## **I Married A Logger:**

**I Married a Logger** Julie Benson Anderson, 1951      **I Married a Logger** Julie Anderson, 1988      I Married a Logger Julie Anderson, 1988      Upper Peninsula of Michigan: A History Russell M. Magnaghi, 2017 Get ready to discover the rich history of the Upper Peninsula of Michigan From its earliest days it has evoked words of love beauty mystery and legend Drawing on oral histories newspapers census data archives and libraries Russell M Magnaghi has written the seminal history of a very special place as seen through the eyes of the men and women who have lived here the famous and not so famous For the first time in over a century a complete history of the U P from prehistoric origins to the present is available The Upper Peninsula of Michigan A History is an extraordinary book celebrating this unique sense of place Back cover      Deep Woods Frontier Theodore J. Karamanski, 1989 Examines the interplay between men and technology in the lumbering of Michigan s rugged Upper Peninsula In Deep Woods Frontier Theodore J Karamanski examines the interplay between men and technology in the lumbering of Michigan s rugged Upper Peninsula Three distinct periods emerged as the industry evolved The pine era was a rough pioneering time when trees were felled by axe and floated to ports where logs were loaded on schooners for shipment to large cities When the bulk of the pine forests had been cut other entrepreneurs saw opportunity in the unexploited stands of maple and birch and harnessed the railroad to transport logs Finally in the pulpwood era weed trees despised by previous loggers are cut by chain saw and moved by skidder and truck Narrating the history of Michigan s forest industry Karamanski provides a dynamic study of an important part of the Upper Peninsula s economy      Loggers Rick Steber, Logging in North America began with the arrival of European colonists in the 1600s In a few short decades there were water powered sawmills scattered up and down the eastern seaboard with the main concentration in northern New England The lumber was used to build ships furniture kegs and barrels buggies and wagons As the loggers cleared areas in the forest others arrived to farm the ground It took 200 years for the timber to be logged from the eastern seaboard The loggers and lumbermen moved inland to the Great Lakes region and when they had high graded the timber there they continued west to northern California and the Pacific Northwest Lumberman Samuel Wilkeson wrote in 1869 on viewing the Western forests for the first time Oh What timber These trees so enchain the sense of the grand and so enchant the sense of the beautiful that I am loth to depart Forests in which you cannot ride a horse forests into which you cannot see and which are almost dark under a bright midday sun such forests containing firs cedars pine spruce and hemlock forests surpassing the woods of all the rest of the globe in their size quantity and quality of the timber Here can be found great trees monarchs to whom all worshipful men inevitably lift their hats      Timber Producers Association of Michigan and Wisconsin. Bulletin ,1951      The Green Chain Mark Leiren-Young, 2011-09-15 The Green Chain looks at the past present and future of forestry through interviews with environmentalists loggers scientists and others Raw log exports environmental devastation making a living all are discussed in this exploration of the problems facing our forests and the possible solutions It s an emotional topic

especially in British Columbia where Greenpeace and the Raging Grannies were born but where the economy has been fuelled largely by forestry Both the logging industry and the environmental movement are facing unprecedented challenges and the world is watching to see how BC and Canada respond Mark discusses the topic with 22 eloquent knowledgeable and passionate people including ForestEthics and PowerUP Canada founder Tzeporah Berman activist Severn Cullis Suzuki author John Vaillant The Golden Spruce former Greenpeace executive and Greenspirit founder Dr Patrick Moore poet laureate and former logger George Bowering Forest Products Association of Canada president and CEO Avrim Lazar union spokesman Wade Fisher documentary filmmaker Velcrow Ripper Fierce Light The book also includes the screenplay for Leiren Young s award winning film The Green Chain      McCullough's Roost Susan These,2013-04-15 Susan Lee These Born August 18 1954 I was born the eldest of four children to Thomas and Wilma McLeod Raised in North Vancouver with my two brothers and a sister I was very lucky to have had a wonderful and normal childhood We John and I were married in September of 1972 In 1975 we moved to the beautiful Sunshine Coast where we have lived on McCullough Road We have raised two lovely daughters Poetry has always been a part of my life so this has been a dream fulfilled There have been well over five hundred people that passed through the doors of our home each and every one of these people has left a mark on my heart somewhere Perhaps one day instead of writing poems I will write of the wonderful stories that happened at McCulloughs Roost I hope you enjoy reading this book as it is my heart and emotional expressions of people that have touched me throughout the years      **The Columbia** Stewart H. Holbrook,2016-06-15 The Columbia commemorates the disciplining and conversion of a wilderness river from a water passageway to a powerhouse and a source of irrigation Here is the story of its explorers who came by boat and by foot the bickering and battles between Hudson s Bay Company and Astor s fur trappers the settlers that turned politicians to keep the Oregon Territory in the U S and to make two states out of it the coming of steamboats the potent force of the railways and later the highways The Columbia follows the story of the canals locks and dams which flooded old landmarks to give new pioneers farm lands and electricity and the story of the settlement of the Pacific Northwest      **Timber Producers Bulletin** ,1951      **American Journeys Volume Two** Lois Lenski,2017-12-19 From a Newbery Award winning author These seven beloved classics beautifully capture growing up and overcoming challenges across America In her Regional America series author and illustrator Lois Lenski presents realistic portrayals of unforgettable young people facing hardships and triumphs across the diverse United States The Newbery Medal winning Strawberry Girl follows day to day life for Birdie and her family on a berry farm in Florida as they deal with heat droughts cold snaps and difficult neighbors In Prairie School a young girl gets stranded at her South Dakota school by a winter storm in Bayou Suzette the Cajun Suzette strikes up an unlikely friendship with a Native American girl in the swamps of Louisiana and Blue Ridge Billy is the story of a boy who dreams of playing the fiddle Other novels follow the lives of a young farmer who wants to quit school and work on his family s Iowa farm an Asian American boy adjusting to city life in San

Francisco's Chinatown and an adolescent lumberjack in the forests of Oregon Beyond changing the face of children's literature Lenski's stories endure because of their moving and believable depictions of young people from often overlooked communities Through her art Lenski gives these characters a voice that continues to ring loud and clear for modern readers This ebook includes Strawberry Girl Prairie School Bayou Suzette Blue Ridge Billy Corn Farm Boy San Francisco Boy and To Be a Logger

**Gypso Logger** Margaret Elley Felt, 2016-06-01 Margaret Elley Felt's autobiographical Gypso Logger originally published in 1963 tells a story almost universally overlooked in the history of the logging industry the emergence of family based independent contract or gypso loggers in the post World War II timber economy and the crucial role of women within that economy For seven years Margaret Felt was her husband's partner in their logging business driving truck keeping the wage rolls and jawboning her way into more credit at the supply stores Margaret Elley Felt is the author of thirteen books in addition to Gypso Logger She has contributed to popular magazines including National Wildlife and Parents Magazine and was an editor and public information officer for several Washington State agencies

*A Logger's Dream* Richard Etheredge, 2006-09-27 Aging logger Daniel Hobgood looks back on a life lived in pursuit of a dream Born the son of a struggling pulpwooder he fought against the odds to rise above the path that folks thought he ought to follow Always looking for a better way young Daniel's thinking was always outside the box He would try any idea that would help him in pursuit of his dream Life in post World War II Alabama was a time of hard work poverty sorrow humor and joy The church is a big part of the culture providing the backdrop against which lives were lived Daniel's life is no exception Work church coon hunting and family are all he knows The more he learns the more he realizes he has yet to learn Did Daniel achieve his dream Was the dream worth the struggle If you have ever had a dream join Daniel as he remembers his six decades of living

**A Logger's Dream** **Adult Catalog: Title** Los Angeles County Public Library, 1970

Descendants of Joseph & Prudence Parks **Corey** Chuck L. Rhodes, 2019-04-28 Descendants of Joseph Prudence Parks Corey is a book compiled researched by their 4th great grandson Chuck L Rhodes This family history beings around the year of Joseph's birth in 1762 at Rhode Island and continues through ten generations up to 2019 Back cover

Masculinities in Forests Carol J. Pierce Colfer, 2020-09-20

Masculinities in Forests Representations of Diversity demonstrates the wide variability in ideas about and practice of masculinity in different forests and how these relate to forest management While forestry is widely considered a masculine domain a significant portion of the literature on gender and development focuses on the role of women not men This book addresses this gap and also highlights how there are significant demonstrable differences in masculinities from forest to forest The book develops a simple conceptual framework for considering masculinities one which both acknowledges the stability or enduring quality of masculinities but also the significant masculinity related options available to individual men within any given culture The author draws on her own experiences building on her long term experience working globally in the conservation and development worlds also observing masculinities among such professionals The core of the book

examines masculinities based on long term ethnographic research in the rural Pacific Northwest of the US Long Segar East Kalimantan and Sitiung West Sumatra both in Indonesia The author concludes by pulling together the various strands of masculine identities and discussing the implications of these various versions of masculinity for forest management This book will be essential reading for students and scholars of forestry gender studies and conservation and development as well as practitioners and NGOs working in these fields The Open Access version of this book available at <https://www.taylorfrancis.com/books/e/9780367815776> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Boys and their Toys Roger Horowitz, 2013-10-18 Negotiating the divide between respectable manhood and rough manhood this book explores masculinity at work and at play through provocative essays on labor unions railroads vocational training programs and NASCAR racing
