## I Louise:

Nativities Zoe Cooper, 2012-02-01 *Nativities* is a darkly comic new play set in the wasteland of petty office politics designated smoking areas and personal alienation Excited about her new job as administrative assistant at a call centre Stella is eager to fit in with her workmates and they seem to like her too especially when they find out how much they all have in common It's really like a family at Scion Communications so when they discover that Stella is pregnant they're all delighted for her However as her pregnancy progresses their certainties about love relationships and parenthood are questioned and their lives both at work and at home begin to unravel Set somewhere between an Orwellian dystopian vision and an all too familiar contemporary reality Cooper's writing turns a lens on everyday office life and how personalities are warped in its liminal space Within the repeating motifs of the anonymity of the corporate existence recurrent unvaried routines and ominously authoritative performance targets the core of the play focuses on the sheer isolation and loneliness of the characters The dialogue is overlapping misunderstood and disconnected and the characters are unable to communicate in spite of spending the majority of their waking lives together This kaleidoscopic dialogue and the slippery shifting ground between the characters effectively creates a new language for the stage which is startlingly original This is writing which is innovative relevant chilling and blackly funny

**Leftover Dreams** Charlotte Vale Allen, 1992-12 Two sisters living in Toronto in the 1950s struggle to coexist with their angry abusive mother When one sister falls victim to a violent act the other must go forward alone

**Magnolia Run** Kimberly Filkins, 2019-03-25 There's something wrong at Magnolia Run Twelve year old Claire Moran can feel it as soon as she arrives at her new home a crumbling farmhouse in rural South Carolina Claire has just lost her mother and has been shipped off to live with her only relative Louise an aunt she has never met As Claire attempts to settle into a new life and new school all she wants is to be normal and to avoid thinking about her mother But soon frightening events start happening in the house The door at the end of the hall bleeds Claire hears whispers when she's alone and she's losing large amounts of time Then she learns that nearly everyone in town is talking about her aunt and their haunted house It seems the whole community knows more about her family than Claire does Why had her mother moved so far away Why had she never mentioned her sister Who are these relatives Claire has never known And what is really going on at Magnolia Run As Claire digs into her family history decades old secrets begin to emerge It's clear Magnolia Run is in danger and Claire must untangle the mystery and save her aunt and their home before it's too late

*The Traveling Companion & Other Plays* Tennessee Williams, 2016-03-04 Twelve previously uncollected experimental shorter plays *The Chalky White Substance* *The Day on Which a Man Dies* *An Occidental Noh Play* *A Cavalier for Milady* *The Pronoun I* *The Remarkable Rooming House of Mme LeMonde Kirche K che Kinder* *An Outrage for the Stage* *Green Eyes* *The Parade* *The One Exception* *Sunburst* *Will Mr Merriwether Return from Memphis* *The Traveling Companion* Even with his great commercial success Tennessee Williams always considered himself an experimental playwright In the last 25 years of

his life his explorations increased especially in shorter forms and one act plays as Williams created performance pieces with elements of theater of the absurd theater of cruelty theater of the ridiculous as well as motifs from Japanese forms such as Noh and Kabuki high camp and satire and with innovative visual and verbal styles that were entirely his own Influenced by Beckett Genet and Pinter among others Williams worked hard to expand the boundaries of the lyric realism he was best known for These plays were explicitly intended to be performed off Broadway or regionally Sometimes disturbing sometimes outrageous quite often the tone of these plays is rough bawdy or even cartoonish While a number of these plays employ what could be termed bizarre happy endings others gaze unblinkingly into the darkness Though several of Williams lesser known works from this period have already been published by New Directions these twelve plays have never been collected Most of these shorter plays are unknown to audiences and scholars some are published here for the first time yet all of them embrace in one way or another what Time magazine called the four major concerns that have spurred Williams dramatic imagination loneliness love the violated heart and the valiancy of survival

**Women Writers of the Renaissance and Reformation** Katharina M. Wilson, 1987 The dawn of humanism in the Renaissance presented privileged women with great opportunities for personal and intellectual growth Sexual and social roles still determined the extent to which a woman could pursue education and intellectual accomplishment but it was possible through the composition of poetry or prose to temporarily offset hierarchies of gender to become equal to men in the act of creation Edited by Katharina M Wilson this anthology introduces the works of twenty five women writers of the Renaissance and Reformation among them Marie Denton a Swiss evangelical reformer whose writings were so successful they were banned during her lifetime Gaspara Stampa a cultivated courtesan of Venetian aristocratic circles who wrote lyric poetry that has earned her comparisons to Michelangelo and Tasso Helene de Crenne a French aristocrat who embodied the true spirit of the Renaissance feminist writing both as novelist and as champion of her sex Helene Kottanner Austrian chambermaid to Queen Elizabeth of Hungary whose memoirs recall her daring theft of the Holy Crown of Saint Stephen for her esteemed mistress and Lady Mary Sidney Wroth the first Englishwoman known to write a full length work of fiction and compose a significant body of secular poetry Offering a seldom seen counterpoint to literature written by men Women Writers of the Renaissance and Reformation presents prose and poetry that have never before appeared in English as well as writings that have rarely been available to the nonspecialist The women whose writings are included here are united by a keen awareness of the social limitations placed upon their creative potential of the strained relationship between their gender and their work This concern invests their writings with a distinctive voice one that carries the echoes of a male aesthetic while boldly declaring battle against it

The Light Years Elizabeth Jane Howard, 2016-04-26 This dazzling novel follows a family of English aristocrats as their country teeters on the brink of World War II Penelope Fitzgerald As war clouds gather on the distant horizon Hugh Edward and Rupert Cazalet along with their wives children and loyal servants prepare to leave London for their annual

pilgrimage to the family's Sussex estate. There they will join their parents William and Kitty and sister Rachel at Home Place, the sprawling retreat where the three brothers hope to spend an idyllic summer of years gone by. But the First World War has left indelible scars. Hugh, the eldest of his siblings, was wounded in France and is haunted both by recurring nightmares of battle and the prospect of another war. Edward adores his wife Villy, a former dancer searching for meaning in life, yet he is incapable of remaining faithful to her. Rupert desires only to fulfill his potential as a painter but finds that love and art cannot coexist. And devoted daughter Rachel discovers the joys and limitations of intimacy with another woman. A candid portrait of British life in the late 1930s and a sweeping depiction of a world on the brink of war, *The Light Years* is a must read for fans of *Downton Abbey*. Three generations of the Cazalet family come to unforgettable dramatic life in this saga about England during the last century and the long-held values and cherished traditions that would soon disappear forever. *The Plays of Hubert Henry Davis* Hubert Henry Davis, 2010-12-01. Hubert Henry Davies, 1869-1917, was a leading British playwright of the early twentieth century. This volume contains his best-known work *The Mollusc* plus *A Single Man*, *Doormats*, and *Outcast*.

*Series Collide, Volume 3* Kristine Kathryn Rusch, Dean Wesley Smith, 2025-02-28. Explore the darker side of human nature in *Series Collide Volume 3*. These twenty stories venture into the dark, twisted, and broken places where only the bravest characters dare to tread. Stories that at times verge on horror. Read about the harsh justice of Faerie in World War II, walk the rage-lined streets of Chicago of the 60s, feel the icy froth of the Oregon coast where mermaids hunt and darker creatures lay in wait. Hear the silent screams echo over the perfectly manicured lawns and cookie-cutter houses of Bryant Street. Does darkness attract you? Then *Series Collide Volume 3* is for you. Featured stories include Dean Wesley Smith's *Wrong Turn Under the Skin of Death* and I Killed Jessie Took, and Kristine Kathryn Rusch's *Dark Corners*, *Corpse Vision*, and *Kindred Souls*.

**Lippincott's Monthly Magazine**, 1899. *The Mysteries of Paris* Eugène Sue, 1844. *The Hello Girls* Elizabeth Cobbs, 2019-05-13. In 1918 the U.S. Army Signal Corps sent 223 women to France at General Pershing's explicit request. They were masters of the latest technology, the telephone switchboard. While suffragettes picketed the White House and President Wilson struggled to persuade a segregationist Congress to give women of all races the vote, these courageous young women swore the army oath and settled into their new roles. Elizabeth Cobbs reveals the challenges they faced in a war zone where male soldiers wooed, mocked, and ultimately celebrated them. The army discharged the last *Hello Girls* in 1920, the year Congress ratified the Nineteenth Amendment. When they sailed home, they were unexpectedly dismissed without veterans' benefits and began a sixty-year battle that a handful of survivors carried to triumph in 1979. What an eye opener! Cobbs unearths the original letters and diaries of these forgotten heroines and weaves them into a fascinating narrative with energy and zest. Cokie Roberts, author of *Capital Dames*. This engaging history crackles with admiration for the women who served in the U.S. Army Signal Corps during the First World War, becoming the country's first female soldiers. *New Yorker*. Utterly delightful! Cobbs very adroitly weaves the story of the Signal Corps into that larger story of American women fighting for the

right to vote but it's the warm fascinating job she does bringing her cast to life that gives this book its memorable charisma This terrific book pays them a long warranted tribute Christian Science Monitor Cobbs is particularly good at spotlighting how closely the service of military women like the Hello Girls was tied to the success of the suffrage movement NPR Girl on the Run Rhoda Baxter, 2014-05-09 A woman hides from the spotlight and her own broken heart in a smart sassy novel that's a heady mix of love loss law and celebs Allie Spencer For Jane Porter being a pop star's girlfriend was a dream come true until her big time boyfriend started playing around and the paparazzi turned on her like a pack of hyenas Now in a new city with a new look Jane has retreated to work a quietly anonymous job in a patent law firm at least until the furor dies down Besides some good old fashioned hard work will help repair her shattered confidence Then she meets patent lawyer Marshall Winfield sweet clever and dealing with the aftermath of his own romantic disaster who might just be the cure for Jane's broken heart But with the press still hot on Jane's heels and an office troublemaker hell bent on making things difficult do Jane and Marsh stand any chance of finding happiness together Fresh and fun Rhoda Baxter's debut novel is an entertaining read about learning to trust and love again Talli Roland author of *The Hating Game* *Words from Awaki* Bernetha George MD, 2014-11-20 Don't believe the hype believe what you see Apocalypse as we have come to fear is not apocalypse as it truly is We live today in the time of apocalypse and for some it is pure torment For those around the world living with bombs raining down on them yes that is apocalyptic torture as we feared For those thousands and millions throughout the universe visited and killed by the deadly flu and flu like diseases SARS swine flu bird flu West Nile virus etc Ebola tuberculosis measles cholera dengue fever EV D68 and HIV AIDS yes those are apocalyptic diseases as we feared For those ravished killed left homeless and totally dispossessed by these record breaking seemingly wicked weather events we are currently experiencing yes they would agree that these are for certain apocalyptic changes as we feared However given there are over seven billion of us on the planet and those apocalyptic events mentioned have only killed millions not billions of us they don't seem to rise to the level of chaos and destruction we have been conditioned to fear as being apocalyptic Nevertheless our over exaggerated deep seated and conditioned fears notwithstanding Armageddon is upon us and the signs of it have been for almost twenty years that we know of Those above mentioned apocalyptic occurrences are the signs we were all told would be by John the Revelator in Revelation November 1995 to May 1996 no fewer than seventy of us were told by an angel Awaki and his Angels of God that the signs had already begun and that Armageddon would begin in the year 2000 Our story no matter how far fetched it may seem is true The evidentiary events of war disease and bizarre weather changes we witness daily provide for us the credibility of what we were told The angel Shakardak told us Some will see and they will believe some will not see and they will believe some will hear and they will believe and some will not hear and they will believe and then there will be those who will see and they will not believe and there will be those who will hear and they will not believe
