**Double Takes** Carolyn A. Durham,1998 Viewing cross cultural differences through the lens of cinema Anneliese Widman,2009-05-01 Twenty years ago the topic of Satan emerged for Anneliese Widman PhD while she was searching for a doctoral thesis subject The following words appeared on a piece of paper as though she were writing them automatically the demonic aspect in the human personality The concept underlying those words was manna from heaven she realized that she was in touch with a monumental topic She became aware that our insufficient egos stem not only from our parents words and behavior but also from the demonic intention that underlies the parents feelings toward their offspring She began to understand the ways that voices could destroy the self limiting normal functioning and she devised a method to help identify these voices and help a patient extricate him or herself from the power of their irrational impact on the psyche In Unleashing

Satan's Grip through two patients case histories she shows how they deal with struggles similar to yet different from those we all face. The purpose of this book is to show the reader how to return to the Source devoid of the evil ones and to bring ways to master these forces and to remember the origin we all share: our Source, the vital force of our true self and to ally with it as our friend and guide. It is available to all who seek it. Finding the true Self is a mammoth undertaking; the process can take many years to accomplish. As Dr. Widman writes: "The task is a noble one, but we are all noble and godlike at our basic core. It is not the purpose of being on this planet to bring that core into the light out of the unlit labyrinth to completion; our connection to our Godself. This book will demonstrate how to approach such completion." **Jesse's Wife** Annamaria Q. Proctor, 2008-11. Jesse's Wife is a story for anyone who has suffered by love's broken arrow, all its perversions and lies, and learned to love again. It describes the raw torment of Jessica and Jesse, a husband and wife whose marriage is ripping apart by alcohol abuse and adultery. Jesse and Jessica have too many secrets that have added to the demise of their relationship. Supernatural characters, angels and demons, work to push them towards reconciliation and peace or divorce and hate. Jessica sees Jesse with another woman, Nicole, a young beautiful girl who has sold her soul to the devil for the chance to have someone to love. Jessica plans a new life for herself, unaware that an angel, Abbygail, a little girl in a blue taffeta dress with blonde ringlets of hair falling around her face, is attempting to help Jesse with his alcoholism and reconciliation with her. Both Jessica and Jesse will suffer through the pain of exposing the lies and truths in their lives. Mel, the owner of a grocery store, and Claire, a long-time employee, will help them expose the secrets hidden in their lives that even they are unaware exist. Jesse and Jessica are pawns in a battle between lies and truth. The prize of their suffering is something that evil's demons want to acquire very much. Demons have earned this prize because of Nicole's deal. Everything will change when Jessica and Nicole discover that they too share a very important secret. Demons are working hard to destroy all of them. One little child angel, Abbygail, is there to help. This first tale in the saga of An Angel's Tale captures the essence of human fear matched against human faith, rivaling them against life's overwhelming temptations and desires.
