context of our own individual lives In making this argument the author engages with contemporary work on the problem of evil from analytic philosophy of religion and theology Additionally he addresses a broad range of topics and doctrines within Thomistic and Christian thought including God creation providence original sin redemption heaven and hell and the theological virtues God Evil and Redeeming Good is an essential resource for scholars and students interested in philosophy of religion philosophical theology and the thought of Thomas Aquinas

What Does God Say About That? Eunice Jewett,2019-07-17 Hopefully what all people will get from this book is that the

Lord God does not want His children to have religion with Him As we see in Genesis through Revelation what He wants is a relationship with His children What I am trying to say is the daily reading of His Word When we are new we can only get milk from the living Word Then as we grow we can read the same living Word of God but He reveals more and more to us If we are brand new He gives us what we need and if in the beginning we are too afraid to pray out loud we can pray in our minds The saying If you except Jesus your life will be a garden of roses is a lie In my walk of faith I have gone through valleys that felt like hell Then I got to a mountaintop only to go through many other paths What I know for sure is sometimes we need to go through these many troubles or rough times so that when we meet another going through close to what we have gone through we can give them the courage to stay strong in their faith in Christ Jesus because He is the only person who can get us through everything with joy peace forgiveness undeserved mercy and grace I love seeing people go from a vocal understanding to being able to read and comprehend and being able to find facts about the living Word that they had never been able to do before

God, I Don't Know What to Say Right Now Nichole A. Campbell, 2022-11-03 We are all on a journey in this life For some it seems like the path we are on is smooth sailing no hindrances and no major events to be concerned about But for many others the road has not been smooth There have been some bumps potholes roadblocks street closures and even diversions There have been so many events in their lives death life threatening illnesses and job loss They seem to happen one after the other or while we are in the middle of one crisis another one is occurring It is at this point for many and after much prayer for and over the situation that we throw up our hands and say aEURoeGod I don't know what to say right now aEURon life aEURtm s journey we are either entering going through or coming out of a wilderness The necessary weapon for warfare on that journey is prayer It is the conversation that we have with God where we cry out for help from the pains we feel inside and echo the pleas of the desires of our hearts Yet there are times when we don't know what to say we are at a loss for words In this book we explore prayer in and through our wilderness moments We look at tools and practices that can increase and improve our conversations with God especially when we are struggling to find the right words to say as we go through the many events that can happen in our lives

The Singing God Sam Storms, 2013-02-05 God Delights in You God loves us With all our faults and failures with all the secret sins no one else knows about In fact He rejoices over us so much that He breaks out in inexpressible joy and song as He thinks about us The Lord your God is in your midst a mighty one who will save he will rejoice over you with gladness he will quiet you by his love he will exult over you with loud singing Zephaniah 3:17 That's how God feels about you He looks at you He thinks of you and He sings for joy In The Singing God Sam Storms explores God's immeasurable love for His children You don't need to be different you don't need to be better You just need to know that God loves you just the way you are now today When you truly believe this you will find the strength and incentive to fight sin experience freedom from shame and walk in the fullness of all that God desires for you
