My Life with Things Elizabeth Chin, 2016-05-19 Unconventional and provocative My Life with Things is Elizabeth Chin's meditation on her relationship with consumer goods and a critical statement on the politics and method of anthropology Chin centers the book on diary entries that focus on everyday items kitchen cabinet knobs shoes a piano and uses them to intimately examine the ways consumption resonates with personal and social meaning from writing love haikus about her favorite nail polish and discussing the racial implications of her tooth cap to revealing how she used shopping to cope with a miscarriage and contemplating how her young daughter came to think that she needed Lunesta Throughout Chin keeps Karl Marx and his family's relationship to their possessions in mind drawing parallels between Marx's napkins the production of late nineteenth century table linens and Chin's own vintage linen collection Unflinchingly and refreshingly honest Chin unlocks the complexities of her attachments to reliance on and complicated relationships with her things In so doing she prompts readers to reconsider their own consumption as well as their assumptions about the possibilities for creative scholarship

Understanding and Accepting Our Responsibilities As Men Talmadge S. Robinson,2012-09 First of all I like to thank god for all he has done in me and my wife s life everything from keeping us when we were in sin until now by giving us peace and joy in our hearts I wish I could get the men to see that no matter how we may look at life it is going to all come down to the choices that we make in life as a man Men I feel that it is time for us to start reaching out to the men of today because a lot of our young men and adult males are really confused about their responsibilities as men and god has placed it on my heart to show men that being a man and being a saved man is the desire that God has for our lives But my first agenda is to ensure you that whatever your are going through at this point in your life is to let you know that someone has already gone through it and is willing to help you get through your situation so you can have joy and peace in your life But as men we don t like to talk about what we are going through in our life because we are taught from a young age that a man is not suppose to cry show emotion or talk about what s going on in their minds because that is a sign of weakness But I want my brothers to understand that giving your life to Christ and letting him know that you need his help is not a sign weakness but the first sign of being the man that God wants you to be So I like for all the men of the world especially my unsaved brother to take time out of their busy schedules to read this book and know in my heart that once you read this book Understanding and Accepting Our Responsibilities as Men your life will never be the same again Because I know that if I can touch the men of today and show them that they can live there life in peace joy and love and that it is your time to receive your blessings by taking on your responsibilities as a man by giving your life to Christ first then I know that the future for our younger generation will be promising Men we are in a time now when our sons daughters and wife need us to be the men that god intended for us to be so it s time for us to step up and take our rightful place as men in our families life most of all in gods kingdom Brothers you may say why is he so concern about the men the reason is because one I am a man and the other reason is the lord put someone in my life to show me the way and through their prayers and his grace and mercy he saved me so I can understand and explain to the men of the world that we need to lead and not just follow The 2nd reason is I am so tired of losing so many of our young men because we are not teaching them the true meaning of being a man So men it s time

to stand up and take your rightful place at the head of your families be it single or married and help me reach other unsaved brothers

Nightmare in Hostage Hills Christina Mask, 2017-11-20 Sadly Christina's journey and her children's experience of being collateral damage is not atypical Kudos for her strength and bravery in putting her story out there as a cautionary tale for others Dr Susan Weitzman author *Not to People like Us* Hidden Abuse in Upscale Marriages Christina Mask's *Nightmare* is constructed around fragments from a life in agony as one woman attempts to escape abuse retain her sanity and regain the custody of three children the family court and her husband have taken from her It's all here the daily records over months then years the diary entries the self blame the excuses the shame the absurdist dialogues with family therapists marginalia from readings or lectures or religious texts letters pleadings with judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims of abuse in quotations and so so much more These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear But then I realized I was scanning something akin to a Picasso painting whose underlying truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the endlessly reasonable letters Mask writes to intractable foes Mask has cast her eye on what Yeats termed the broken crumbling battlement of the self and lived to write it As one director famously said about the sixty women and children crowded into her six bedroom shelter If they can manage this they can manage anything Christina's book gives us faith that she is right Evan Stark PhD MSW The writer is professor emeritus at Rutgers University and author of *Coercive Control How Men Entrap Women in Personal Life* Oxford 2007
