Their poses are energetic and synchronized, with some having one arm raised high and others forming heart shapes with their hands. The background consists of a wall with large, dark grey rectangular panels, and the floor is a light-colored wooden dance floor.

Only now Finn has moved so close to me that my son and I see him all the time. And as I get to know the real Finn I realize I've seriously misjudged him and my walls start to fall. That complicates things. Especially when I learn first hand how well the man knows his way around a woman's body. I told myself it was just physical. But now there's feelings involved intense feelings. Finn has made it clear he's all in with me and my son. And it's obvious my son worships him. Me I panic. Big time I'm terrified of what this could mean to my son's heart and mine if I let Finn fully in and we lose him. It can happen I know that firsthand. And I'm not sure I can get past my fear and take that risk. But if I don't we're all in for a world of hurt. Come Dance with Me is the second full length novel in the Elladine Fire romance series.
