Pierre Berton Brian McKillop, 2011-06-22 The first ever biography of one of Canada's best known and most colourful personalities by an award winning author From his northern childhood on it was clear that Pierre Berton 1920 2004 was different from his peers Over the course of his eighty four years he would become the most famous Canadian media figure of his time in newspapers magazines radio television and books sometimes all at once Berton dominated bookstore shelves for almost half a century winning Governor General's Awards for *Klondike* and *The Last Spike* among many others along with a dozen honorary degrees Throughout it all Berton was larger than life full of verve and ideas he approached everything he did with passion humour and an insatiable curiosity He loved controversy and being the centre of attention and provoked national debate on subjects as wide ranging as religion and marijuana use A major voice of Canadian nationalism at the dawn of globalization he made Canadians take interest in their own history and become proud of it But he had his critics too and some considered him egocentric and mean spirited Now with the same meticulous research and storytelling skill that earned him wide critical acclaim for *The Spinster* and *the Prophet* Brian McKillop traces Pierre Berton's remarkable life with special emphasis on his early days and his rise to prominence The result is a comprehensive vivid portrait of the life and work of one of our most celebrated national figures **Land of the Midnight Sun, Third Edition** Ken S. Coates, William R. Morrison, 2017-09-30 While the Klondike Gold Rush is one of the most widely known events in Canadian history particularly

outside Canada the rest of the Yukon's long and diverse history attracts little attention. Important developments such as Herschel Island whaling pre 1900 fur trading the post Second World War resource boom a lengthy struggle for responsible government and the emergence of Indigenous political protest remain poorly understood. Placing well known historical episodes within the broader sweep of the past Land of the Midnight Sun gives particular emphasis to the role of First Nations people and the lengthy struggle of Yukoners to find their place within Confederation. This broader story incorporates the introduction of mammoth dredges that scoured the Klondike creeks the impressive Elsa Keno Hill silver mines the impact of residential schools on Aboriginal children the devastation caused by the sinking of the Princess Sophia the Yukon's remarkable contributions to the national First World War effort and the sweeping transformations associated with the American occupation during the Second World War. Land of the Midnight Sun has long been the standard source for understanding the history of the territory. This third edition includes a new preface to update readers on developments in the Yukon's economy culture and politics including Indigenous self government.

Robert Service Enid Mallory, 2011-04-25 In 1907 a shy bank clerk sent a collection of his poems south from the Yukon to be privately published and shared with a small group of friends. Fate intervened however and Robert Service became a household name across North America and throughout the British Commonwealth. Words were Service's lifelong passion and he set them on many stages. But it was his Dan McGrew Sam McGee and other players of the Great White North who glittered with a golden glow and forever made him the Bard of the Yukon and the de facto Poet Laureate of Alaska. Enid Mallory's Robert Service Under the Spell of the Yukon sheds new light on the life and career of this intriguing and intensely private man and celebrates the poet's verse. This edition includes a selection of some of the most loved Service poems including The Cremation of Sam McGee The Shooting of Dan McGrew The Call of the Wild The Spell of the Yukon and The Ballad of Blasphemous Bill.
