Hello Luke, I'm Mary Bob Cyphers, 2023-11-14. The Gospel writers Matthew, Mark, and John were eyewitnesses to the life of Jesus. Luke was not, and in fact, does not appear in the Bible until his travels with Paul around 50 AD. And while the other three Gospels are extremely similar, nearly half of Luke's text is original and cannot be found elsewhere, including some sixty stories and parables. The nativity scene we worship on Christmas Eve is from Luke. The only reference of Jesus's childhood being left at the temple can only be found in Luke. How does the Virgin Mary's song, the Magnificat, wind up in the Gospel of Luke? I too have decided, after investigating everything accurately anew, to write it down in an orderly sequence for you. Luke tells us. And he does with more detail than the other Gospel writers who trace Jesus's lineage back to King David. Luke takes it back to Adam and Eve. So how does a man who was not a witness to the life of Jesus and who does not appear until decades after his death have the most relevant details on our Savior's life? There can only be one answer. **Web-Spinning Heroics**

Does the Bible Tell Me So? Margaret Nutting Ralph,2019-10-15 What does the Bible teach and what does it not teach Does the Bible Tell Me So addresses this question by first examining how the Bible has been misinterpreted in the past and then asking if the same mistakes are being made today The topic of how to interpret scripture so as to correctly understand what it teaches is extremely important not only for creating unity among Christian denominations but for civil dialogue and peaceful decision making To correctly interpret the teachings of the Bible various contexts must be taken into consideration the literary form the biblical author is using the beliefs at the time of the original author and audience and the two thousand year process of ongoing revelation modeled in scripture In this book author Margaret Nutting Ralph explains each of these three contexts and applies this method of interpretation to historical issues demonstrating how the Bible was abused to support the deep seated prejudices of well meaning people of the past She then examines this approach in relation to current issues to determine whether scripture is being misused today
