**The Way We See It** James Pittman, 2004-11 *The Way We See It* is an informal collection of unbiased and unedited writings poetry and rhyme from promising young writers who grasp the inner thoughts of life as they see it happening The authors reveal the bare essence of what would be described by true poets as free verse or even urban culture rap by some Emerging from the high rise buildings on Schroeder Street and the Third Avenue apartments of Mount Vernon N Y from H mm looking at us down in their ghettos to the deep South of Bay St Louis Ehry Sunday we went to church each writer is capturing what he or she believes to be a glimpse of realism in prose and verse to be heard like the ringing of gospel music through a southern Baptist church Covering a variety of topics such as familial relationships

friendship and love the poems and rhymes collected in *The Way We See It* would make this anthology a magnificent gift as reading material to ponder While dwelling on the current events and historical documentation the writers points of view are explored from the inner city lifestyles and make statements that imprison the readers then suddenly releasing them to see what we all see and the way we see it If you still don't know where this love comes from it's a little place called Hip Hop

*This Hunger Is Secret* Julie Greene, **Racheltracks** Rachel Vogelsang, 1999 The story takes place mostly in Florence Italy where Rachel has a life of learning of traveling of being exposed to different cultures and peoples of the world She sees viewpoints and belief systems entirely different from those with which she was raised She parties she hitchhikes through Europe she travels to Thailand she dates she falls in love she lives a step away from poverty and sometimes begs on the streets for money She writes for a newspaper she models nude for artists she teaches English and cleans houses she runs a restaurant out of her house she sells paintings on the street And in the midst of all this chaos and eclectic being she discovers why she is who she is and how living and being overcomes and triumphs over the early injustices of her life She learns to take care of herself and be responsible in many ways and still she keeps getting older without growing up Reality Check Pivot, 2020-09-10 For readers of *The Celestine Prophecy* this is what you've been waiting for *Reality Check* was written for everyone else who knows that we're on the verge of pushing Mother Nature and the economy to the breaking point *Reality Check* shows the urgent need to reverse humanity's downward spiral by undoing the status quo Half the book is filled with quotes from the likes of Chomsky Sagan Carlin Goodall Soros Orwell Asimov Hegel William James Sting and the Beatles as well as some of the most popular TV shows and movies This over the top attempt to avert an evolutionary crash hopes instead to turn the situation into an evolutionary bounce by galvanizing members of the so called choir who already understand that the status quo needs to be revamped Otherwise civilization as we know it won't last much longer The book addresses everything from parenting to economics political systems to global warming and general environmental destruction as well as sociology history and God It's time for a reality check What are you waiting for *Gynecology* Camilla Outzen Rantsen, 2023-02-01 There are seventeen year old girls chased by pop stars and weird reactions to having guns pulled on them Everyone has their own expectations of reality and young women are bombarded by a reality way too old for them There are breakups written like a fashion expose and a couple of useful ways to train wolves But mostly you'll find stories of relationships Whether it's friends lovers our past stories in the news that we are now participants in whether we like to be or not and how we react to things we have been almost hypnotized to be okay with There are stories of road trips where graveyards are the most comforting sights and where love is so deep that you forget you have chosen someone who thinks of you in the same way that you do and that has at times led you to seek professional help There are stories of the spells of beauty friendships and the secrets we keep for people who no longer like us There are heiresses in fabled hotels whose notoriety hangs on snort through the nostrils of their own random lives And of course naturally relationships explained

through real estate terms All in all Guynecology is the what the title promises An intersection between men and women boys and girls and any other pronoun you prefer Stories of love fear and actual ghosts are always universal The protagonists of these stories vary from seventeen and as far up you dare to imagine and they learn through the grand view of retrospect or they don t and will continue to blame you for things you never even knew existed The protagonists are humans Except for one but don t tell her I Go Hard Vanessa Morgan,2010-09-24 My son had dreams of becoming a rapper and was living a lifestyle not reflective of his upbringing He was shot on March 6 2009 As a parent I was consumed with guilt I questioned my parental worth I Go Hard is a story of a young man in search of a dream and found a nightmare *An Attempt To Understand The Years Of Plague* M.A Amru,2025-05-20 Avant garde Experimental Longest novel written by a Singaporean No form of government is greater than the individual These are the words of Kira Teo a Singaporean woman growing up in a time of uncertainty Ah too much uncertainty in this world Read ahead It s a new world you are going to experience Will this book be a success Will this book break all boundaries It s up to you fellow reader **Letters of Enlightenment** Jeffrey Faulkner,2014-12-03 Have you ever received a letter from the same person month after month for ten years Jeff Faulkner has been that person He has sent these letters faithfully to many friends and family members Now you can read this collection of heartfelt stories and inspirations that will give you time to reflect on your life and your personal journey Travel through lifes struggles challenges and decisions that each of us must encounter This collection of letters will hopefully open your heart to the love and peace that our world so desperately desires **An Orphan World** Giuseppe Caputo,2019-10-24 In a poverty stricken neighbourhood wedged between the city and the sea a father and son struggle to keep their heads above water Rather than being discouraged by their difficulties and hardship their response is to come up with increasingly bizarre and imaginative plans in order to get by Even when a horrifying macabre event rocks the neighborhood and the locals start to flee father and son decide to stay put What matters is staying together This is a bold poignant text that juxtaposes a very tender father son relationship with the son s sexual liberation and a brutal depiction of homophobic violence Giuseppe Caputo uses delicate yet electrifying lyricism and imagery to weave a tale that balances desire violence discrimination love eroticism and defiance while evoking with surreal humor the social marginalization of the protagonists as they struggle to keep afloat in a society where there are no safety nets Like a brightly lit theme park with its house of horrors reminiscent in parts of James Baldwin s Another Country or Virginie Despentes Vernon Subutex trilogy An Orphan World defies the reader to look away and the reward is an exhilarating carnival ride filled with beauty compassion and loss *What Do I Want to Be When They Grow Up?* Karen Johnson,2025-05-06 Helpful inspiring guide for mothers seeking to flourish and succeed after their kids grow up In What Do I Want to Be When They Grow Up And Other Thoughts from a 40 Something Mom renowned parenting influencer Karen Johnson provides a fun easy to understand and inspiring guide for mothers currently experiencing an empty nest or who see one on the horizon and are looking to lead their best most fulfilling lives and feel comfortable that
