CONTENTS Getting Started A Decluttering Tale Keys to Decluttering Step by Step Decluttering Clutter Control Keys to Organizing Keys to Cleaning Sharing the Load A Few Final Keys To Hell with All That Caitlin Flanagan,2025-05-01 From The New Yorker s most entertaining and acerbic wit comes a controversial reassessment of the rituals and events that shape women s lives weddings sex housekeeping and motherhood *Made from Scratch* Jean Zimmerman,2012-11-13 A stunning celebration and reappraisal of the importance of women s work Made from Scratch addresses the tug that many Americans feel between our professional and private lives In this stunning celebration and reappraisal of the importance of women s work acclaimed journalist Jean Zimmerman poignantly addresses the tug that many Americans of the twenty first century feel between our professional and private lives With sharp wit and intelligence she offers evidence that in the current domestic vacuum we still long for a richer home life a paradox visible in the Martha Stewart phenomenon in the continuing popularity of women s service magazines such as Better Homes and Gardens Family Circle and Ladies Home Journal whose combined circulation of over 17 million is nearly twice the combined circulation of Time Newsweek and U S News World Report and the booming business of restorations where onlookers get a hands on view of domestic life as it flourished in past centuries This book is about the ways home traditions passed from one generation to the next baking a birthday cake from scratch cherishing family heirlooms or discovering the satisfaction of piecing a quilt sustain our souls especially in our ever more processed synthetic world where we buy homemade goods and fail to see the irony in that Made from Scratch tells the story of the unsung heroines of the hearth investigating the history of female domesticity and charting its cultural changes over centuries Zimmerman traces the lives of her own family s homemakers from her tiny but indomitable grandmother who

managed a farm strangled chickens with her bare hands and sewed all the family clothing to her mother who rejected her country upbringing yet kept a fastidious suburban home where the gender divide stayed firmly in place to her own experiences as a wife and mother weaned on the Women's Movement of the 1970s with its emphatic view that housework was a dirty word and that the domestic sphere was to be fled rather than cherished In this book Zimmerman questions the unexamined trade off we have made in a shockingly brief time span as we've progressed from home raised chickens to frozen TV dinners to McNuggets from the food court at the mall What is lost when we no longer engage as individuals and as a community in the ancient rituals of food craft and shelter *Encyclopedia of American Humorists* Steven H.

Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature

Merry Wives and Others Penelope Fritzer,Bartholomew Bland,2010-06-28 In many ways the history of domestic humor writing is also a history of domestic life in the twentieth century For many years domestic humor was written primarily by females significant contributions from male writers began as times and family structures changed It remains timeless because of its basis on the relationships between husbands and wives parents and children houses and inhabitants pets and their owners chores and their doers and neighbors This work is a historical and literary survey of humorists who wrote about home It begins with a chapter on the social context of and attitudes toward traditional domestic roles and housewives The following chapters beginning with the 1920s and continuing through today cover the different time periods and the foremost American domestic humorists and the humor written by surrogate parents grown children about their childhood families husbands and Canadian and English writers Also covered are the differences among various writers toward traditional domestic roles some like Erma Bombeck and Judith Viorst embraced them while others like Caryl Kristenson and Marilyn Kentz resisted them Common themes such as the isolation and competitiveness of housework home as an idealized metaphysical goal and ongoing physical challenge and the urban suburban and rural life are also explored **When I Grow**

Up I Want to Be 60 Wendy Reid Crisp,2006-03-28 Wendy Reid Crisp author of the spirited declaration of independence 100 Things I'm Not Going to Do Now That I'm Over 50 turns her gimlet eye to the next watershed age for boomers turning 60 She celebrates sixty as an age of independence the independence to love support respect accept and forgive ourselves and others In her wry inimitable style Crisp explores the fun invaluable life lessons sixty somethings need to know because sixty
