Three intertwining novellas about love death and the bonds of blood To say that Ellen Gilchrist can write is to say that Placido Domingo can sing Jonathan Yardley The Washington Post Journeying through the lives of different members of the Hand family Ellen Gilchrist weaves together tumultuous relationships that are bound by blood A harrowing custody battle leads Anna Hand to Istanbul and back to ensure once and for all that her niece is safe from her conniving mother's ploys Jessie finally free from her mother's influence has her life upended when Olivia the sister she never knew she had appears at the Hands home Between this and the shocking loss of her aunt Jessie doesn't know if her resentment of Olivia comes from their chaotic meeting or something suspicious bubbling just beneath Olivia's surface Meanwhile Olivia the half Native American child who had never known a normal family must cope with this new world of high society Losing Anna and having a dark and desperate secret exposed may send her back to Tahlequah if it doesn't send her over the edge first And Anna leaving a legacy of literature in her wake may do more harm in death than she ever wanted in life as her sister enters a vicious fight to recover her lost writing Always she takes the long comic view of her characters' frailties for only through the chaos they create she seems to suggest do family trees writhe toward the light The New York Times Gilchrist brilliantly captures the intimate accents and rhythms of a family under stress Publishers Weekly A thoroughly engaging work Library Journal      **The Fiction of Ellen Gilchrist** Brad Hooper,2005-03-30 Winner of the National Book Award for her short story collection Victory Over Japan Ellen Gilchrist has entertained audiences with her vivid fictional portraits of strong women eccentric lives and the difficulties of love and life Known both for her short fiction and her novels Gilchrist has been awarded several honors throughout her career and her work continues to receive both critical and popular acclaim This book examines her fiction book by book and offers an appreciation of her craft through a careful analysis of the stories themselves their critical reception and their lasting effect on the reader Hooper offers the first complete evaluation of Gilchrist's entire fiction oeuvre Author of such works as In the Land of Dreamy Dreams The Annunciation Go Hunting with My Daddy and several other novels and collections of short stories Ellen Gilchrist has transcended the bounds of Southern writing appealing to audiences in all corners of the nation Here Hooper celebrates her fiction focusing on the strong feisty female characters that populate her works exerting their will and independence regardless of traditional restraints on their activities In addition he pays special attention to her strengths and weaknesses as both a short fiction writer and a novelist arguing that while her novels may entertain her lasting contribution to American letters can more easily be found in her short fiction
