The Ballad of St. Katherine Norman Simon, 2014-12-17 Katherine is a strange Bronx girl who hears the voices of the constellations. Abetted by a building super and a disgraced NASA administrator, she becomes a revered faith healer only to be betrayed by her inner voice when it tells her to have a child. Set in eras ranging from the sixties to the near future, Simons' stories blend sexual tension, religious feeling, intellect, and madness into a compelling brew. In a senior living facility, a man plots murder with a woman he believes to be a famous author. A philosophy professor and her boyfriend contemplate suicide. Their every move followed by cameras, the contestants in a reality show need to complete a main task but no one knows what it is. After years on the run from the F B I, a bank robber enters a monastery while his lover, accomplice, stewes in boredom. In the words of one of Simons' characters, "The sacred and the profane lie close together, separated by the thinnest membrane; almost nothing breeches this boundary." The Ballad of St. Katherine presents a fascinating set of personalities, some slain by their obsessions, others able to come to terms with their lives or their deaths. Brothers Mine Jesse Edward Corralez, 2012-06 Lucifer tells tales of his times and talks with his brothers Michael the Archangel and Jesus Christ. Over the eons they have met upon the surface of earth and also in his throne room below. Lucifer, Lucy as he is called by his brethren, and even his big kahuna GOD. He really, really hates it. He relates some of his recollections of things told to him and those that he himself experienced while spending time with Mike and JC. In doing so, his understanding of humans caused him to like them and respect their difficult walk through time. This did not of course in any way change his God-assigned, none-union job with mortals. He goes on to tell of an evolutionary occurrence that resulted in the birth of an extraordinary being that earned his respect and admiration.
