**To Know Jesus As the Christ** Cardinal Christoph Schoenborn, 2014-02-03 The monthly catechesis in the Cathedral of St Stephen by the Archbishop of Vienna Cardinal Christoph Schoenborn have become an institution among many people in Austria In simple but beautiful words and vibrant images presented by the Cardinal the doctrine and the practice of the faith are fruitfully brought together This book contains a cycle of catechesis or teachings on the Christian faith which pose fundamental questions with respect to the confession of the faith How can God be one and triune How can He be all powerful and at the same time permit evil Is our life free or pre determined How is Christianity different from other religions How are we to understand the signs and miracles of Jesus Why must we believe in the Resurrection of Jesus and hope in our own life after death Cardinal Schoenborn explores these and many other important questions about the Christian faith and especially about the life and teachings of Jesus Christ in his usual lucid and compelling style He leads us to a deeper realization of who Christ is what his saving mission was and how we can know and love Him in a personal and profound way An inspiring and practical work by a great churchman about the eternal importance of the Christian faith and the life and teachings of Jesus Christ and how it is crucial for our everyday life Catechesis is something different from a theological discourse Catechesis is actually a way and we are invited to set out on such a catechetical way For catechesis is very closely connected with the

mission of Jesus himself It is actually the direct translation of his mission which he gave to the apostles at the end of his life All authority in heaven and on earth has been given to me Go therefore and make disciples of all nations Cardinal Christoph Schoenborn
