Tarot: Temple of Paper, House of Cards Carlos Escobel,2019-07-28 Tarot Temple of Paper House of Cards breaks new ground in the study of the Tarot The primary goal of this book is not to provide a user manual or card interpretation guide Nor is it an argument for any one school of thought in regards to the cards their origin or intended use Instead the purpose is to help beginners and adepts alike appreciate the never yet ever changing Tarot in a genuinely new way The thought exercise that creates this lens through which to understand the heart of the art includes techniques for internalizing the cards their combinations and overlooked complexities in an immersive manner These do not compete with prevalent methods but only enhance them The Tarot is different things to different people It has survived and thrived through more than six hundred years of use because of its elastic evolution This book encapsulates what it was and what it is while still adding to the methods available for its users Additionally new research is offered that is sure to surprise even those already well read on the subject And speaking of that subject the practice of Tarot is fascinating on multiple levels including the historic

artistic folkloric psychological and spiritual All of those and more are touched on in a work meant to revitalize not the Tarot itself but the ways in which we can better understand and make use of it *The Magickers* Emily Drake, 2002-06-01 A long time ago two great sorcerers fought a duel to determine the fate of the world Magic itself was ripped from our world its power kept secret by a handful of enchanters The world of Magicks however still exists and whoever controls the Gates controls both worlds In *The Magickers* Enter Jason Adrian and his friends who have been recruited by Gavan Rainwater into the most unusual summer camp on earth Camp Ravenwyng There they will learn about their own special talents They ll develop their magick powers and unlock the secrets of controlling them To Jason it seems like a dream come true But there is one thing he will have to do before he leaves this very special camp face the evil minions of the Dark Hand **Swami and Mantra** Sam Dalal, 1997
