Meeting Jesus in the Sacraments Pope Francis, 2015-02-26 The Sacraments are not mere appearances they are not rituals they are the power of Christ Jesus Christ is present in the Sacraments Pope Francis Baptism Confirmation the Eucharist Holy Matrimony Reconciliation Holy Orders and the Anointing of the Sick as Catholics we are familiar with the sacraments and see them as mileposts in our lives But as Pope Francis so energetically reminds us they are not simply observances they are portals through which the Lord brings us all the power and graces that flow from his death and Resurrection And wonderfully each sacrament opens us to a personal encounter with Jesus Now in 32 easy to read chapters Pope Francis reveals the truth and beauty of each Sacrament teaching us not only what they mean to the Church but to us as Catholics ultimately motivating us each to share these incredible gifts with a needy world 95 Theses for a New Reformation Aaron Hebbard, 2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice 95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today's pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his

own glory and for the purification of Christ's beloved bride the church And let us prepare ourselves to respond with urgency to God's call to action by reforming the church family and culture Contributors include John Frame John MacArthur R C Sproul Peter J Leithart and James White **The pope, the kings and the people. ed. by W.B. Neatley** William Arthur, 1903 **Unity in the Triune God** Timo Tavast, 2012-12-21 The contemporary trinitarian paradigm in systematic theology has been internationally well known since the time of Karl Barth and Karl Rahner and particularly since the contribution of their famous successors Many of them Wolfhart Pannenberg and Robert W Jenson among others have intentionally shown in their writings what the general ecumenical relevance of the findings of trinitarianism might be However the academic research of ecumenism has not yet fully investigated how ecumenically oriented trinitarian theology has been factually applied in varying ecumenical relationships and agreements Unity in the Triune God focuses on the ecumenism of the Evangelical Lutheran Church in America with its full communion partners the Presbyterian Church USA the Reformed Church in America and the United Church of Christ 1997 the Episcopal Church 1999 the Moravian Church in America 1999 and the United Methodist Church 2009 Together all these ecumenically active denominations have shown in their full communion agreements that the doctrine of the Trinity and the church's common trinitarian confession are not meaningless relics from ancient times but rather are dynamic and many sided ecumenical resources that can be used for several functions in full communion agreements The goal of this study is to reveal the differing ways in which to utilize this ecumenical potential of the trinitarian faith **Deadly Indifference** Eric Sammons, 2021-05-25 Eric Sammons a former diocesan director of evangelization and now the editor in chief of Crisis Magazine pulls the curtain back on the rise of religious indifference uncovering a wealth of fascinating particulars about what made the old Church work and what is causing the new to collapse He identifies the most damaging distortions of the Faith presented as progress and explains why Church leaders felt compelled to upend traditional Catholic life **Unity** Charlie Bell, 2024-09-30 For years there has been talk of the importance of unity without a clear theological narrative to underpin this leading to competing claims of what this unity is for or defined by and challenges posed to its possibility or desirability as a polity and as a theological idea This book is a timely theological exploration of the concept of unity in the context of divisions frictions frustrations and arguments both within the Church of England and the wider Anglican Communion Resisting the urge to merely provide a cut and dry definition of unity author Charlie Bell teases out the theological currents that run in this stream of thought and ensure that we are refining our thinking and doing justice to a topic that may appear to contain many opposing and contradictory elements That unity is a call of Christ to His church is not in doubt what that unity might look like in the reality of today's ecclesial and cultural landscape is the question that this book seeks to answer
