I Pray Like Jesus

Robert L. Morris Jr.

I Pray Like Jesus:

Pray Like Jesus Mark Driscoll, Ashley Chase, 2021 Praying like Jesus doesn't just change your prayer life it changes your entire life There are many books on prayer and books on Jesus but there is a need for a book about the prayer life of Jesus since His prayer life alone was the perfect prayer life How did Jesus pray Why did Jesus pray Where did Jesus pray These questions and more will be examined as we look at what Jesus taught about prayer as well as what Jesus modeled in prayer This book will be biblical practical and easy to read so that it is accessible to a broad audience Many people Christian and non Christian alike statistically value prayer and try to have some sort of prayer life But most people struggle to build any momentum in their prayer lives when they fall into a rut In *Pray Like Jesus* Mark and Ashley want to help people build momentum in their prayer lives by experiencing the presence of God in an ever deepening life giving burden relieving and hope lifting relationship with Jesus Christ

Pray Like Jesus John R. Brokhoff, 1994 Is it humanly possible to pray like Jesus Since God knows what we need even before we pray why bother to pray To what extent does one's relationship with God affect one's prayers With questions like these John Brokhoff takes you on a 13 chapter journey of prayer in *Pray Like Jesus* This book will help develop more effective prayer for persons and groups It examines and studies the nature of Jesus prayers It examines methods and techniques Jesus used It explores a theology of prayer and a study of prayers in the Bible which culminates with a study of the Lord's Prayer This book is ideal for personal use group study or a sermon series Each chapter concludes with a series of discussion questions Chapter titles include The Contents of Prayer The Variety of Prayer Prayer and Healing The Power of Prayer John R Brokhoff is former Professor of Homiletics Candler School of Theology Emory University He is a graduate of Muhlenberg College and the Lutheran Theological Seminary at Philadelphia His other popular CSS titles include *Lectionary Preaching Workbook A B and C* *Preaching The Parables A B and C* and *Preaching The Miracles A B and C*

Pray Like Jesus Robert L. Morris Jr., 2019-07-17 What do all Christians talk about and do very little of Pray Yes prayer is the most talked about subject in Christendom but very few people regularly do it For most it is because no one has ever taught them Only six of Jesus's prayers are recorded in scripture Is that an accident Or could these six prayers teach us how to grow our prayer life deeper and wider than ever before Pray like Jesus is intended to be a simple spiritual how to manual for those who do not have a vital prayer life but seek one It is not intended to be an academic book as much as it is an epistle from a fellow believer who may have learned a few things in forty one years of ministry Author Robert L Morris Jr invites you to join him and look at six prayers of Jesus but you will intentionally not examine the Lord's Prayer in depth The reason is simple the Lord's Prayer contains valuable information on how disciples should pray but this book is about how Jesus personally prayed Pray like Jesus is not the destination but a directional sign Jesus and no other is the destination If you have longed for a prayer life that was more than treating God like a benevolent genie who granted wishes to those he favored then read on to see how prayer is so much more than that

Pray Like Jesus Ricky Smith, Frank Bowden, Dr. Samuel

Thomas,2021-03-04 Have you ever stopped to talk to God and had no idea where to start or what to say Do you ever wonder if He hears you Do you wonder if He understands what you are going through In this book three pastors dissect the Lord s Prayer to answer these questions give insight into what each part means and show you how to use it to enhance your own prayer life Prayer gives you joy in the good times strength and courage in the bad times and helps you know who God is in a true relationship with Him Therefore it is worth it to look closely at Jesus example and see what He said about how to pray You ll learn What the Lord s Prayer is and what it isn t Why we should slow down when we begin to pray Why saying Thy will be done can be difficult The heart of God when we ask for things A deeper understanding of forgiveness The role of temptation in our lives Each chapter ends with questions you can either answer by yourself or use for group study Our hope is that by walking through Jesus words and example your prayer life and relationship with Him will grow stronger and deeper

Pray Like Jesus - Teen Bible Study Book Jeff Belcher,2019-04 Does prayer really change things Why doesn t God always answer my prayers What s the point of prayer anyway Is there a certain way I m supposed to pray Do I have to be a Christian for God to hear my prayers When God communicates with His children it isn t always obvious certainly not as obvious as our conversations with friends We won t receive a text or a phone call We can t expect Him to comment on our most recent status update or post Instead we are called to meet with Him in prayer Over the course of eight sessions students will discover the importance of communicating with God by taking a closer look at Jesus prayers Throughout the Gospel of Luke Jesus teaches us how to depend on God through prayer what it means to pray continually as well as how prayer can help us gain wisdom overcome temptation and surrender our desires to His Too many of us have never experienced the power of prayer simply because we ve never been taught the discipline of prayer and the necessity of making it a priority in our lives How we pray is important but THAT we pray is essential *Pray Like Jesus* Don

Underwood,2017-01-12 The Lord s Prayer is the most famous prayer in the world and is remarkably simple and brief In only 70 words Jesus covers the breadth of the Christian message and experience Most Christians already know it by heart and can easily recite it In fact that might be part of the problem it is so well known and easily recited that most of us never even think about the words as we rattle them off silently or in a corporate worship setting In *Pray Like Jesus* pastor and author Don Underwood reexamines the content of the Lord s Prayer and discovers within it insightful spiritual guidance for developing a rich devotional life At the end of each chapter he suggest ideas for making the prayer a part of daily spiritual disciplines Endorsements Don Underwood combines pastoral experience with biblical and theological insight to help us rediscover the Lord s Prayer and allow it to become a living reality in our lives James A Harnish author of *A Disciple s Path* *A Disciple s Heart* and *Living with the Mind of Christ* Don points out that the disciples asked Jesus to teach them to pray not after hearing the Master give a powerful sermon but after watching him pray They saw what prayer did for him and they wanted it too

James W Moore author of Yes Lord I Have Sinned but I Have Several Excellent Excuses I Am How I Pray Shane Stanford,2015-03-10 Prayer is one of the most important interactions in all of humanity Prayer as defined by both Scripture and many secular works considers prayer a core discipline of most any expression of spirituality Every major religion includes prayer or some form of meditation as part of the spiritual journey or routine And for most religions prayer serves as a major connection between the adherent and the religion s deity spiritual authority But for Christians prayer is more than a discipline or journey There are over 60 times in Scripture when Jesus would go away to pray meditate pray for a particular circumstance or situation or respond to the need of a brother or sister For Jesus prayer was at the center of his relationship with the Father God and he organized and lived his life as such Many people pray but do we pray like Jesus taught us This short book asks that question but goes deeper I Am How I Pray not only frames our love for Jesus but describes how though prayer we can love like Jesus as well You will not want to put this book down You are more than one who prays you are most certainly how you pray **When We Pray Like Jesus** Elisa Morgan,2020-08-21 You can be totally honest with God He wants to know exactly how you feel When We Pray Like Jesus will help you express your deepest emotions to God and have confidence in His will for your life You ll explore Jesus s prayer in the garden of Gethsemane and see His ultimate example of intimacy with the Father Learn how to trust God the same way Jesus did when He said Not my will but yours be done Luke 22 42 **Pray Like Jesus Leader Guide** Don Underwood,2017-01-12 The Lord s Prayer is the most famous prayer in the world and is remarkably simple and brief In only 70 words Jesus covers the breadth of the Christian message and experience Most Christians already know it by heart and can easily recite it In fact that might be part of the problem it is so well known and easily recited that most of us never even think about the words as we rattle them off silently or in a corporate worship setting In Pray Like Jesus pastor and author Don Underwood reexamines the content of the Lord s Prayer and discovers within it insightful spiritual guidance for developing a rich devotional life And the end of each chapter he suggest ideas for making the prayer a part of daily spiritual disciplines The Leader Guide contains everything needed to guide a group through the six week study including session plans and discussion questions as well as multiple format options **The Radical Jesus Prayer** Jim Warren,2018-01-26 Jesus constantly and consistently challenged the cultural mindset of both the religious leaders and His disciples Time and time again He did not match up with either their religious norms or their cultural norms At one point many disciples turned to leave Him after such a confrontation His question Are you also going to leave must have stung in the ears of the Twelve Impetuous Peter was the first to speak up Lord to whom would we go Today Jesus challenges the North American culture and Western Mindset of His followers Nowhere is this more explicit than His response when the first disciples asked Lord teach us to pray As usual familiarity has caused this important pattern for our petitions and lifestyle to become one of many things we think we understand because well it s so simple But you will soon learn that Jesus challenges most of the cultural norms of both America and the American church The question is Are you also going to leave Maybe you

will continue to ignore these keys to the Kingdom Maybe you will just Keep on Keep in on as if everything will work out fine in the end One reason these patterns for our petitions rock our religious norms is because of an insipid reality that permeates the Western church Many have called it Easy Believism As you read through The Radical Jesus Prayer you will hear Warren speak of it from time to time Thus we have added to this edition the small but powerful book Dealing with Easy Believism This book is focused on an alternative approach to ministering to a person who wants to have a right relationship with God Warren sees this as moving people away from the Just pray this prayer introduction to one that produces discipleship and authentic community Here is an excerpt from the Preface of The Radical Jesus Prayer I believe with all my being that Father is calling His people into a far more radical lifestyle than what we could ever imagine That radical lifestyle starts with intimacy with Father and ends in intimacy with Father The one thing I have discovered about spiritual development is that it takes two key things These just happen to be community and communion with the Trinity and community and communion with people from Father s household It is my prayer this book will not scare you away Some of the things I write about could under most circumstances do just that However I pray Father will use this book to open your eyes to a very different way of living than you have ever experienced Yet I ask only one thing Please do not throw this book across the room You may laugh at that now but I promise at some point early on you will want to give it a good heave ho But please hang in there One thing I point out is that Father never takes away the weeds without giving us the highest quality hay Another way He has spoken this to me is that He never takes away the weeds without leading us to rich green pastures When we learn the things Father calls us to lay aside are basically locoweed we will be ready for the rich green pastures So hang in there with me Let s walk through this topic of the radical patterns the radical Jesus gave us to pray and live producing the radical life Father calls us to walk with Him Praying Like Jesus Gary Holloway,2000-10 Praying Like Jesus What the New Testament Teaches about Prayer by Gary Holloway 2000 Praying Like Jesus Paul Chapman,2025-04-28 Do you pray like Jesus Jesus taught us how to pray However many people misunderstand His most powerful lessons on how to pray each day In this book you will learn how to pray like Jesus by analyzing the Lord s Prayer to discover the ten ingredients necessary for daily powerful prayer Experience prayer like never before when Praying Like Jesus *Teach Me to Pray* D. Qwynn Gross,2011-07-28 Is there a right way to pray Does God only listen to those who are on bended knees with hands folded heads bowed and in reverently silent communication with Him From many years of experiencing answered prayer author and pastor D Qwynn Gross offers insights to the most effective way to pray Based on the prayer that Jesus taught His followers the teaching in this book reveals personal and practical patterns needed to pray with insight intention and expectation as you present yourself before almighty God This the way you should pray Father in heaven may Your name always be kept holy May Your kingdom come However if you do not forgive people then your Father will not forgive the wrong things which you have done Matthew 6 9 14 PEB Reciting the Lord s Prayer doesn t yield the meaning needed for application in real life problems nor does it offer real

and spend 40 days in life defining conversations you won't regret 1 Romans 8:34 1 John 2:1 Hebrews 7:25 2 Read a chapter each morning highlighting the parts you want to discuss with the group Consider a daily group text for 40 days and a weekly meeting for 6 weeks
