Court of Appeal (1st Appellate District). Records and Briefs California (State)., **The Congregationalist** ,1919 *Our Town* Kevin Jack McEnroe, 2015-05-01 *Our Town* is the debut of a striking literary voice one that captures the disillusion at the fringes of Hollywood as seen through a haze of drugs alcohol abuse and fallen aspirations An unseen narrator guides us through the dark fairy tale of Dorothy White an aspiring actress who never quite figured how to get out of her own way Her perfect marriage to an equally golden actor Dale quickly turns into one of jealousy and violence Dorothy ends the marriage yet begins a legacy of self destruction for the failed couple as well as their two children Clover and Dylan But we see the pathos in Dorothy s attempts to get back on track to be a good woman mother and grandmother Throughout the novel she is left in the wake of decisions that turn disastrous Her downward spiral from elusive fame into consistent infamy a series of DUIs the continuing neglect of her children a string of failed and unhealthy relationships is not without its grace with the warmth of her character shining through her spackled makeup and cloud of acrid perfume In many ways Dorothy White is an anti heroine for the ages vanilla voiced bewigged loving and ever radiant a sympathetic character caught in the riptide of her transformation from small town southern girl to one time toast of Hollywood to embarrassing tabloid fodder *Our Town* is an original and startling debut novel one whose fresh voice and

expert perspective reinvents the Hollywood story for a new generation of readers HESITATION Aliesha Howard,2012-04-30 Hesitation is about a promiscuous divorced twenty two year old girl Allison Holten who falls for a guy named Greg Morris who incidentally turns out to be total psycho After he physically assault her and leaves her for dead she leaves state to see her brother Rylee tries to out run him and her problems and start anew Only to find out he won t stop tell he has her back in his clutches or finishes her off whichever comes first Along the wild roller coaster ride she is on she finds out she is not a simple ordinary girl she thought she was She was different and unsure of how to handle her new found gifts
