**The I Ching Records** Running Press Staff,1985-09-01      **I Ching Records** Running Press Staff,1985-09      **The Publishers Weekly** ,1987      Original I Ching Margaret J. Pearson,2012-02-07 First among the ancient classics the I Ching or Book of Changes is one of the world s most influential books comparable to the Bible the Koran and the Upanishads The I Ching s purpose is universal to provide good counsel to its users in making decisions during times of change Since its origins about 3 000 years ago it has become a compendium of wisdom used by people of many cultures and eras This groundbreaking new translation by Dr Margaret Pearson is based on the text created during the first centuries of the Zhou Dynasty study of documents showing how it was used in the dynasty and on current archaeological research findings Her translation removes centuries of encrusted inaccuracies to better reveal the I Ching s core truths for today s readers Whether you are interested in trying this millennia tested method of making wise choices or in understanding the worldview of the early Chinese this edition is essential reading      **Cumberland Trail Blazer** Cumberland Trail Library System,1992

*The I Ching Workbook* R.L. Wing,1978-12-19 An important new interpretation of the I Ching the 5 000 year old Chinese book of wisdom in a unique workbook format designed to help truth seekers find new meaning and enlightenment in its ancient lore Designed for those actively exploring this ancient system in order to better understand their lives The I Ching Workbook serves as a simple guide to the study and interpretation of the I Ching s advice It provides a format for each of the 64 hexagrams that allows one to record the various responses of the I Ching Insights regarding health relationships business politics travel career social events and inner development have been sought of the I Ching or Book of Change for thousands of years With continued consultation of the I Ching concerning all aspects of your life you will begin to perceive patterns to the I Ching s responses and therefore certain patterns to the changes in your life R L Wing s new interpretation incorporates cultural and linguistic changes that will greatly enhance your understanding of our world s most ancient book You can now begin to use this valuable tool to bring new meaning and insight into your life      *The Great Shift* Michael Drake,2018-11-08 The Great Shift is about the new era of humanity We have entered the new epoch of humanity s spiritual evolutionary journey into higher consciousness Our present world is one in which order is arising out of chaos Everything is changing and seeking equilibrium The conditions are nothing short of a rebirth We are quite literally witnesses and participants in the shift from individual to planetary consciousness We are part of the emerging consciousness and the signs are everywhere It is here now and we all have a part to play in it This book is a guide to navigating the shift from an old paradigm into a new one It is deeply rooted in the shamanic and Taoist traditions which are a fountain of wisdom and knowledge for restoring our relationship with the Earth Shamanism and Taoism are a way of living in harmony with nature rather than an adherence to a religious doctrine By practicing these ways of being we awaken our soul calling and our connection to nature They provide a myriad of responses to the spiritual quest of self discovery They are ways that embed us in the living web of life yielding

greater awareness and perspective These practices are easily integrated into contemporary life and provide a means of navigating the turbulent times in which we live      Books in Print Supplement ,1988      The Magician's Companion Bill Whitcomb,1993 This desk reference is overflowing with a wide range of occult and esoteric materials on Eastern and Western magical systems Over thirty five magical models are compared and discussed Begins with an introduction to magic including a program of study so you can use any of the ninety one systems described Reveals the secrets of alchemy magical alphabets the chakras the Tree of Life astrology and much more It makes the ancient magical systems accessible understandable and useful to modern magicians      The I Ching Handbook Mondo Selter,2002 The I Ching Handbook introduces readers to the ancient Chinese text and instructs them in using it as a tool for strategizing and decision making Mondo Selter's innovative approach to interpreting the hexagram meanings is accessible to both beginners and advanced users The book also explores the process of divination through casting Black and white illustrations and charts are provided
