Daddy's Girls Tasmina Perry, 2007-07-03 I THINK ONE OF DADDY'S LITTLE GIRLS KILLED HIM For the four glamorous daughters of Lord Oswald Balcon money can buy anything From Fendi handbags to Ivy League educations they live in a world of designer labels and unrestricted opulence their father's money and aristocratic status coupled with their dazzling good looks bought them every opportunity and advantage They are beautiful blond and barely thirty and the world is their luxury playground Venetia the sophisticated interior designer has booming professional success but is desperate for a child and an escape from a loveless marriage Camilla the rising political star is too brilliant and ambitious for any of her unworthy lovers to handle Sweet yet savvy Cate is living out her ultimate dream launching her own magazine with an all too handsome business partner The baby of the family Serena is one of the country's most beautiful actresses on the cusp of international stardom but her party girl lifestyle is bringing about more scandal than success The girls are the darlings of the London paparazzi but when Lord Balcon turns up dead the shadow of suspicion falls on his four daughters A jealous tyrant Daddy has tried to bring his daughters down all their lives These four women at the top of their careers in show business publishing interior design and politics must face an awful accusation and each other as they try to discover the truth that lies beneath the glossy surface of their lives The facade of the Balcon family hides a web of deceit and betrayal in which a thirty year old secret lurks threatening to destroy them all From the sun drenched beaches of the Caribbean to Manhattan's elite society circuit from the exclusive fashion houses of Milan to the star studded streets of Cannes the Balcon sisters play out their lives in a whirl of glitz and the ultra chic But as tragedy and danger stalk every one of them the scene is set for a stunning climax
