Living Waters from Difficult Passages Thomas Moore, 2019-11-14 This book is an unforgettable journey that is a must read for every believer As the days grow darker it is essential everyone who desires to live for Jesus understand the difference between Churchianity and Christianity This book clears a path through the religious jungle and clearly identifies the Way of Salvation This necessarily involves the full extraction of the common religious practice of tithing from Christian doctrine What is this book about It is about everything that pertains to Godliness and everything that frustrates Godliness It is about growing in Christ and blossoming in faith as well as dying to pride and rejecting the world We are shown the difference between the treasures of Grace and the treasures of the world as we learn a new appreciation for our Lord Jesus Christ and all He won on the cross for us This book is a guide to spiritual maturity where we learn to say along with John the Baptist He must increase but I must decrease John 3 30 KJV Something involved in these issues is dealing with questions that have plagued many believers about how Malachi 3 8 11 has been taught to them Am I really cursed as a robber of God for failing to pay my tithes Will I really open up new Heavenly windows of blessing by faithfully paying my tithes The answers to these questions involve all the schools of systematic theology which requires a deep thorough inspection into the contents of the Gospel of Grace the plan of salvation and the Priesthood of Christ
